**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.**

Dear Public Enforcement Agencies:

As You Sow (AYS) is a 501(c)(3) tax exempt organization, organized under California's Non-Profit Public Benefit Corporation Law and based in San Francisco, California. As You Sow is dedicated to, among other causes, the protection of the environment, the promotion of human health, the improvement of worker and consumer safety, and environmental education.

AYS has documented violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65" codified as section 25249.5 et seq. of the California Health and Safety Code). Pursuant to § 25249.7 (d) of the statute, AYS intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, has been provided to the noticed violator attached herein.

The specific details of the violation that are the subject of this notice are provided below.

Alleged violator: The name of this alleged violator is Reviva Labs, Inc. (Reviva) whose address is 705 Hopkins Road, Haddonfield, NJ 08033.

Chemicals: These violations involve exposures to estrone and 17 β -estradiol in products to be used on the skin, sold in California as listed below. On January 1, 1988, the State of California officially listed estrone and 17 β -estradiol as chemicals known to cause cancer.

Consumer products: The product that is the subject of this notice is called Reviva Placenta Serum. These chemicals are present in a quantity that is known to cause cancer in individuals who use the product as directed.

The route of exposure: The route of exposure results from the purchase, acquisition, handling and use of the product as recommended by the manufacturer. Accordingly, the consumer exposures have occurred and continue to occur through dermal absorption of these

chemicals through the skin; however, additional exposures may arise through ingestion of these chemicals.

Duration of the violations: Each of these ongoing violations has occurred on every day since at least November 5, 2009, as well as every day, since the product was introduced in the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users pursuant to Health and Safety Code Section 25249.6 or until these known toxic chemicals are removed from the products.

Proposition 65 requires that notice and intent to sue be given to a violator 60-days before the suit is filed. With this letter, AYS gives notice of the alleged violation to the noticed party and the appropriate governmental authorities. This notice covers all violations of Proposition 65 that are currently known to AYS from information now available to us. AYS is continuing its investigation that may reveal further violations.

Pursuant to 11 C.C.R. §3100, a certificate of merit is attached hereto.

In keeping with its public interest mission and to expeditiously rectify these ongoing violations of California law, AYS is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation.

Please direct all communications regarding this notice to AYS' counsel in this matter:

CERTIFICATE OF MERIT

(Notice of Proposition 65 Violation on Reviva Labs.)

I, Dotty E. LeMieux, Attorney at Law, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party in the notice has violated Health & Safety Code §25249.6 by failing to provide clear and reasonable warnings.

2. I am the representative of the Noticing Party, As You Sow, a non-profit 501 (c) (3) non-profit corporation, incorporated in California and based in San Francisco, California

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: 11/03/10
