## 60-DAY NOTICE OF VIOLATIONS OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET. SEQ. (PROPOSITION 65)

Dear Alleged Violator(s) and the Appropriate Public Enforcement Agencies:

The Kawahito Law Group APC represents the Center for Advanced Public Awareness, Inc. (“CAPA”) 2342 Shattuck Ave., #347, Berkeley, CA 94704. CAPA is a California a non-profit company acting in the interest of the general public seeking to further, among other causes, the protection of the environment, improving human health, and environmentally sound practices. CAPA has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65” or “Act”), codified at Cal. Health & Safety Code §25249.5 *et seq.* This letter serves to provide CAPA’s Notice of these violations. Pursuant to §25249.7(d) of the Act, CAPA intends to file a private enforcement action in the public interest sixty (60) days after effective service of this Notice unless the appropriate public enforcement agencies have commenced and are prosecuting an action to rectify these violations.

**General Information and Summary of Proposition 65.** A copy of a summary of Proposition 65 prepared by the Office of Environmental Health Hazard Assessment is attached to this letter.

**Alleged Violators.** The name of the entity or entities covered by this Notice and who are alleged to be in violation of Proposition 65 (collectively the “Violators”) are:

Home Depot U.S.A., Inc.  
2455 Paces Ferry Road  
Atlanta, GA 30339

Chaney Instrument Co.  
965 Wells St,  
Lake Geneva, WI 53147

**Consumer Product.** The products (“Products”) which are causing an exposure without a warning in violation of Proposition 65, are:

Product(s)	Retailer(s)	Manufacturer(s)/Distributor(s)/ Importer(s)
Aurite Backyard Weather Window Thermometer and similar products UPC: 072397003155	Home Depot U.S.A., Inc.	Chaney Instrument Co.

Page 2

**Listed Chemical and Route of Exposure.** The chemical that is the subject of this Notice are Di-(2-ethylhexyl) phthalate (“DEHP”) and Di-isononyl Phthalate (“DINP”). The consumer exposures at issue result from the use of the Products in accordance with their intended use including the handling of the Products by hand. The primary routes of exposure are oral ingestion and dermal absorption. The types of harm from the chemicals at issue include Developmental Toxicity, Male Reproductive Toxicity, and Cancer.

**Period of Exposure and Violation.** Exposures to DEHP and DINP, from the use of the Products have occurred each day since the products were introduced into the California marketplace, but at a minimum since January 30, 2019. Moreover, these exposures will continue until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is either removed from or reduced to allowable levels in the Products. Without proper warnings regarding the toxic effects of exposures to the listed chemical resulting from contact with the Products, California citizens lack the information necessary to make informed decisions on whether and how to eliminate (or reduce) the risk of exposure to the listed chemical from reasonable foreseeable use of the Products.

**Resolution of Noticed Claims.** Consistent with the public interest goals of Proposition 65, CAPA is interested in seeking a constructive resolution to this matter to have the ongoing violations of California law quickly rectified. To that end, CAPA intends to file a private enforcement action as provided for in the Act for the alleged violations by the Violators, unless Violators agree in an enforceable written instrument to: (1) recall the listed Products or undertake best efforts to ensure that the requisite health hazard warnings are provided to those who have received such Products; (2) reformulate the Products so as to eliminate further exposures to the identified chemicals or affix clear and reasonable Proposition 65 warning labels for products sold in the future; and (3) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, and avoid costly and time-consuming litigation.

To the extent you are interested in discussing a potential resolution of this matter, you may contact CAPA’s attorneys using the below contact information.

**Contact Information.** Please direct all questions or issues concerning this Notice to CAPA’s counsel at the following address:

Certificate of Merit

Certificate of Service

OEHHA Summary (to Violators only)

Additional Supporting Information for Certificate of Merit (to AG only)

**CERTIFICATE OF MERIT**  
Health and Safety Code Section 25249.7(d)

**Re: Center for Advanced Public Awareness, Inc.'s Notice of Proposition 65  
Violations**

I, James Kawahito, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience and have assembled evidence attached to the copy for the California Attorney General as Exhibit 1 to this Certificate of Merit regarding the lack of warnings for the listed chemical that is the subject of the notice.

4. Based on the information obtained and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2).

Dated: May 15, 2019
