Re: Notice of Violations of California Health & Safety Code Section 25249.5 *et seq*.

Dear Addressees:

This firm represents Community Science Institute ("CSI") in connection with this Notice of Violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code Section 25249.5 *et seq*. ("Proposition 65"). CSI is a fiscally sponsored project of the non-profit organization Social and Environmental Entrepreneurs. CSI's mission is to unite consumers and industrial neighbors to reform government and industry practices for a toxic free future. This letter serves to provide notification of these violations to you and to the public enforcement agencies of Proposition 65.

This letter constitutes notice that the entity listed below have violated and continue to violate provisions of Proposition 65. Specifically, the entity listed below has violated and continues to violate the warning requirement at § 25249.6 of the California Health & Safety Code, which provides that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual…"

Violator: The name of the violator covered by this notice that violated Proposition 65 (hereinafter collectively referred to as the "Violator") is Metagenics, Inc.

Listed Chemical: This violation involves exposure to the listed chemical lead. On February 27, 1987, California officially listed lead as a chemical known to the State of California to cause developmental toxicity and male and female reproductive toxicity. On October 1, 1992, California officially listed lead and lead compounds as chemicals known to cause cancer.

Consumer Product: The following specific product that is the subject of this notice and is causing exposures in violation of Proposition 65 is: Metagenics, Inc. UltraGI Replenish Vanilla.

Violation: The alleged Violator knowingly and intentionally exposed and continues to expose consumers within the State of California to lead without providing a Proposition 65 warning. The Violator has manufactured, marketed, distributed, and/or sold the listed product, which has exposed and continues to expose numerous individuals within California to the identified chemical, lead.

Route of Exposure: Use of the product identified in this notice results in human exposures to lead. The primary route of exposure is ingestion, but may also occur through inhalation and/or dermal contact.

Duration of Violation: The violations have been occurring since at least January 18, 2015, and are ongoing.

A summary of Proposition 65, prepared by the California Office of Environmental Health Hazard Assessment, is enclosed with the copy of this letter sent to the Violator.

Pursuant to California Health & Safety Code § 25249.7(d), CSI intends to file a citizen enforcement action sixty days after effective service of this notice unless the Violator agrees in an enforceable written agreement to: (1) reformulate the listed product so as to eliminate further exposures to the identified chemicals; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above product in the last three years. Consistent with the public interest goals of Proposition 65 and my client's objectives in pursuing this notice, CSI is interested in seeking a constructive resolution to this matter. Such resolution will avoid both further unwarned consumer exposures to the identified chemical and expensive and time consuming litigation.

CSI's Executive Director is Denny Larson, and is located at 6263 Bernhard Avenue, Richmond, California 94805, Tel. 415-845-4705. CSI has retained my firm in connection with this matter. Please direct all questions concerning this notice to me, Rebecca Davis (rebecca@lozeaudrury.com), Lozeau Drury LLP, 410 12th Street, Suite 250, Oakland, California 94607, (510) 836-4200.

Sincerely,

Rebecca L. Davis

CERTIFICATE OF MERIT

Re: Community Science Institute's Notice of Proposition 65 Violations by Metagenics, Inc.

I, Rebecca Davis, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party, Community Science Institute.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the notice.

4. Based on the information obtained through those consultants and other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator(s) will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit, additional factual information sufficient to establish the basis for this certificate has been served on the Attorney General, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: January 18, 2018

Rebecca Davis
