Re: Violation of California Health & Safety Code § 25249.6

To Whom It May Concern:

Along with co-counsel, I represent Jan Graham (“Noticing Party”). This Notice of Violation (“Notice”) is provided to the public agencies listed on the distribution list accompanying the attached certificate of service. This Notice is also being provided to Sanofi US Services Inc. and Chattem, Inc. (the “Violators”) pursuant to and in compliance with California Health and Safety Code § 25249.6, *et seq.* (“Proposition 65”).

This Notice satisfies a prerequisite for the Noticing Party to commence an action against the Violators to enforce Proposition 65. The Noticing Party intends to begin an enforcement action sixty (60) days after effective service of this Notice, unless the public enforcement agencies have commenced an action to rectify the violations discussed in this Notice.

The Noticing Party

This notice is provided on behalf of Jan Graham. Ms. Graham is a resident of San Francisco in the State of California. She is acting in the public interest pursuant to California Health & Safety Code § 25249.7(d) and is dedicated to protecting the health of Californians.

Please contact Noticing Party through counsel and direct all questions concerning this Notice to counsel's office at the following addresses:

Name of the of the Violators

The names of the Violators are:

- Sanofi S.A.
- Sanofi US Services Inc.
- Chattem, Inc.

Names of Listed Chemicals

The violations covered by this Notice consist of the types of harm potentially resulting from exposure to the chemicals known to the State to cause cancer or reproductive toxicity ("Listed Chemicals") identified below:

Listed Chemicals (type of harm): Arsenic (Cancer, Reproductive Toxicity, Developmental Toxicity)
Chromium [hexavalent compounds] (Cancer, Reproductive Toxicity, Developmental Toxicity, Female Reproductive Toxicity, Male Reproductive Toxicity)

Lead and Lead Compounds (Cancer, Reproductive Toxicity, Developmental Toxicity, Female Reproductive Toxicity, Male Reproductive Toxicity)

Silica, crystalline [airborne particles of respirable size] (Cancer)

Type of Product and Route of Exposure

The violations covered by this Notice consist of the product types and routes of exposure identified below:

Product Types:	Talcum powder products. See Product Description below.
----------------	--

Routes of Exposure:	Inhalation and perineal (genital) exposure
---------------------	--

Description of Violation

The Violators have failed and continue to fail to provide a clear and reasonable Proposition 65 warning regarding the presence of Listed Chemicals. For example, and without limitation, Violators have failed to provide a clear and reasonable Proposition 65 warning on the product package or label, on their website, or at the point of sale.

On February 27, 1987, the State of California officially listed Arsenic (inorganic arsenic compounds) as a chemical known to the State to cause cancer. On May 1, 1997, the State of California officially listed Arsenic (inorganic oxides) as a chemical known to the State to cause developmental toxicity. Violators have exposed and continue to expose consumers within the State of California to Arsenic without providing a clear and reasonable warning of this exposure.

On February 27, 1987, the State of California officially listed Chromium (hexavalent compounds) as a chemical known to the State to cause cancer. On December 19, 2008, the State of California officially listed Chromium (hexavalent compounds) as a chemical known to the State to cause developmental toxicity, male reproductive toxicity, and female reproductive toxicity. Violators have exposed and continue to expose consumers within the State of California to Chromium (hexavalent compounds) without providing a clear and reasonable warning of this exposure.

On February 27, 1987, the State of California officially listed Lead and Lead Compounds as chemicals known to the State to cause developmental toxicity, male reproductive toxicity, and female reproductive toxicity. On October 1, 1992, the State of California officially listed Lead and Lead Compounds as chemicals known to the State to cause cancer. Violators have exposed

and continue to expose consumers within the State of California to Lead and Lead Compounds without providing a clear and reasonable warning of this exposure.

On October 1, 1989, the State of California officially listed Silica, Crystalline (airborne particles of respirable size) as a chemical known to the State to cause cancer. Violators have exposed and continue to expose consumers within the State of California to Silica, Crystalline (airborne particles of respirable size) without providing a clear and reasonable warning of this exposure.

Approximate Duration of Violation

The violations have been occurring since at least February 27, 1987 and are ongoing.

The Consumer Products

The products that are the subject of this Notice are talc-containing body powder and foot powder products, all of which are produced, manufactured, marketed, and/or distributed by each of the Violators. Without limitation, such products include:

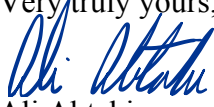

- Gold Bond Medicated Original Strength Body Powder
- Gold Bond Medicated Extra Strength Body Powder
- Gold Bond Ultimate Men's Essential Body Powder
- Gold Bond Maximum Strength Foot Powder

This identification is made in good faith to assist in recipients in investigation of, among other things, the magnitude of potential exposures to the Listed Chemicals. Please note that the above examples are not meant to be an exhaustive or comprehensive identification of each specific offending product manufactured, distributed, or sold during the relevant period.

General Information Regarding Proposition 65

Attached to this Notice is a copy of "The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary." The attached Summary was prepared by the California Environmental Protection Agency and provides general information about Proposition 65.

Pursuant to Title 11 of the California Code of Regulations § 3100, a certificate of merit is attached hereto. Please direct any inquiries regarding this Notice or any communication to the counsel for the Noticing Party.

Very truly yours,

Ali Abtahi

CERTIFICATE OF MERIT

Health and Safety Code Section 25249.7(d)

I, Ali Abtahi, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.

2. I am the attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the alleged exposure to the listed chemicals that are the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that “reasonable and meritorious case for the private action” means that the information provides a credible basis that all elements of the plaintiff’s case can be established, and the information did not prove that the alleged violators will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), *i.e.*, (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.
