

## 60-DAY NOTICE OF VIOLATION

California Safe Drinking Water and Toxic Enforcement Act

<b>Date:</b>	December 26, 2014
<b>To:</b>	Buds and Roses Collective California Attorney General's Office District Attorney's Office for 58 Counties City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles
<b>From:</b>	Michael DiPirro

**This Notice of Violation is provided to you pursuant to and in compliance with California Health and Safety Code Section 25249.7(d). For general information regarding the California Safe Drinking Water and Toxic Enforcement Act, you may contact the Office of Environmental Health Hazard Assessment's ("OEHHA") Proposition 65 Implementation Office at (919) 445-6900. Attached for your reference is a summary, "Proposition 65 In Plain Language," provided by the California Office of Environmental Health Hazard Assessment's ("OEHHA") (copies not provided to public enforcement agencies).**

This Notice of Violation is provided by Michael DiPirro. I am a citizen of the State of California acting in the interest of the general public. I am dedicated to protecting the environment, promoting awareness of exposures to toxic chemicals in products sold in California, improving human health and supporting environmentally sound practices.

Identified below are specific examples of products recently purchased and/or witnessed as being available for purchase or use in California that are within the categories or types of offending products covered by this Notice. I believe and allege that the sale of the offending products also has occurred without the requisite Proposition 65 "clear and reasonable warnings" at one or more location and/or via other means including, but not limited to, transactions made over-the-counter, business-to-business, through the internet and/or via a catalog by the Violator and other retailers and distributors of the manufacturer, including, but not limited to the retailer(s) and/or distributor(s) listed below.

### Description of Violations:

<b>Violator:</b>	Buds and Roses Collective
<b>Toxic Chemical:</b>	Marijuana Smoke Exposures to Marijuana Smoke occur from use of the products identified in this Notice.
<b>Product Categories:</b>	Marijuana Intended for Smoking; Paraphernalia for Smoking Marijuana

<b>Non-exclusive Example of Type of Product<sup>1</sup>:</b>	Marijuana “bud” intended for smoking; Water Bongs; Smoking Pipes; Rolling Papers; Blunts
<b>Retailer(s)/Distributor(s)/Manufacturer(s)</b>	Buds and Roses Collective
<b>Types of Harm:</b>	Cancer
<b>Description of Exposure:</b>	These exposures occur in homes, some workplaces and everywhere else throughout California where these products are handled or used. As a result of the sales of these products, exposures to the listed chemical have been occurring without clear and reasonable warnings as required by Proposition 65.
<b>Routes of Exposure:</b>	Inhalation  Reasonably foreseeable use of the products identified in this Notice results in human exposures to Marijuana Smoke. Marijuana Smoke is a direct and unavoidable by-product of the use of the Products listed above. The route of exposure for the violations is inhalation when the consumer inhales Marijuana Smoke as a result of using the Products listed above.
<b>Time Period of Exposure:</b>	The violations have been occurring since at least December 26, 2011, and are continuing to this day.

**Resolution of Noticed Claims:** Based on the allegations set forth in this Notice, I intend to file a citizen enforcement lawsuit against the alleged Violator unless such Violator enters into a binding written agreement to: (1) recall products already sold; (2) take effective measures to prevent unwarned Marijuana Smoke exposures from products sold in the future and to ensure that the requisite health hazard warnings are provided to those who have received such products; and (3) pay an appropriate civil penalty based on the factors enumerated in California Health and Safety Code Section 25249(b). If the alleged Violator is interested in resolving this dispute without resorting to expensive and time-consuming litigation, please feel free to contact me through my counsel identified below. It should be noted that neither my counsel nor I can: (1) finalize any settlement until after the 60-day notice period has expired; nor (2) speak for the Attorney General or any District or City Attorney who received this Notice of Violation. Therefore, while reaching an agreement with me will resolve my claims, such agreement may not satisfy the public prosecutors.

Please direct any inquiries regarding this Notice to Michael DiPirro through his counsel Jennifer Henry at Law Offices of Jennifer Henry, 3270 Mendocino Avenue, # 2E, Santa Rosa, CA 95403; Telephone: (925) 351-9139.

<sup>1</sup> The specifically identified examples of the types of products that are subject to this Notice are for the recipients' benefit to assist in their investigation of, among other things, the magnitude of potential exposure to the listed chemical from other items within the product categories/types listed in Exhibit A. These examples are not meant to be an exhaustive or comprehensive identification of each specific offending product of the types listed under "Product Category." Further, it is this citizen's position that the alleged Violator is obligated to continue to conduct in good faith an investigation into other specific products within the types or categories described above that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the notice recipients' custody or control) during the relevant period so as to ensure that the requisite toxic warnings were and are provided to California citizens prior to purchase.
