Re: Notice of Violations of California Health & Safety Code §25249.5 *et seq.*

Dear Sir or Madam:

This firm represents Vicky Hamilton (the "Noticing Party") in connection with this notice of violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986, codified at Health & Safety Code ("H&S Code") § 25249.5 *et seq.* (also referred to as "Proposition 65").

Attached as Exhibit A to this Notice is a copy of "The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary." The attached Summary was prepared by the California Environmental Protection Agency and provides general information about the Safe Drinking Water and Toxic Enforcement Act of 1986. Copies of the Summary are not required to be, and are not being, provided to the public enforcement agencies.

A description of the Noticing Party, the Alleged Violator, and the Alleged Violations Addressed by this Notice follows:

- ◆ This Notice is provided by Vicky Hamilton. Ms. Hamilton is an individual who resides in Los Angeles County in California. Ms. Hamilton is acting in the public interest pursuant to H&S Code § 25249.7(d), and is acting to protect the environment, improve human health, and support environmentally sound practices.

- ◆ The Noticed Company's name and address is:

Anhing Corporation  
Current President/CEO/General Counsel  
418 North Avenue 19  
Los Angeles, CA 90031-1708

- ◆ The violations addressed by this Notice began on or after January 1, 2007, have occurred on numerous occasions each and every day since January 1, 2007, and are ongoing and continuing.
- ◆ This Notice of Violation covers the "warning provision" of Proposition 65, which is found at H&S Code § 25249.6.

- ◆ **Listed Chemicals.** The names of each chemical that is listed pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986 involved in the violations addressed by this Notice are Lead (listed as a Proposition 65 reproductive toxin on February 27, 1987); and Lead and Lead compounds (listed as a Proposition 65 carcinogen on October 1, 1992) (the "Listed Chemicals"). The Listed Chemicals are listed (and have been so listed for more than twelve months) by the Governor of the State of California as being a chemical known to the State of California to cause cancer and/or reproductive toxicity.
- ◆ **Route of Exposure.** The routes of exposure for the violations addressed by this Notice result from the purchase, acquisition, handling and recommended use of these products by consumers. Accordingly, consumer exposures have occurred and continue to occur primarily through the ingestion route of exposure, but also may occur through the inhalation and/or dermal contact routes of exposure.

These exposures are ongoing and continuing, with some continuing from January 1, 2007. The Noticing Party believes and so alleges that Anhing Corporation (hereafter "ANHING") tolled any applicable statute of limitations by failing at any time in the past to disclose the presence of the Listed Chemical in their Product(s) to those individuals to whom the Noticing Party owed a warning when those individuals purchased the Product(s) in retail stores or over the Internet where the Company's Products are sold for consumer use in California. The labels on these Product(s) do not include any warning that would meet the definition of a warning, or otherwise comply with, Title 27 CCR §§ 25601 to 25603.3, inclusive.

- ◆ **Consumer Products.** The type of consumer products causing the exposures addressed by this Notice are consumer food products ("Products") manufactured and/or distributed by the Noticed Company, including but not limited to the following illustrative candy Product(s):

Ginger Candy manufactured by DaiJyoBu®. Ginger Candy is sold in an 8 ½" x 6" plastic bag containing six individually wrapped pieces of candy. There is a bright orange border at the top of the package. Chinese characters and "Ginger Candy" appear in the border. The bag is decorated with boxes that alternate between clear and white with blue dots. The bottom of the package shows a large yellow ginger root with green sprouts. There is a character of a winking, black-haired boy on the right-hand side of the package. The word "DaiJyoBu®" appears at the boy's feet.

- ◆ **Duration of Violations.** There are numerous sources of the exposures addressed in this Notice. On information and belief, these exposures occur in homes, the workplace, and everywhere else in California where these Products are used. These exposures occur principally off the property of the Noticed Company.
- ◆ In the course of doing business, ANHING knowingly and intentionally has exposed, and continues to expose, individuals to the Listed Chemicals in the Products. No clear and reasonable warning is or has been provided by ANHING to individuals regarding exposure to the Listed Chemicals or regarding the fact that the Listed Chemicals are substances known to the State of California to cause cancer or reproductive toxicity.
