

NOTICE OF VIOLATION

California Safe Drinking Water and Toxic Enforcement Act

Re: Lead In Baby Bibs

December 22, 2006

This Notice of Violation is provided to you pursuant to and in compliance with California Health and Safety Code Section 25249.7(d).

- For general information regarding the California Safe Drinking Water and Toxic Enforcement Act, see the attached summary provided by the California EPA (copies not provided to public enforcement agencies).
- This Notice of Violation is provided by the Center for Environmental Health, 528 61st Street, Suite A, Oakland, CA 94609, (510) 594-9864. The Center for Environmental Health is a nonprofit corporation dedicated to protecting the environment, improving human health and supporting environmentally sound practices. Michael Green is the Executive Director of and a responsible individual within the Center for Environmental Health.

Description of Violation:

- The names and addresses of the violators are attached hereto as Exhibit 1.
- The violations have been occurring since at least December 22, 2003 and are continuing to this day.
- This Notice of Violation covers the "warning provision" of Proposition 65, which is found at California Health and Safety Code Section 25249.6.
- The names of the listed chemicals involved in these violations are lead and lead compounds ("Lead"). Exposures to Lead occur from use of the products identified in this notice.
- The specific type of products causing these violations is baby bibs made with vinyl. The Lead is contained in these products. A list of non-exclusive examples of this specific type of products is attached hereto as Exhibit 2.
- Description of Violations: Use of the products identified in this notice results in human exposures to Lead. The bibs contain Lead. The route of exposure for the violations is direct ingestion when consumers (especially children) place items that have touched the products in their mouths, ingestion via hand to mouth contact after consumers touch or handle the products or items that have touched the products, and dermal absorption directly through the skin when consumers touch or handle the products or items that have touched the products. These exposures occur in homes, schools and everywhere else throughout California where these products are touched or handled. No clear and reasonable warning is provided with these products regarding the carcinogenic or reproductive hazards of Lead.

Please direct any inquiries regarding this notice to counsel for the Center for Environmental Health: Mark N. Todzo, Lexington Law Group, LLP, 1627 Irving Street, San Francisco, CA 94122, (415) 759-4111.

CERTIFICATE OF MERIT
Health & Safety Code §25249.7(d)

I, Mark N. Todzo, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the parties identified in the notice have violated Health & Safety Code §25249.6 by failing to provide clear and reasonable warnings.

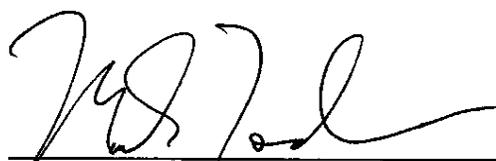

2. I am an attorney with the Lexington Law Group, LLP, and I represent the noticing party, the Center for Environmental Health.

3. Members of my firm and I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies or other data regarding the exposures to the listed chemical that is the subject of the action.

4. Based on the information obtained through those consultations, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violators will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of the Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health & Safety Code §25249.7(h)(2), *i.e.*: (1) the identity of the persons consulted with and relied on by the certifier; and (2) the facts, studies or other data reviewed by those persons.

Dated: December 22, 2006

Mark N. Todzo
Attorney for CEH
