Re: Violations of Proposition 65 concerning **“Justice” Girl’s Black Belt (SKU No. 82063421)**

Dear Mr. Stevens, and to whom else this may concern:

Consumer Advocacy Group, Inc. (“CAG”), the noticing entity, serves this Notice of Violation (“Notice”) on **Tween Brands, Inc.** (“Violator”) pursuant to and in compliance with Proposition 65. Violator may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi, Esq., 3700 Wilshire Boulevard, Suite 480, Los Angeles, CA 90010, telephone no. (213) 382-3183, facsimile no. (213) 382-3430. This Notice satisfies a prerequisite for CAG to commence an action against Violator in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is a registered corporation based in California. CAG is a nonprofit entity dedicated to protecting the environment, improving human health, and supporting environmentally sound practices. By sending this Notice, CAG is acting “in the public interest” pursuant to Proposition 65.
- This Notice concerns violations of the warning prong of Proposition 65, which states that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . .” *Cal. Health & Safety Code* § 25249.6.
- **“Justice” Girl’s Black Belt (SKU No. 82063421)** contains lead, which is known to the State of California to cause both cancer and reproductive toxicity, developmental, female, male. On February 27, 1987, the Governor of California added lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added lead and lead components to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.

- This Notice addresses consumer products exposures. A “[c]onsumer products exposure’ is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” *Cal. Code Regs. tit. 27, § 25602(b)*.

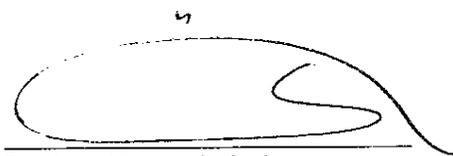

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers “**Justice**” **Girl’s Black Belt (SKU No. 82063421) (hereinafter “Belt”)**. The packaging for the **Belt** (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contain no Proposition 65-complaint warning. Nor did Violator, with regard to the **Belt**, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violator, with regard to the **Belt**, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof. The **Belt** is designed for personal use as a clothing accessory for teenage girls.

These violations occurred each day between March 8, 2007, and March 8, 2010, and are ever continuing thereafter.

The principal routes of exposure were through dermal contact, ingestion, and inhalation. Persons sustain exposures by handling the **Belt** without wearing gloves or by touching bare skin or mucous membranes with gloves after handling **Belt**, as well as hand to mouth contact, hand to mucous membrane, or breathing in particulate matter emanating from the **Belt** during application and installation, as well as through environmental mediums that carry the lead and lead compounds once contained within the **Belt**.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code § 252549.7(d)(1)*. With this letter, CAG gives notice of the alleged violations to Violator and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is within the United States but beyond the State of California), CAG may file suit. *See Cal. Code Civ. Proc. § 1013; Cal. Health & Safety Code § 25249.7(d)(1); and Cal. Code Regs. tit. 27, § 25903(d)(1)*. CAG is ready and willing to discuss the possibility of resolving its grievances in the public interest short of formal litigation.

CERTIFICATE OF MERIT

Health and Safety Code Section 25249.7(d)

I, Reuben Yeroushalmi, hereby declare:

2. I am the attorney for the noticing party.
3. I have consulted with at least one person with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action.
