NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ. (PROPOSITION 65)

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

Schwartz Law represents the Center for Advanced Public Awareness, Inc. ("CAPA"), 180 Promenade Circle, Suite 300, Sacramento, CA 95834; CAPA is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, fostering and increasing the public awareness of chemicals used to manufacture consumer products, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

CAPA has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code § 25249.5 et seq., with respect to the product(s) identified below. These violations have occurred and continue to occur because the Alleged Violator identified below failed to provide required clear and reasonable warnings with these products. Section 25249.6 of the statute provides that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first providing a clear and reasonable warning to such individual ..." Without proper warnings regarding the toxic effects of exposures to this listed chemical that results from contact with this product, California citizens lack the information necessary to make an informed decision on whether and/or how to eliminate (or reduce) their risk of exposure to the listed chemical from the reasonably foreseeable use of the product.

This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code § 25249.7(d), CAPA intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

Certificate of Merit and General Information about Proposition 65. Pursuant to Title 11 C.C.R. § 3100, a certificate of merit is attached hereto. Pursuant to Title 27, C.C.R. § 25903(b), a copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with this letter served to the alleged Violator identified below.

Alleged Violator(s). The name(s) of the company(ies) covered by this notice that violated Proposition 65 (hereinafter the "Violator") is/are:

Harbor Freight Tools USA, Inc. and Central Purchasing, LLC

Consumer Products and Listed Chemical. The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

Jumper Cables - Di(2-ethylhexyl) phthalate ("DEHP")
UPC: 792363692946

On January 1, 1988, the State of California listed DEHP as a chemical known to the State to cause cancer. On October 24, 2003, the State of California listed Di(2-ethylhexyl) phthalate (DEHP) as a chemical known to cause developmental male reproductive toxicity. Both additions took place more than twenty (20) months before CAPA served this Notice.

Violations. The alleged Violators knowingly and intentionally have exposed and continue to knowingly and intentionally expose consumers within the State of California to Di(2-ethylhexyl) phthalate (DEHP) at levels that, upon reasonable use of the product, exceed the No Significant Risk Level and the Maximum Allowable Dose Level without providing clear and reasonable warning of this exposure. In particular, the product does not warn that it

contains chemicals known to the State of California to cause both cancer and reproductive toxicity, developmental, male.

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of the product. Consequently, a primary route of exposure to these chemicals is through dermal exposure. Consumers and other individuals, including women of childbearing age, are exposed to the listed chemical through direct dermal contact when they, among other activities, handle, touch or otherwise use the products. The potential exists for dermal exposure of DEHP through direct contact with the user's bare hands or other body parts when the tote bag is manipulated or contacted. Moreover, with children, mouthing of the product is a distinct possibility; and certainly some amount of exposure through ingestion can occur by touching the product with subsequent touching of the user's hand to mouth. By way of example, consumers and other individuals, including women of childbearing age, ingest the listed chemical when they, among other activities, touch the products and transfer the listed chemical from the products to their mouths through hand-to-mouth activities that may continue to occur for a significant period after contact with the products stops. If the tote bag is stored in a closed drawer with other materials DEHP that leaches from tote bag may contaminate other articles that may be ingested. More likely, the product may be used to carry items and materials that commonly come into contact with the mouth.

Examples include, but are not limited to, use of DEHP contaminated baby bottles and other beverage containers, and infant toys, that are placed in the mouth, and DEHP contaminated food products that are ingested, or DEHP contaminated napkins that are used to clean the user's mouth.

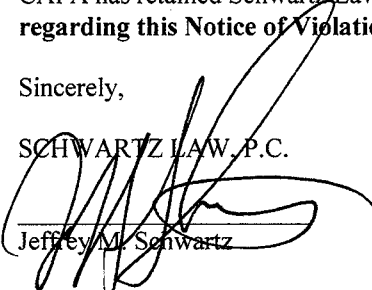

Approximate Time Period of Violations. Ongoing violations have occurred every day since a currently-unknown date but no later than May 26, 2016, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemical. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons handling and/or using these products with appropriate warnings that they are being exposed to this chemical.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, CAPA is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) recall products already sold or undertake best efforts to ensure that the requisite health hazard warnings are provided to those who have received such products; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 for products sold in the future or reformulate such products to eliminate further DEHP exposures. Such a resolution will prevent further unwarned consumer exposures to the identified chemical, as well as an expensive and time consuming litigation.

CAPA has retained Schwartz Law as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violation to my attention at the address and telephone number indicated herein.**

Sincerely,

SCHWARTZ LAW, P.C.

Jeffrey M. Schwartz

OEHHA Summary (to Harbor Freight Tools USA, Inc. and Central Purchasing, LLC)

Additional Supporting Information for Certificate of Merit (to AG only)

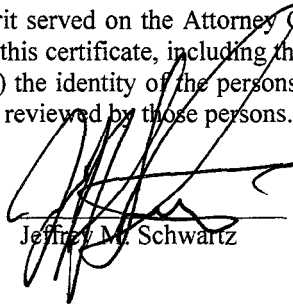

CERTIFICATE OF MERIT

Re: CAPA's Notice of Proposition 65 Violations by Harbor Freight Tools USA, Inc. and Central Purchasing, LLC

I, Jeffrey M. Schwartz, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged that the party identified in the notice violated California Health & Safety Code § 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the notice.
4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.
5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code § 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: July 27, 2016

Jeffrey M. Schwartz

CERTIFICATE OF SERVICE

I, the undersigned, declare under penalty of perjury under the laws of the State of California that:

I am a citizen of the United States, over the age of 18 years of age, and am not a party to this entitled action. My business address is 647 Camino de los Mares, Suite 225, San Clemente, CA 92673. I am a resident or employed in the county where the mailing occurred. The envelope was placed in the mail at San Clemente, California.

On July 27, 2016, I served the following documents: **NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE § 25249.5 ET SEQ.; CERTIFICATE OF MERIT; “THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY”** on the following parties by placing a true and correct copy thereof in a sealed envelope, addressed to the party listed below and depositing it at a U.S. Postal Service Office with the postage fully prepaid for delivery by Certified Mail:

Harbor Freight Tools USA, Inc.
Central Purchasing, LLC
