1: **1: INTRODUCTION**

2: **1.1 The Parties**

3: This [Proposed] Consent Judgment is hereby entered into by and between Tamar Kaloustian,  
4: acting on behalf of the public interest (hereinafter "Kaloustian") and ANCIENT BRANDS, LLC  
5: (hereinafter "Ancient Brands" or "Defendant"). Collectively Kaloustian and Ancient Brands shall be  
6: referred to hereafter as the "Parties" and each of them as a "Party." Kaloustian is an individual  
7: residing in California who seeks to promote awareness of exposures to toxic chemicals and improve  
8: human health by reducing or eliminating hazardous substances contained in consumer products.  
9: Defendant is a person in the course of doing business for purposes of Proposition 65, Cal. Health &  
10: Safety Code §§ 25249.6 et seq.

12: **1.2 Allegations and Representations**

13: Kaloustian alleges that Defendant has offered for sale in the State of California and has sold in  
14: California, products, which contain lead, and that such sales have not been accompanied by  
15: Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of  
16: California to cause cancer and birth defects or other reproductive harm. Defendant denies the  
17: allegations and contends that there is no exposure and no violation under Proposition 65 for an  
18: alleged failure to warn.

20: **1.3 Covered Product Description**

21: The products that are covered by this Consent Judgment are identified as Organic Super  
22: Greens, including but not limited to: "Ancient Nutrition – Organic Super Greens – Detox Digest  
23: Energize - Mint Flavor; UPC #: 8 16401 02573 9." All such products shall be referred to herein as the  
24: "Covered Product."  
25:

06/06/2024

1           **1.4 Notices of Violation/Complaint**

2           1.4.1 On or about December 20, 2022, Kaloustian served Ancient Brands and various  
3 public enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to  
4 Health & Safety Code §25249.7(d) (the "Notice"), alleging that Ancient Brands was in violation of  
5 Proposition 65 for failing to warn consumers and customers that the Covered Product exposed users  
6 in California to lead. No public enforcer diligently prosecuted the claims threatened in the Notice  
7 within sixty days plus service time relative to the provision of the Notice to them by Kaloustian.

8  
9           1.4.2 On December 20, 2023, Kaloustian, acting in the interest of the general public in the  
10 State of California, filed a complaint in the Superior Court of Los Angeles County alleging violations  
11 of Health & Safety Code §25249.6 (the "Complaint") based on the alleged failure to warn of  
12 exposures to lead contained in the Covered Product manufactured, distributed, or sold by Defendant.

13           **1.5 Effective Date**

14           For purposes of this Consent Judgment, the term "Effective Date" shall mean the date this  
15 Consent Judgment is entered as a judgment of the Court.

16           For purposes of this Consent Judgment, the term "Execution Date" shall mean the date this  
17 Consent Judgment is signed by all parties in Clause 16 below.

18  
19           **2. STIPULATION TO JURISDICTION/NO ADMISSION**

20           For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
21 jurisdiction over Defendant as to the allegations contained in the complaint filed in this matter, that  
22 venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter,  
23 and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all  
24 claims which were or could have been raised in the Complaint based on the facts alleged therein  
25 and/or in the Notice.

26           Defendant denies the material, factual and legal allegations contained in Plaintiff's Notice and  
27  
28

1 Complaint, and maintains that all products, including but not limited to the Covered Product, that  
2 they have sold and distributed in California have been and are in compliance with all applicable laws,  
3 and are completely safe for their intended use. Nothing in this Consent Judgment shall be construed  
4 as an admission by Defendant of any fact, finding, issue of law, or violation of law; nor shall  
5 compliance with this Consent Judgment constitute or be construed as an admission by Defendant of  
6 any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by  
7 Defendant, including, but not limited to, any admission related to exposure of failure to warn.  
8 However, this section shall not diminish or otherwise affect the obligations, responsibilities, and  
9 duties of Defendant under this Consent Judgment.

11 **3. INJUNCTIVE RELIEF: WARNINGS, REFORMULATION AND TESTING**

12 **3.1** Beginning 60 days after the Effective Date ("Compliance Date"), Ancient Brands shall  
13 be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the  
14 State of California," or directly selling in the State of California, any Covered Product that expose a  
15 person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day, unless it  
16 meets the warning requirements under Section 3.2.

17  
18 **3.1.1** As used in this Consent Judgment, the term "Distributing into the State of California"  
19 shall mean to directly ship a Covered Product into California for sale in California or to sell a  
20 Covered Product to a distributor that Ancient Brands knows or has reason to know will sell the  
21 Covered Product in California. The injunctive relief in Section 3 does not apply to any Covered  
22 Product that has left the possession, and is no longer under the control of Ancient Brands prior to the  
23 Effective Date and all claims as to such Covered Product are released in this Consent Judgment.

24  
25 **3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be  
26 measured in micrograms, and shall be calculated using the following formula: micrograms of lead per  
27 gram of product, multiplied by grams of product per serving of the product (using the largest serving  
28

1 size appearing on the product label), multiplied by servings of the product per day (using the largest  
2 number of recommended daily servings appearing on the label), which equals micrograms of lead  
3 exposure per day. If the label contains no recommended daily servings, then the number of  
4 recommended daily servings shall be one.

5 **3.2 Clear and Reasonable Warnings**

6  
7 **3.2.1** If Ancient Brands is required to provide a warning pursuant to Section 3.1, one of the  
8 following warnings must be utilized ("Warning");

9 **Option 1:**

10 **WARNING:** Consuming this product can expose you to chemicals including lead,  
11 which is known to the State of California to cause [cancer and], birth defects or other  
12 reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

13 **Option 2:**

14 **WARNING:** [Cancer and] Reproductive Harm - <http://www.p65warnings.ca.gov/food>

15 Ancient Brands shall use the phrase "cancer and" in the Warning if Ancient Brands has reason  
16 to believe that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

17 The Warning shall be securely affixed to or printed upon the label of each Covered Product  
18 and it must be set off from other surrounding information. In addition, for any Covered Product sold  
19 over the internet, the Warning shall appear on the checkout page, or prominently displayed to the  
20 purchaser prior to completing the purchase, in full text or through a clearly marked hyperlink using  
21 the word "WARNING" in all capital and bold letters when a California delivery address is indicated  
22 for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a  
23 page prominently displaying the Warning without content that detracts from the Warning.  
24

25 The Warning shall be at least the same size as the largest of any other health or safety  
26 warnings also appearing on the website or on the label and the word "WARNING" shall be in all  
27 capital letters and in bold print. No statements intended to or likely to have the effect of diminishing  
28

1 the impact of the Warning on the average lay person shall accompany the Warning. Further, no  
2 statements may accompany the Warning that state or imply that the source of the listed chemical has  
3 an impact on or results in a less harmful effect of the listed chemical.

4 Ancient Brands must display the above Warning with such conspicuousness, as compared  
5 with other words, statements or designs on the label, or on its website, if applicable, to render the  
6 Warning likely to be read and understood by an ordinary individual under customary conditions of  
7 purchase or use of the product. For purposes of this Consent Judgment, the term "label" means a  
8 display of written, printed or graphic material that is printed on or affixed to a Covered Product or its  
9 immediate container or wrapper. If consumer information on the package is in a foreign language, the  
10 warning must also be provided in the foreign language.

11 Notwithstanding the foregoing, Defendant may comply with this Section 3 by providing  
12 warnings as specified in the Proposition 65 regulations applicable to the Covered Product and  
13 chemical at issue, in effect as of the Effective Date, or as such regulations may be modified or  
14 amended in the future.

15  
16  
17 **4. PAYMENTS PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)**

18 With regard to all claims that have been raised or which could be raised with respect to failure  
19 to warn pursuant to Proposition 65 with regard to lead in the Covered Product, Defendant shall pay a  
20 civil penalty of \$5,000.00 pursuant to Health and Safety Code section 25249.7(b), to be apportioned  
21 in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the  
22 State of California's Office of Environmental Health Hazard Assessment and the remaining 25% of  
23 the penalty remitted to Kaloustian, as provided by California Health & Safety Code § 25249.12(d)  
24 and the instructions directly below.

25 Defendant shall issue two separate checks for the penalty payment: (a) one check made  
26 payable to "OEHHA" (tax identification number: 68-0284486) in an amount representing 75% of the  
27  
28

1 total penalty (i.e., \$3,750.00) and (b) one check in an amount representing 25% of the total penalty  
2 (i.e., \$1,250.00) made payable directly to Kaloustian. Defendant shall mail these payments within ten  
3 (10) days following the Effective Date, at which time such payments shall be mailed to the following  
4 addresses respectively:

25 **5. REIMBURSEMENT OF FEES AND COSTS**

26 The parties reached an accord on the compensation due to Kaloustian and her counsel under  
27 the private attorney general doctrine and principles of contract law. Under these legal principles,  
28 Defendant shall reimburse Kaloustian's counsel for fees and costs, incurred as a result of  
investigating, bringing this matter to Defendant attention, and negotiating a settlement in the public  
interest. Defendant shall pay Kaloustian's counsel \$40,000.00 for all attorneys' fees, expert and

1 investigation fees and related costs associated with this matter and the Notice. Defendant shall mail a  
2 check payable to "KJT Law Group," via certified mail to the address for Kaloustian's counsel  
3 referenced above within ten (10) days following the Effective Date. Other than the payment required  
4 hereunder, each side is to bear its own attorneys' fees and costs.

5  
6 **6. RELEASE OF ALL CLAIMS**

7 **6.1. Kaloustian's Release of Defendant, Releasees, and Downstream Releasees**

8 As to those matters raised in the Complaint and in the Notice of Violation, Kaloustian, on  
9 behalf of herself, and on behalf of the public interest, and her past and current agents, representatives,  
10 attorneys, successors and/or assignees (the "Releasers"), hereby waives and releases any and all claims  
11 against Defendant and its trustees, parent companies, corporate affiliates, subsidiaries, predecessors,  
12 successors and assigns (collectively "Releasees") and each entity or party to whom Defendant directly  
13 or indirectly distributes or sells the Covered Product including without limitation, distributors,  
14 wholesalers, licensors, licensees, auctioneers, retailers, franchisees, dealers, customers, owners,  
15 purchasers, users (collectively "Downstream Releasees"), and their respective officers, directors,  
16 attorneys, representatives, shareholders, agents, and employees; and sister and parent entities for  
17 injunctive relief or damages, penalties, fines, sanctions, mitigation, fees (including fees of attorneys,  
18 experts, and others), costs, expenses, or any other sum incurred or claimed, for the alleged failure of  
19 Defendant, Releasees, or Downstream Releasees to provide clear, accurate and reasonable warnings  
20 under Proposition 65 about exposure to lead arising from the sale, distribution, or use of any  
21 Covered Product sold, manufactured or distributed by Defendant, Releasees, or Downstream  
22 Releasees in California, up through the Effective Date. Compliance with the Consent Judgment by  
23 Defendant, a Releasee, or a Downstream Releasee shall constitute compliance with Proposition 65 by  
24 that Defendant, Releasee, or Downstream Releasee with respect to the presence of lead in the  
25 Covered Product. Plaintiff agrees that any and all claims in the Complaint are resolved with prejudice

10

11 **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR  
12 OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR

14 **6.2 Defendant's Release of Kaloustian**

15 Defendant waives any and all claims against Kaloustian, her attorneys and other

23 document are held by a court to be unenforceable, the validity of the enforceable provisions  
24 remaining shall not be adversely affected.
