Re: NOTICE OF VIOLATION AGAINST NOVELTIES BY NASS-WALK, INC., OF CALIFORNIA
HEALTH & SAFETY CODE SECTION 25249.6

To Whom It May Concern and Appropriate Public Enforcement Agencies:

Tiana Hartsock ("Hartsock") is a citizen of the state of California acting in the interest of the general public seeking to further, among other causes, the protection of the environment, toxics reduction, the promotion and improvement of human health, the improvement of workers and consumer rights, environmental education and corporate accountability. Ms. Hartsock has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65" or "Act"), which is codified at Cal. Health & Safety Code §25249.5 *et seq.*

Ms. Hartsock has documented violations of Proposition 65 by Novelties By Nass-Walk, Inc., a New York corporation (the "Violator"). This letter serves to provide Ms. Hartsock's notification of these violations to the Violator. Pursuant to §25249.7(d) of the statute, Ms. Hartsock intends to bring an enforcement action sixty (60) days after effective service of this notice unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

Information available to Ms. Hartsock as of the date of this letter indicates that ongoing violations have occurred every day since at least September 24, 2012, and will continue every day until clear and reasonable warnings are provided to customers.

A copy of the Proposition 65 summary prepared by the Office of Environmental Health Hazard Assessment is attached, to the copy of this letter served to the Violator.

The specific type of product that is causing consumer exposure in violation of Proposition 65 is the Violator's Nasstoy's Double Penetrator Ultimate Cockring, Item #2130-1, sku #782631 213019. All products within this type covered by this Notice shall be referred hereinafter as the "Products."

This Notice addresses consumer product exposures. A "[c]onsumer products exposure' is an exposure which results from a person's acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service." *Cal. Code Regs. Tit. 27, § 25602(b)*.

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers the Products. The packaging for the Products (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-compliant warning. As a result of the sales of these products, exposures to the listed chemical have been occurring without clear and reasonable warnings as required by Proposition 65. Without proper warnings regarding the toxic effects of exposure to the listed chemical resulting from contact with the products, California citizens lack the information necessary to make informed decisions on whether and how to eliminate (or reduce) the risk of exposure to the toxic chemical from the reasonably foreseeable use of the products.

Because of this lack of a warning, consumers were exposed to the following chemicals without the proper required Proposition 65 warnings: 1) Di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause both cancer and reproductive toxicity, developmental male. On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the state to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the state to cause developmental male reproductive toxicity.

The principal routes of exposure were through dermal absorption. Persons sustain exposures by handling the Products by touching bare skin or mucous membranes.

Ms. Hartsock intends to file a private enforcement action as provided for in the Act for the alleged violations by the Violator, unless Violator agrees in an enforceable written instrument to: (1) recall the listed products so as to eliminate further exposures to the identified chemicals; or (2) affix clear and reasonable Proposition 65 warning labels; and (3) pay an appropriate civil penalty. Consistent with the public interest goals of Proposition 65, Ms. Hartsock is interested in seeking a constructive resolution to this matter, and invites violator, should it seek early resolution of this matter, to communicate directly with Hartsock's attorneys. Such resolution will avoid further unwarned consumer exposures, as well as resource intensive litigation.

Please direct all questions concerning this notice to Ms. Hartsock's attorneys, Vineet Dubey (dubey@cd-lawyers.com) or Miguel A. Custodio, Jr.(custodio@cd-lawyers.com), 766 E. Colorado Blvd., Ste 108, Pasadena, CA 91101, 213-785-2909.

Sincerely,

CERTIFICATE OF MERIT
Health and Safety Code Section 25249.7(d)

Re: Tiana Hartsock's Notice of Proposition 65 Violations by Novelties by Nass-Walk, Inc.

I, Vineet Dubey, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience, extensively reviewed Title 22, CCR §12601(b)(1)(D)(2), and have assembled evidence attached to the copy for the California Attorney General as Exhibits 1 and 2 to this Certificate of Merit regarding the lack of warnings for the listed chemical that is the subject of the notice.
4. Based on the information obtained; Title 22, CCR §12601(b)(1)(D)(2); and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2).
