

AMENDED NOTICE OF VIOLATION

California Safe Drinking Water and Toxic Enforcement Act

Lead in Wallets, Handbags, Purses, Clutches, and Totes Made of Vinyl or Imitation Leather May 15, 2009

This Amended Notice of Violation is provided to you pursuant to and in compliance with California Health and Safety Code Section 25249.7(d). This Amended Notice is substantially identical to the Notice of Violation previously issued on April 7, 2009.

- For general information regarding the California Safe Drinking Water and Toxic Enforcement Act, see the attached summary provided by the California EPA (copies not provided to public enforcement agencies).
- This Amended Notice of Violation is provided by the Center for Environmental Health ("CEH"), 2201 Broadway, Suite 302, Oakland, CA 94612, (510) 655-3900. CEH is a nonprofit corporation dedicated to protecting the environment, improving human health and supporting environmentally sound practices. Michael Green is the Executive Director of and a responsible individual within CEH.

Description of Violation:

- Violator: The names and addresses of the violators are listed on the attached Exhibit 1.
- Time Period of Exposure: The violations have been occurring since at least April 7, 2006, and are continuing to this day.
- Provision of Proposition 65: This Amended Notice of Violation covers the "warning provision" of Proposition 65, which is found at California Health and Safety Code Section 25249.6.
- Chemical(s) Involved: The names of the listed chemicals involved in these violations are lead and lead compounds ("Lead"). Exposures to Lead occur from use of the products identified in this Amended Notice.
- Types of Product: The specific types of product causing this violation are vinyl and faux leather wallets, handbags, purses, clutches and totes. These products are made of materials and components that contain Lead. Non-exclusive examples of these specific types of products are listed on the attached Exhibit 1.
- Description of Exposure: This Amended Notice addresses consumer exposures to Lead. Use of the products identified in this Amended Notice results in human exposures to Lead. Lead is found in the vinyl or imitation leather fabric used to make the products both as a stabilizer and as a chemical ingredient in some of the dyes, paints and other coloring agents. Lead is also found in the metallic components such as zippers and zipper pulls used on the products. The route of exposure for the violations is direct ingestion when consumers (including children) place the products or items that have been stored in the products in their mouths; ingestion via hand to mouth contact after consumers touch or handle the products or items that have been stored in the products; and dermal

absorption directly through the skin when consumers touch or handle the products or items that have been stored in the products. No clear and reasonable warning is provided with these products regarding the carcinogenic or reproductive hazards of Lead.

Resolution of Noticed Claims:

- Based on the allegations set forth in this Amended Notice, CEH intends to file a citizen enforcement lawsuit against each of the alleged violators unless such violator enters into a binding written agreement to: (1) recall products already sold; (2) provide clear and reasonable warnings for products sold in the future or reformulate such products to eliminate the Lead exposures; and (3) pay an appropriate civil penalty based on the factors enumerated in California Health and Safety Code Section 25249.7(b). If any of the alleged violators is interested in resolving this dispute without resort to expensive and time-consuming litigation, please feel free to contact CEH through its counsel identified below. It should be noted that CEH cannot: (1) finalize any settlement until after the 60-day notice period has expired; nor (2) speak for the Attorney General or any District or City Attorney who received CEH's 60-day Notice. Therefore, while reaching an agreement with CEH will resolve its claims, such agreement may not satisfy the public prosecutors.

Please direct any inquiries regarding this notice to CEH and its counsel Eric S. Somers at Lexington Law Group, 1627 Irving Street, San Francisco, CA 94122, (415) 759-4111, esomers at lexlawgroup.com.

CERTIFICATE OF MERIT
Health & Safety Code § 25249.7(d)

I, Howard Hirsch, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the parties identified in the notice have violated Health & Safety Code § 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney with the Lexington Law Group and I represent the noticing party, the Center for Environmental Health.
3. Members of my firm and I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies or other data regarding the exposures to the listed chemical that is the subject of the action.
4. Based on the information obtained through those consultations, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violators will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of the Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health & Safety Code § 25249.7(h)(2), i.e. (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies or other data reviewed by those persons.
