RE: NOTICE OF VIOLATION OF HEALTH & SAFETY CODE § 25249

To Whom It May Concern:

This correspondence shall serve as introduction of our office as legal counsel to Wil Velasquez, and all future correspondence related to this matter should be forwarded to this office.

Our client has informed us that your entity is knowingly exposing the public, including his person, to known toxins, including lead in violation of the Health & Safety Code § 25249.

Please note Health & Safety § 25249 requires you to warn patrons of the hazards to their health stemming from your business. **Should you fail to take these measures, we will bring litigation against your business to enforce the statute.** You or your attorney must contact the undersigned within sixty (60) days of receipt of this letter to notify us of the corrective actions you have undertaken.

We trust we have impressed upon you the grave nature of this matter, and that you will respond appropriately.

Should a suit be necessary, we will be seeking an injunction, damages, and attorney's fees.

Sincerely,

Edward M. Higginbotham
