

February 5, 2016

**ATTORNEY GENERAL COPY: CONTAINS OFFICIAL
INFORMATION PER EVIDENCE CODE § 1040**

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE § 25249.5 ET SEQ.**

Dear Public Enforcement Agencies:

Shute, Mihaly & Weinberger LLP (“Firm”) represents As You Sow (“AYS”), a 501(c)(3) non-profit corporation dedicated to, among other causes, toxics reduction, the promotion of and improvement of human health, the improvement of worker and consumer rights, environmental education and the protection of the environment, and corporate accountability. AYS is based in Oakland, California, and was incorporated in 1992 under the laws of the State of California.

AYS has documented violations of California’s Safe Drinking Water & Toxic Enforcement Act of 1986 (“Proposition 65”), codified at Health & Safety Code section 25249.5 et seq. This letter serves to provide AYS’ notification of these violations to the public enforcement agencies. Pursuant to section 25249.7(d) of the statute, AYS intends to bring an enforcement action sixty days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

A summary of the statute and its implementing regulations, which was prepared by the lead agency designated under the statute, is enclosed with the copy of this notice served upon the violator. The specific details of the violations that are the subject of this notice are provided below.

Alleged violator. The name of the violator covered by this notice is Rainbow Light Nutritional Systems, Inc.

Chemical. These violations involve exposures to cadmium from the products listed below. The State of California has officially listed cadmium as a chemical known to cause birth defects or reproductive harm. *See* Chemicals Known to the State to Cause Cancer or Reproductive Toxicity, available at http://oehha.ca.gov/prop65/prop65_list/Newlist.html.

Consumer products. The products that are the subject of this notice are Rainbow Light Chocolate Protein Energizer, and other similar products, which are distributed by Rainbow Light Nutritional Systems, Inc. and sold in California.

Route of exposure. Use of the products identified in this notice results in human exposures to cadmium. The route of exposure is ingestion. No clear and reasonable warning is provided with these products regarding the reproductive hazards of cadmium.

Duration of violations. Each of these ongoing violations has occurred on every day since at least February 5, 2015, as well as every day since the products were introduced in the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are removed from the products.

Pursuant to Title 11, Cal. Code Regs. section 3100, a certificate of merit is attached hereto.

In keeping with its public interest mission and to expeditiously rectify these ongoing violations of California law, AYS is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation. You may communicate directly with AYS to discuss an early resolution of this matter by contacting Danielle Fugere, President, 1611 Telegraph Avenue, Suite 1450, Oakland, CA 94612, (510) 735-8158. You may also contact AYS' counsel:

Very truly yours,

SHUTE, MIHALY & WEINBERGER LLP

Ellison Folk

CERTIFICATE OF MERIT

**(For As You Sow's Notice of Proposition 65 Violation to
Rainbow Light Nutritional Systems, Inc.)**

I, Ellison Folk, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the party in the notice has violated section 25249.6 of the Health and Safety Code by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding exposure to the listed chemicals that are the subject of the action.
4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of this Certificate of Merit served on the Attorney General has attached to it to it factual information sufficient to establish the basis for this certificate, including the information identified in section 25249.7(h)(2) of the Health and Safety Code, i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: _____

2/4/2016
