To All of Those Listed on Attachment A and B:

Corrected Notice of Violation of Cal. Health & Safety Code § 25249.6 (concerning exposures to PCBs, Dioxins, and Furans from EPA and DHA containing oils)

Please note that this is a follow-up letter that is a corrected version of a letter we mailed to you yesterday which contained several inadvertent errors regarding our notice of violation of California Health and Safety Code section 25249.6 ("Proposition 65") concerning fish, fish liver, shark, shark liver and other EPA and DHA-containing oils. This corrected letter incorporates by reference the Proposition 65 Certificate of Merit attached to our letter yesterday, another copy of which is attached.

The Mateel Environmental Justice Foundation ("Mateel"), Chris Manthey and Benson Chiles (collectively, the "Noticing Parties") give you and the public prosecutors identified on Attachment B notice that your company has been, is, will be and threatens to be in violation of Cal. Health & Safety Code §25249.6. The Noticing Parties are private enforcers of Proposition 65; all may be contacted at the below listed address and telephone number. I am a responsible individual at Mateel. The Noticing Parties are also represented by David Roe. Mr. Roe may be reached at: Law Offices of David Roe, 1061 Walker Ave, Oakland, CA 94610, (510) 465-5860.

The above-referenced violations occur and have occurred when people ingest fish (including, but not limited to, cod and salmon) oils, fish (including, but not limited to, cod) liver oils, shark or squid oils, and/or shark liver oils, as well as other oils containing eicosapentanoic acid (EPA) and docosahexaenoic acid (DHA) (collectively, the "Products") which your company manufacturers or directly or indirectly distributes, markets for sale, or sells to consumers in California. These Products expose the people who use or ingest them to polychlorinated biphenyls ("PCBs"), polychlorinated dibenzo-p-dioxins, polychlorinated dibenzofurans and 2,3,7, 8 tetrachlorodibenzo-para-dioxin via the ingestion, dermal absorption and, absorption through mucous membrane routes of exposure.

Your company did not and does not provide California consumers with clear and reasonable warnings as required by Proposition 65 before you expose them to the aforementioned chemicals via your Products. The above referenced violations have occurred every day since at least April 14, 2008 and will continue every day until these chemicals are reduced in, or eliminated from, your Products or until clear and reasonable warnings are given to California consumers for them as required by Proposition 65.

Cordially,

William Verick

CERTIFICATE OF MERIT

I, William Verick, hereby declare: This Certificate of Merit accompanies the attached notice(s) of violation in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings. I am the attorney for the noticing party. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the person(s) consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: April 14, 2011

William Verick

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliances in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

CERTIFICATE OF SERVICE

I, Sara Davis, declare:

If called, I could and would testify as follows: I am over eighteen. My business address is 425 Market Street, San Francisco, California 94115. On April 15, 2011, I caused the attached Corrected NOTICE OF VIOLATION letter, or a letter identical in substance, and Certificate of Merit to be served by U.S. Mail on those public enforcement agencies listed on ATTACHMENT B SERVICE LIST. I deposited copies of these documents in envelopes, postage prepaid, with the U.S. Postal Service on the day on which the mail is collected. In addition, on the same date, I caused the attached Corrected NOTICE OF VIOLATION letter, Certificate of Merit and PROPOSITION 65: A SUMMARY to be sent to the private business entities listed on ATTACHMENT A by personally serving them on their agent authorized for service of this notice, Robert Falk, Morrison & Foerster LLP, 425 Market Street, San Francisco, CA 94105-2482. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed on April 15, 2011 at San Francisco, California.

Re: Notice of Violation of Cal. Health & Safety Code § 25249.6 (PCB Exposure)

Greetings:

The Mateel Environmental Justice Foundation ("Mateel"), Chris Manthey and Benson Chiles give you notice that the private businesses listed on the attached Service List have been, are, will be and threaten to be in violation of Cal. Health & Safety Code §25249.6. Mateel, Mr. Manthey and Mr. Chiles are private enforcers of Proposition 65, all may be contacted at the below listed address and telephone number. I am a responsible individual at Mateel. The Noticing Parties are also represented by David Roe. Mr. Roe may be reached at: Law Offices of David Roe, 1061 Walker Ave, Oakland, CA 94610, (510) 465-5860. The above referenced violations occur and have occurred when people ingest dietary supplements these companies market that are made from fish oil, fish liver oils, shark oils and/or shark liver oils, as well as other oils containing eicosapentanoic acid (EPA) and docosahexaenoic acid (DHA), (collectively EPA and DHA Omega-3s or, "products"). These products expose the people who take them to polychlorinated biphenyls ("PCBs"), polychlorinated dibenzo-p-dioxins, polychlorinated dibenzofurans and 2,3,7, 8 tetrachlorodibenzo-para-dioxin via the ingestion, dermal absorption and absorption through mucous membrane routes. The listed companies did not and do not provide people with clear and reasonable warnings before they expose them to these chemicals. The above referenced violations have occurred every day since at least April 14, 2008 and will continue every day until these chemicals are taken out of these products or until warnings are given.

Cordially,

William Verick
