Dear Mr. Rudman and Mr. Philbin, or to whom else this may concern:

Consumer Advocacy Group, Inc. (“CAG”), the noticing entity, serves this Notice of Violation (“Notice”) on Greenbrier International, Inc. and Dollar Tree Stores, Inc. (collectively “Violators”) pursuant to and in compliance with Proposition 65. Violators may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi, 3700 Wilshire Boulevard, Suite 480, Los Angeles, CA 90010, telephone no. (213) 382-3183, facsimile no. (213) 382-3430. This Notice satisfies a prerequisite for CAG to commence an action against Violators in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is a registered corporation based in California. CAG is a nonprofit entity dedicated to protecting the environment, improving human health, and supporting environmentally sound practices. By sending this Notice, CAG is acting “in the public interest” pursuant to Proposition 65.
- This Notice concerns violations of the warning prong of Proposition 65, which states that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . .” *Cal. Health & Safety Code* § 25249.6.
- **(1) Cooking Concepts® Easy Grip Kitchen Gadget Pizza Cutter; (2) Cooking Concepts® 2pc Basting Brush Set; (3) Cooking Concepts® 2 pc Pastry Brush Set; (4) jot™ 80 Pieces Paper Clips Assorted Colors: 50mm; (5) Christmas House® Crafts Decorative Pine Pick** contain lead, which is

known to the State of California to cause both cancer and reproductive toxicity, female, male. On February 27, 1987, the Governor of California added lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added lead and lead compounds to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.

- This Notice addresses consumer products exposures. A “[c]onsumer products exposure” is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” *Cal. Code Regs. 27 § 25602(b)*.

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers (1) **Cooking Concepts® Easy Grip Kitchen Gadget Pizza Cutter (“Pizza Cutter”)**; (2) **Cooking Concepts® 2pc Basting Brush Set (“Basting Brush”)**; (3) **Cooking Concepts® 2 pc Pastry Brush Set (“Pastry Brush”)**; (4) **jot™ 80 Pieces Paper Clips Assorted Colors: 50mm (“Paper Clips”)**; (5) **Christmas House® Crafts Decorative Pine Pick (“Pine Pick”)**. The packaging for Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contain no Proposition 65-complaint warning. Nor did Violators, with regard to Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violators, with regard to Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof. Pizza Cutter, Basting Brush, Pastry Brush are designed for personal use in connection with the preparation of food. Paper Clips are designed for use in connection with the organization of paper documents and other office type work. Pine Pick is designed for use in connection with decorations during the Christmas holidays.

- This Notice also concerns occupational exposures. An “[o]ccupational exposure” means an exposure to any employee in his or her employer’s workplace.” *Cal. Code Regs. tit. 25, § 25602(f)*.

Violators caused occupational exposures in violation of Proposition 65 by allowing employees to handle in the scope of their employment, including but not limited to stacking, packing, promoting, and selling the Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick without having first given clear and reasonable warnings to such employees that by handling Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick such employees would suffer exposures to lead and lead compounds. Violators’ employees were exposed to lead by touching Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick with their bare skin at Violators’ premise located at 222 East Palmdale Boulevard, Palmdale, CA 93550 and 420 South Alvarado Street, Los Angeles, CA 90057, among other locations where these activities take place including but not limited to retail outlets. Violators did not provide any Proposition 65-compliant warnings on either the product or substance present or any sign or system of signs in the workplace.

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997.

This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to (a) the conduct of manufacturers occurring outside the State of

California; and (b) employers with less than ten (10) employees. The approval also provides that an employer may use any means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement be subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the California Attorney General.

- This Notice also addresses environmental exposures. An “[e]nvironmental exposure” is an exposure which may foreseeably occur as the result of contact with an environmental medium, including, but not limited to, ambient air, indoor air, drinking water, standing water, running water, soil vegetation, or manmade or natural substances, either through inhalation, ingestion, skin contact or otherwise. Environmental exposures include all exposures which are not consumer products exposures, or occupational exposures.” *Cal. Code Regs. tit. 27, § 25602(c)*.

Violators caused environmental exposures by not providing any Proposition 65-compliant warnings at their facilities located at 222 East Palmdale Boulevard, Palmdale, CA 93550 and 420 South Alvarado Street, Los Angeles, CA 90057, among other locations where such exposures could foreseeably occur, to persons who could foreseeably come into contact with Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick. Such exposures also occurred beyond the property owned or controlled by Violators.

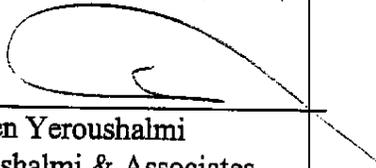

These violations occurred each day between November 23, 2006, and November 23, 2009, and are ever continuing thereafter.

The principal routes of exposure were through dermal contact, ingestion, and inhalation. Persons sustain exposures by handling Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick without wearing gloves or any other personal protective equipment, or by touching bare skin or mucous membranes with gloves after handling Pizza Cutter, Basting Brush, Pastry Brush, Paper Clips, and Pine Pick, as well as hand to mouth contact, hand to mucous membrane, or breathing in particulate matter dispersed from Pizza Cutter, Basting Brush, and Pastry Brush during food preparation activities. Persons also suffer exposure through inadvertent ingestion by handling food after handling Pizza Cutter, Basting Brush, and Pastry Brush and then eating that food, touching Pizza Cutter, Basting Brush, and Pastry Brush to food which is then eaten, or otherwise exposing food and other edibles to Pizza Cutter, Basting Brush, and Pastry Brush.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code § 252549.7(d)(1)*. With this letter, CAG gives notice of the alleged violations to Violator and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is beyond the State of California but within the United States), CAG may file suit. *See Cal. Code Civ. Proc. § 1013; Cal. Health & Safety Code § 25249.7(d)(1); and Cal. Code Regs. 27 § 25903(d)(1)*. CAG remains open to discussing the possibility of resolving its grievances in the interest of the public short of formal litigation.

With the copy of this notice submitted to the Violator, a copy of the following is attached: The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary.
