1. INTRODUCTION

1.1 The Parties

This [Proposed] Consent Judgment is hereby entered into by and between Berj Parseghian, acting on behalf of the public interest (hereinafter “Parseghian”) and Mycological Natural Products Ltd. (hereinafter “Mycological” or “Defendant”). Collectively Parseghian and Mycological shall be referred to hereafter as the “Parties” and each of them as a “Party.” Parseghian is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. For the purposes of this Consent Judgment, Defendant is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code §§ 25249.6 et seq.

1.2 Allegations and Representations

Parseghian alleges that Defendant has offered for sale in the State of California and has sold in California, products, which contain lead and cadmium, and that such sales have not been accompanied by Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. The State of California has also listed cadmium as a chemical known to cause cancer, developmental toxicity and reproductive harm. Defendant denies the allegations and contends that there is no exposure to lead or cadmium and no violation under Proposition 65 for an alleged failure to warn.

1.3 Covered Product Description

The product that is covered by this Consent Judgment are identified as Porcini Mushrooms include but are not limited to: MycoLogical Wild Gourmet Mushrooms - Oregon Porcini Mushrooms”; UPC #: 7 00360 00306 1. All such items shall be referred to herein as the “Covered Product.”

1 **1.4 Notices of Violation/Complaint**

2 1.4.1 On or about October 11, 2022, Parseghian served Mycological and various public
3 enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to Health &
4 Safety Code §25249.7(d) (the "Notice"), alleging that Mycological was in violation of Proposition 65
5 for failing to warn consumers and customers that the Covered Product exposed users in California to
6 lead and cadmium. No public enforcer diligently prosecuted the claims threatened in the Notice
7 within sixty days plus service time relative to the provision of the Notice to them by Parseghian.

8
9 1.4.2 On May 18, 2023, Parseghian, acting in the interest of the general public in the State
10 of California, filed a complaint in the Superior Court of Los Angeles County alleging violations of
11 Health & Safety Code §25249.6 (the "Complaint") based on the alleged failure to warn of exposures
12 to lead and cadmium contained in the Covered Product manufactured, distributed, or sold by
13 Defendant.

14 **1.5 Effective Date**

15 For purposes of this Consent Judgment, the term "Effective Date" shall mean the date on
16 which Notice of this Consent Judgment is served on Mycological after it is entered as a judgment of
17 the Court.

18
19 For purposes of this Consent Judgment, the term "Execution Date" shall mean the date this
20 Consent Judgment is signed by all parties in Clause 16 below.

21 **2. STIPULATION TO JURISDICTION/NO ADMISSION**

22 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
23 jurisdiction over Defendant as to the allegations contained in the Complaint filed in this matter, that
24 venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter,
25 and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all
26 claims which were or could have been raised in the Complaint based on the facts alleged therein
27
28

1 and/or in the Notice.

2 Nothing in this Consent Judgment shall be construed as an admission by Defendant of any
3 fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment
4 constitute or be construed as an admission by Defendant of any fact, finding, conclusion, issue of law,
5 or violation of law, such being specifically denied by Defendant, including, but not limited to, any
6 admission related to exposure of failure to warn. However, this section shall not diminish or
7 otherwise affect the obligations, responsibilities, and duties of Defendant under this Consent
8 Judgment.
9

10 **3. INJUNCTIVE RELIEF: WARNINGS, REFORMULATION AND TESTING**

11 **3.1** Beginning on the Effective Date, Mycological shall be permanently enjoined from
12 manufacturing for sale in the State of California, "Distributing into the State of California," or directly
13 selling in the State of California, any Covered Product that expose a person to a "Daily Lead
14 Exposure Level" of more than 0.5 micrograms of lead per day or to a "Daily Cadmium Exposure
15 Level" of more than 4.1 micrograms of cadmium per day, unless it meets the warning requirements
16 under Section 3.2.
17

18 **3.1.1** As used in this Consent Judgment, the term "Distributing into the State of California"
19 shall mean to directly ship a Covered Product into California for sale in California or to sell a
20 Covered Product to a distributor that Mycological knows will sell the Covered Product in California.
21 The injunctive relief in Section 3 does not apply to any Covered Product that has left the possession,
22 and is no longer under the control of Mycological prior to the Effective Date and all claims as to such
23 Covered Product are released in this Consent Judgment.
24

25 **3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure Level" and the
26 "Daily Cadmium Exposure Level" shall be measured in micrograms, and shall be calculated using the
27 following formula: micrograms of lead or cadmium per gram of product, multiplied by grams of

product per serving of the product as stated on the label, multiplied by servings of the product per day stated on the label, which equals micrograms of lead or cadmium exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If Mycological is required to provide a warning pursuant to Section 3.1, one of the following warnings must be utilized ("Warning"):

Option 1:

WARNING: Consuming this product can expose you to chemicals including [lead] or [and] [cadmium] which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

Option 2:

WARNING: [Cancer and] Reproductive Harm – <http://www.p65warnings.ca.gov/food>

Mycological shall use the phrase "cancer and" in the Warning if Mycological has reason to believe that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead. As identified in the brackets, the warning shall appropriately reflect whether there is lead, cadmium, or both chemicals present in the Covered Product.

The Warning shall be securely affixed to or printed upon the label of each Covered Product and it must be set off from other surrounding information. In addition, for any Covered Product sold by Mycological over the internet, the Warning shall appear on the checkout page, or prominently displayed to the purchaser prior to completing the purchase, in full text or through a clearly marked hyperlink using the word "**WARNING**" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying the Warning without content that detracts from the Warning.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

Mycological must display the above Warning with such conspicuousness, as compared with other consumer information (warnings, directions for use, ingredient lists, and nutritional information) on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product. For purposes of this Consent Judgment, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language.

If Parseghian alleges that any Covered Product fails to adhere to this Consent Judgment, then Parseghian shall inform Mycological in writing in a reasonably prompt manner of its test results, including information sufficient to permit Mycological to identify the Covered Product(s) at issue. Mycological shall, within thirty (30) days following such notice, provide Parseghian with testing information demonstrating Mycological's compliance with the Consent Judgment. The Parties shall first attempt to resolve the matter prior to Parseghian taking any further legal action.

With respect to the foregoing waivers and releases in this paragraph, Parseghian and Mycological hereby specifically waive any and all rights and benefits which they now have, or in the future may have, conferred by virtue of the provisions of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

6.2 Defendant’s Release of Parseghian

Defendant waives any and all claims against Parseghian, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Parseghian and his attorneys and other representatives, in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against them in this matter, and/or with respect to the Covered Product.

6.3 Public Benefit

It is Mycological’s understanding that the commitments it has agreed to herein, and actions to be taken by Mycological under this Consent Judgment confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Mycological that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Mycological’s alleged failure to provide a warning concerning actual or alleged exposure to lead or cadmium from the Covered Products it has distributed, sold, or offered for sale in California, or will distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Consent Judgment, provided that Mycological is in material compliance with this Consent Judgment.
