PROPOSITION 65 ENFORCEMENT REPORTING  
ATTENTION: PROP 65 COORDINATOR  
1515 CLAY STREET, SUITE 2000  
P.O. BOX 70550  
OAKLAND CA 94612-0550

Greetings:

This office and the Mateel Environmental Justice Foundation ("Mateel") give you notice that Nations Food Service, Inc. (hereinafter "Nation's") has been, is, will be and threatens to be in violation of Cal. Health & Safety Code § 25249.6. Both this office and Mateel are private enforcers of Proposition 65, both may be contacted at the below listed address and telephone number, and I am a responsible individual at both Mateel and this office. The above referenced violations occur when California residents are served beverages at "Nation's Giant Hamburgers" restaurants from brass valves, taps, faucets and stopcocks (hereinafter collectively "brass valves") that are made in whole or in part of brass or other metal alloys containing lead. These brass valves are used on beverage servers and dispensers such as coffee dispensers (hereinafter "beverage dispensers"). These exposures occur due to the use of Wilbur Curtis coffee dispensers at "Nation's Giant Hamburgers" restaurants throughout California. Specific examples of the locations at which these exposures occur are: the "Nation's Giant Hamburgers" restaurants located in Moraga and Jack London Square. These exposures also occur at all other California Nation's Giant Hamburgers restaurants that utilize the same Wilbur Curtis equipment. The valves on these Wilbur Curtis beverage dispensers incorporate food-contact surface components made from brass or other leaded copper alloys. These copper alloys contain lead and lead compounds ("lead"). Lead is known to cause cancer, birth defects and other reproductive harm. California residents are exposed to lead whenever they drink beverages that have flowed through the above-referenced Wilbur Curtis beverage dispensers. Lead leaches from the brass valves into the beverages served from these Wilbur Curtis beverage dispensers. People then drink these lead-contaminated beverages, causing oral exposure to lead. These lead exposures thus occur via the ingestion route. Nation's did not and does not provide people with clear and reasonable warnings before it exposes them to lead. These violations have occurred every day since at least February 15, 2009, and will continue every day until the lead is removed from the brass valves or until clear and reasonable warnings are given. These violations are alleged for occupational and consumer product exposures. We do not, however, allege occupational exposure violations as to any beverage dispensers made outside of California, except as to workplaces Nation's itself maintains in California. This notice does not allege any environmental exposure violations.

Cordially

William Verick

**CERTIFICATE OF MERIT**

I, William Verick, hereby declare: This Certificate of Merit accompanies the attached notice(s) of violation in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings. I am the attorney for the noticing party. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the person(s) consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: February 15, 2012

---

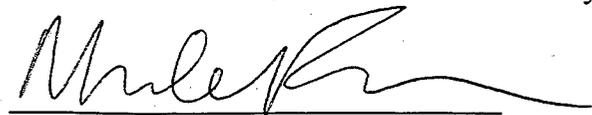

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliances in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

---

**CERTIFICATE OF SERVICE**

I, Nicole Frank, declare:

If called, I could and would testify as follows: I am over eighteen. My business address is 424 First Street, Eureka, California, 95501. On February 15, 2012, I caused the attached NOTICE OF VIOLATION LETTER, or a letter identical in substance, to be served by U.S. Mail on those public enforcement agencies listed on the attached SERVICE LIST; in addition on the same date and by U.S. Mail I caused the attached NOTICE OF VIOLATION and PROPOSITION 65: A SUMMARY to be sent by Certified U.S. Mail to the private business entities also listed on the attached SERVICE LIST. I deposited copies of these documents in envelopes, postage pre-paid, with the U.S. Postal Service on the day on which the mail is collected. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed on February 15, 2012, at Eureka, California.
