Re: NOTICE OF VIOLATION AGAINST NICKEL & NICKEL VINEYARDS, L.L.C. OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.6

To Whom It May Concern and to Public Prosecutors:

Rafael Delgado, Jr. ("Delgado") is a citizen of the state of California acting in the interest of the general public seeking to further, among other causes, the protection of the environment, toxics reduction, the promotion and improvement of human health, the improvement of workers and consumer rights, environmental education and corporate accountability. As described below, Mr. Delgado has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65" or "Act"), codified at Cal. Health & Safety Code §25249.5 *et seq.* by Nickel & Nickel Vineyards, L.L.C., a California limited liability company (the "Violator"). This letter serves to provide Mr. Delgado's notification of these violations to the Violator and elected prosecutors. Pursuant to §25249.7(d) of the statute, Mr. Delgado intends to bring an enforcement action sixty (60) days or more after effective service of this notice unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

The products which are causing an exposure without a warning in violation of Proposition 65, are alcoholic beverages manufactured, distributed, offered for sale, and/or served to California consumers by Violator ("Products"). The location of the violations include La Grande Orange Cafe located at 260 S. Raymond Blvd., Pasadena, CA 91105.

A copy of the Proposition 65 summary prepared by the Office of Environmental Health Hazard Assessment is attached, to the copy of this letter served to the Violator.

Because of this lack of a warning, consumers were exposed to the following chemicals without the proper required Proposition 65 warnings: 1) Alcoholic beverages, when associated with alcohol abuse; 2) Ethyl alcohol in alcoholic beverages; and 3) Ethanol in alcoholic beverages.

Pursuant to Title 27, CCR § 25603.3(e)(7): “For alcoholic beverages, the placement and maintenance of the warning shall be the responsibility of the manufacturer or its distributor at no cost to the retailer, and any consequence for failure to do the same shall rest solely with the manufacturer or its distributor, provided that the retailer does not remove, deface, or obscure the requisite signs or notices, or obstruct, interfere with, or otherwise frustrate the manufacturer’s reasonable efforts to post, maintain, or periodically replace said materials.”

Mr. Delgado intends to file a private enforcement action as provided for in the Act for the alleged violations by the Violator, unless California agrees in an enforceable written instrument to: (1) recall the listed products so as to eliminate further exposures to the identified chemicals; or (2) affix clear and reasonable Proposition 65 warning labels; and (3) pay an appropriate civil penalty. Consistent with the public interest goals of Proposition 65, Mr. Delgado is interested in seeking a constructive resolution to this matter, and invites violator, should it seek early resolution of this matter, to communicate directly with Delgado’s attorneys. Such resolution will avoid further unwarned consumer exposures, as well as resource intensive litigation.

Please direct all questions concerning this notice to Mr. Delgado’s attorneys, Vineet Dubey (dubey@cd-lawyers.com) or Miguel A. Custodio, Jr.(custodio@cd-lawyers.com), 766 E. Colorado Blvd., Ste 108, Pasadena, CA 91101, 213-785-2909.

Sincerely,

Vineet Dubey

Re: Rafael Delgado's Notice of Proposition 65 Violations by Nickel & Nickel Vineyards, L.L.C.

I, Vineet Dubey, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience, extensively reviewed Title 22, CCR §12601(b)(1)(D)(2), and have assembled evidence attached to the copy for the California Attorney General as Exhibits 1 and 2 to this Certificate of Merit regarding the lack of warnings for the listed chemical that is the subject of the notice.
4. Based on the information obtained; Title 22, CCR §12601(b)(1)(D)(2); and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2).
