

NOTICE OF VIOLATION

California Safe Drinking Water and Toxic Enforcement Act

Lead from Leaded Aviation Gasoline

December 21, 2011

This Notice of Violation is provided to you pursuant to and in compliance with California Health and Safety Code Section 25249.7(d).

- For general information regarding the California Safe Drinking Water and Toxic Enforcement Act, see the attached summary provided by the California EPA (copies not provided to public enforcement agencies).
- This Notice of Violation is provided by the Center for Environmental Health ("CEH"), 2201 Broadway, Suite 302, Oakland, CA 94612, (510) 655-3900. CEH is a nonprofit corporation dedicated to protecting the environment, improving human health and supporting environmentally sound practices. Charlie Pizarro is the Associate Director of and a responsible individual within CEH.

Description of Violation:

- Violator: The name and address of the violator is attached hereto as Exhibit 1.
- Time Period of Violation: The violations have been occurring since at least May 21, 2008 and are continuing to this day.
- Provisions of Proposition 65: This Notice of Violation covers the "warning provision" of Proposition 65, which is found at Health and Safety Code Section 25249.6.
- Chemical(s) Involved: The names of the listed chemicals involved in these violations are lead and lead compounds ("Lead"). Exposures to Lead occur from use of the Leaded aviation gasoline supplied by the violator listed on Exhibit 1.
- Description of Exposure: This Notice addresses environmental exposures to Lead as to the alleged violator listed on the attached Exhibit 1. Use of the Leaded aviation gasoline supplied by the violator listed on Exhibit 1 results in human exposures to Lead. Lead is contained in the aviation gasoline that is supplied by the alleged violator and is emitted as airplanes fueled by the alleged violator take off and land at the airport identified in Exhibit 1.
 - Route of Exposure: The route of exposure for the violations is primarily inhalation, when individuals breathe the Lead emitted by the airplanes fueled by the alleged violator, but also includes ingestion via hand to mouth contact and dermal absorption directly through the skin when individuals within the vicinity of the airport listed on Exhibit 1 touch or handle dust laden with Lead from the aviation fuel.
 - Location of Source of Exposure: The source of the exposures to Lead identified in this Notice is the airport listed on Exhibit 1. The exposures to Lead from the Leaded aviation fuel occur in the vicinity of the airport listed on Exhibit 1. The exposures occur beyond the property owned or operated by the violator.

Resolution of Noticed Claims:

- Based on the allegations set forth in this Notice, CEH intends to file a citizen enforcement lawsuit against the alleged violator unless the alleged violator agrees in a binding written instrument to remedy the violations alleged herein by either: (a) providing warnings to the individuals who reside or pass through the areas surrounding the airports identified on Exhibit 1; or (b) ceasing use of all Leaded aviation fuel in order to cease ongoing and future exposures to Lead alleged herein; and paying an appropriate civil penalty in accordance with the factors set forth in Health and Safety Code Section 25249.7. If the alleged violator is interested in resolving this dispute without resorting to expensive and time-consuming litigation, please contact CEH through its counsel identified below. It should be noted that CEH cannot: (1) finalize any settlement until after the 60-day notice period has expired; nor (2) speak for the Attorney General or any District or City Attorney who received CEH's 60-day Notice. Therefore, while reaching an agreement with CEH will resolve its claims, such agreement may not satisfy the public prosecutors.

Please direct any inquiries regarding this Notice to counsel for CEH: Mark N. Todzo, Lexington Law Group, 503 Divisadero Street, San Francisco, CA 94117, (415) 913-7800.

EXHIBIT 1
December 21, 2011 Notice of Violation
Lead from Leaded Aviation Gasoline

Name and Address of Responsible Party	Location of the Source of the Exposure (Airport Where Responsible Party Operates)
Napa Jet Center, Inc. 2030 Airport Road Napa, CA 94558	Napa County Airport 2030 Airport Road Napa, CA 94558

CERTIFICATE OF MERIT
Health & Safety Code § 25249.7(d)

I, Mark N. Todzo, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the party identified in the notice have violated Health & Safety Code § 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney with the Lexington Law Group, and I represent the noticing party, the Center for Environmental Health.
3. Members of my firm and I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies or other data regarding the exposures to the listed chemical that is the subject of the action.
4. Based on the information obtained through those consultations, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of the Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health & Safety Code § 25249.7(h)(2), i.e. (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies or other data reviewed by those persons.
