## NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.

Dear Public Enforcement Agencies:

As You Sow ("AYS") is a non-profit foundation organized under California's Non-Profit Public Benefit Corporation Law. AYS is dedicated to, among other causes, the protection of the environment, the promotion of human health, the improvement of worker and consumer safety, and environmental education.

AYS has documented violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986 ("Proposition 65"), codified at Health & Safety Code §25249.5 *et seq.* This letter serves to provide AYS' notification of these violations to the public enforcement agencies and to the violator. Pursuant to §25249.7(d) of the statute, AYS intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

A summary of the statute and its implementing regulations, which was prepared by the lead agency designated under the statute, is enclosed with the copy of this notice served upon the violator. The specific details of the violations that are the subject of this notice are provided below.

**Alleged violator.** The name of the violator covered by this notice is **NATURE'S SUNSHINE PRODUCTS, INC.** ("Nature's Sunshine").

**Chemicals.** These violations involve exposures to lead, lead compounds, mercury, mercury compounds, arsenic, cadmium and cadmium compounds from the products listed below. On February 27, 1987, the State of California officially listed lead as a chemical known to cause reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer. On July 1, 1990, the State of California officially listed mercury and mercury compounds as chemicals known to cause reproductive toxicity. On May 1, 1997, the State of California officially listed arsenic (inorganic oxides) as a chemical known to cause reproductive toxicity. On February 27, 1987, the State of California officially listed cadmium and cadmium compounds as chemicals known to cause cancer. On May 1, 1997, the State of California officially listed cadmium as a chemical known to cause reproductive toxicity.

**Consumer products.** The products that are the subject of this notice are herbs and herbal products, traditional patent medicines, bulk herbs, infusions, extracted powders, tea pills,

traditional pills, patent formulas, bulk teas, liquid extracts and/or capsules that are imported, exported, manufactured, packaged, distributed, marketed and/or sold by Nature's Sunshine. The phrase "traditional patent medicines" above is used herein as defined by the California Department of Health Services: "herbal and patent medicines consisting of single or multiple herbal ingredients, including botanical, mineral and animal products, formulated into tablets, pills, powders and liquids." The products that are the subject of this notice are listed in Exhibit A, attached hereto.

**Route of exposure.** The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and use of these products as recommended by the manufacturer. Accordingly, the consumer exposures have occurred and continue to occur primarily through the ingestion exposure route, but also may occur through inhalation and/or and dermal contact.

**Duration of violations.** These ongoing violations has occurred on every day since the products have been sold in California and will continue every day until clear and reasonable warnings are provided or until these known toxic chemicals are removed from the products.

This notice of violation supplements the previous notice issued by AYS against Nature's Sunshine on December 23, 2003.

Pursuant to Title 11, C.C.R. § 3100, a certificate of merit is attached hereto.

In keeping with its public interest mission and to expeditiously rectify these ongoing violations of California law, AYS is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation. Please direct all communications regarding this notice to AYS' counsel in this matter:
