Re: Violations of Proposition 65 concerning the **Paper Clips containing Lead**

To whom this may concern:

**Consumer Advocacy Group, Inc.** (“CAG”), the noticing entity, located at **9903 Santa Monica Boulevard #225, Beverly Hills, California 90212**, serves this Notice of Violation (“Notice”) on Kole Imports, Inc. (“Violator”) pursuant to and in compliance with Proposition 65. Violator may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi, Esq., 9100 Wilshire Boulevard, Suite 610E, Beverly Hills, CA 90212, telephone no. (310) 623-1926, facsimile no. (310) 623-1930. This Notice satisfies a prerequisite for CAG to commence an action against Violator in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is an organization based in California. By sending this Notice, CAG is acting “in the public interest” pursuant to Proposition 65. CAG is an entity dedicated to protecting the environment, improving human health, and supporting environmentally sound practices.
- This Notice concerns violations of the warning prong of Proposition 65, which states that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . .” *Cal. Health & Safety Code § 25249.6*.
- **Paper Clips (“Clips”)** contain **lead**, which is known to the State of California to cause both cancer and reproductive toxicity, female, male. On February 27, 1987, the Governor of California added **lead** to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added **lead and lead compounds** to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.

o An exemplar of the violations caused by Clips includes but is not limited to:

▪ Sterling Stationery 50 Jumbo Colored Paper Clips, Made In China, OS074

- This Notice addresses consumer products exposures. A “[c]onsumer products exposure” is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” *Cal. Code Regs. 27 § 25602(b)*.

Violator caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers Clips. The packaging for Clips (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-compliant warning. Nor did Violator, with regard to Clips, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violator, with regard to Clips, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof. Clips are primarily designed to secure items together.

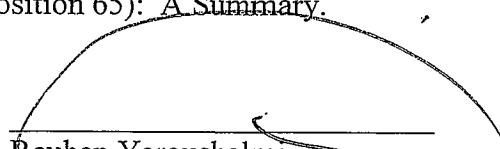

These violations occurred each day between May 11, 2009, and May 11, 2012, and are ever continuing thereafter.

The principal routes of exposure were through dermal contact, ingestion, and inhalation. Persons sustain exposures by handling Clips without wearing gloves or by touching bare skin or mucous membranes with gloves after handling Clips, as well as direct and indirect hand to mouth contact, hand to mucous membrane, or breathing in particulate matter emanating from Clips.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code § 25249.7(d)(1)*. With this letter, CAG gives notice of the alleged violations to Violator and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is beyond the State of California but within the United States), CAG may file suit. See *Cal. Health & Safety Code § 25249.7(d)(1)*; *Cal. Code Regs. 27 § 25903(d)(1)*; and *Cal. Code Civ. Proc. § 1013*. CAG remains open and willing to discussing the possibility of resolving its grievances short of formal litigation.

With the copy of this notice submitted to the Violator, a copy of the following is attached: The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary.

Re:   Violations of Proposition 65 concerning **Paper Clips containing Lead**

Pursuant to Health and Safety Code Section 25249.7(d)

I, Reuben Yeroushalmi, hereby declare:

1.   This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the party(s) identified in the notice(s) has violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.
2.   I am the attorney for the noticing party.
3.   I have consulted with at least one person with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action.
4.   Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5.   The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.
