## 60 Day Notice of Intent to Sue OFFICE DEPOT, INC. and All of Its Operating Affiliates Under Health & Safety Code Sections 25249.6

Consumer Defense Group Action, a California corporation (hereinafter "CDG" or the "Noticing Party") hereby gives Notice of Intent to Sue Under Health & Safety Code Section 25249.5, *et seq* (the "Notice") to Steve Odland, the CEO of Office Depot, Inc. and all of its operating affiliates (hereinafter referred to collectively as "OFFICE DEPOT"), as well as the governmental entities on the attached proof of service. The Noticing Party must be contacted through Anthony G. Graham at the above address and phone number.

This Notice is intended to inform OFFICE DEPOT that it is in violation of Proposition 65, the Safe Drinking Water and Toxic Enforcement Act (commencing with California Health & Safety Code Section 25249.5) (hereinafter "Proposition 65"), specifically Section 25249.6. Proposition 65 states that when a party, such as OFFICE DEPOT, an entity with more than ten employees, has been or is knowingly and intentionally exposing its customers and users of products it sells to a detectable level of any chemical designated by the State of California to cause cancer or reproductive toxicity (the "Designated Chemicals"), it has violated the statute unless, prior to such exposure, it provides clear and reasonable warning of the exposure to the potentially exposed persons (Health & Safety Code § 25249.6).

In the ordinary course of business, OFFICE DEPOT, through its OFFICE DEPOT branded stores in California listed on Exhibit A hereto and through its internet website ([www.OFFICE DEPOT.com](http://www.OFFICE DEPOT.com)), offers for sale copiers and printers, as well as the fusers and re-fill toners and cartridges (including its own branded toners and cartridges) for these copiers and printers ("the Consumer Products") identified on Exhibit B hereto. It has been doing so for at least one year prior to the date of this Notice. These Consumer Products, when used to print or create copies of documents, emit vapors, gases and particles containing the following Designated Chemicals: benzene, a chemical known to the State of California to cause cancer and reproductive toxicity; styrene oxide, a chemical known to the State of California to cause cancer; carbon black (airborne, unbound particles of respirable size), a chemical known to the State of California to cause cancer; ethylbenzene, a chemical known to the State of California to cause cancer; naphthalene, a chemical known to the State of California to cause cancer; toluene, a chemical known to the State of California to cause reproductive toxicity; and, 1,1,2,2-tetrachlorethane, a chemical known to the State of California to cause cancer. Persons using the products identified on Exhibit B will be exposed to these Designated Chemicals, primarily by inhalation. OFFICE DEPOT however has not placed in its stores, in the areas where the Consumer Products are offered for sale, nor on any of the Consumer Products themselves, nor anywhere on its internet website, a clear and reasonable warning that use of any such Consumer Products will expose the user to Designated Chemicals. OFFICE DEPOT is therefore violating Health & Safety Code Section 25249.6.

Further, OFFICE DEPOT has, for at least one year prior to this notice, provided copying services at each of the stores listed on Exhibit A hereto where OFFICE DEPOT employees who work in the copying department will be exposed to Designated Chemicals throughout the work day, as are customers using the copier services provided at the stores. The employees and customers will be exposed to the

Designated Chemicals at the copying department areas in each store. OFFICE DEPOT however has not provided to such employees and customers a clear and reasonable warning that provision of such services by such employees will expose such employees to Designated Chemicals. OFFICE DEPOT is therefore violating Health & Safety Code Section 25249.6.

Proposition 65 requires that notice and intent to sue be given to OFFICE DEPOT sixty days before a suit is filed. With this letter, CDG gives notice of the alleged violations to OFFICE DEPOT and the appropriate governmental authorities. This notice covers all violations of Proposition 65 that are currently known to CDG from information now available to it. CDG reserves the right to amend this Notice to inform OFFICE DEPOT of other violations and/or exposures as it gathers further information. With the copy of this amended notice submitted to OFFICE DEPOT, a copy is provided of "The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary."
