**Re: Notice of Violations of California Health & Safety Code Section 25249.5 *et seq.***

Dear Addressees:

I represent the Environmental Research Center ("ERC") in connection with this Notice of Violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code Section 25249.5 *et seq.* and also referred to as Proposition 65.

Notice of Violations of California Health & Safety Code §25249.5 *et seq.*

January 14, 2011

Page 3

ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

The names of the companies covered by this notice that violated Proposition 65 (hereinafter "the Violators") are:

**Aloe Vera of America, Inc.**  
**Forever Living Products International, Inc.**  
**Forever Living Products U.S., Inc.**  
**Forever Living.Com, L.L.C.**  
**Forever Living Products, L.L.C.**

The products that are the subject of this notice and the chemicals in those products identified as exceeding allowable levels are:

**Forever Living Products Aloe Vera of America - Forever Pomesteen Power - Lead**  
**Forever Living Gin-Chia 100 Tablets - Lead**  
**Forever Living Forever Lite Ultra Chocolate Shake Mix 18.5 oz - Lead**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead as chemical known to cause cancer.

This letter is a notice to each of the Violators and the appropriate governmental authorities of the Proposition 65 violations concerning the listed products. This notice covers all violations of Proposition 65 involving the Violators currently known to ERC from the information now available. ERC may continue to investigate other products that may reveal further violations. A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with the copy of this letter to each of the Violators.

Each of the Violators has manufactured, marketed, distributed, and/or sold the listed products, which have exposed and continue to expose numerous individuals within California to the identified chemicals. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and/or recommended use of these products by consumers. The primary route of exposure to these chemicals has been through ingestion, but may have also occurred through inhalation and/or dermal contact. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product's label. Each of the Violators violated Proposition 65 because they failed to provide an appropriate warning to persons using and/or handling these products that they are being exposed to the identified chemicals. Each of these ongoing violations has occurred on every day since January 14, 2011, as well as every day since the products were introduced in the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users.

Pursuant to Section 25249.7(d) of the statute, ERC intends to file a citizen enforcement action sixty days after effective service of this notice unless each of the Violators agrees in an enforceable written instrument to: (1) reformulate the listed products so as to eliminate further exposures to the identified chemicals; and (2) pay

an appropriate civil penalty. Consistent with the public interest goals of Proposition 65 and my client's objectives in pursuing this notice, ERC is interested in seeking a constructive resolution to this matter. Such resolution will avoid both further unwarned consumer exposures to the identified chemicals and expensive and time consuming litigation.

ERC's address 5694 Mission Center Road #199, San Diego, CA 92108; Tel. (619) 309-4194. However, ERC has retained me in connection with this matter, and all communications regarding this Notice of Violations should be directed to my attention at the above listed law office address and telephone number.

Sincerely,

---

Philip T. Emmons, Esq.

**Re: Environmental Research Center's Notice of Proposition 65 Violations by Aloe Vera of America, Inc., Forever Living Products International, Inc., Forever Living Products U.S., Inc., Forever Living.Com, L.L.C., Forever Living Products, L.L.C.**

I, Philip T. Emmons, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
