Re: Violations of Proposition 65 concerning **(1) cigars and cigarillos, including individual cigars and cigarillos, and (2) chewing tobacco.**

Dear Messrs. Folz, and Wasson, and to whom else this may concern:

Consumer Advocacy Group, Inc. ("CAG"), the noticing entity located at **9903 Santa Monica Boulevard #225, Beverly Hills, California 90212**, serves this Notice of Violation ("Notice") on Walgreen Co. and Altadis USA Inc. (collectively "Violators") pursuant to and in compliance with Proposition 65. Violators may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi 9100 Wilshire Boulevard, Suite 610E, Beverly Hills, CA 90212, telephone no. (310) 623-1926, facsimile no. (310) 623-1930. This Notice satisfies a prerequisite for CAG to commence an action against Violators in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is a registered corporation based in California. CAG is an organization dedicated to protecting the environment, improving human health, and supporting environmentally sound practices. By sending this Notice, CAG is acting "in the public interest" pursuant to Proposition 65.
- This Notice concerns violations of the warning prong of Proposition 65, which states that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . ." *Cal. Health & Safety Code § 25249.6.*

- This Notice addresses consumer products exposures. A “[c]onsumer products exposure’ is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” *Cal. Code Regs. tit. 27 § 25602(b).*

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers **cigars and cigarillos, including for sale individually**. Violators caused consumer product exposures during sale of **cigars and cigarillos, including for sale individually**. The packaging for **cigars and cigarillos, including for sale individually**, meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-complaint warning. Nor did Violators, with regard to **cigars and cigarillos, including for sale individually**, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violators, with regard to **cigars and cigarillos, including for sale individually**, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof. **Cigars and cigarillos, including for sale individually** are designed for use to smoke and use for chewing. Even in instances where the packaging of **cigars and cigarillos** has a warning, the violators remove the **cigars and cigarillos** from the packaging and sell them individually in order to maximize profit, and therefore not allowing consumers to receive the warning; in effect, there is no warning received by consumers.
