AND THE PUBLIC PROSECUTORS LISTED ON THE DISTRIBUTION LIST ACCOMPANYING
THE ATTACHED CERTIFICATE OF SERVICE

Re: Notice of Violation of California Health & Safety Code §25249.6, *et seq.*

To Whom It May Concern:

Brodsky & Smith, LLC (“Brodsky Smith”) represents Anthony Ferreiro (“Ferreiro”), a citizen of the State of California acting in the interest of the general public to promote awareness of exposures to toxic chemicals in products sold in California and to improve human health by reducing hazardous substances contained in such items.

With respect to the product identified below, Ferreiro has identified a violation of California’s Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65”), which is codified at Cal. Health & Safety Code §25249.5, *et seq.* This violation has occurred and continues to occur because the alleged Violator(s) identified below failed to provide required clear and reasonable warnings with this product. Section 25249.6 of the statute provides that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first providing a clear and reasonable warning to such individual ...” Without proper warnings regarding the toxic effects of exposures to this listed chemical that results from contact with this product, California citizens lack the information necessary to make an informed decision on whether and/or how to eliminate (or reduce) their risk of exposure to the listed chemical from the reasonably foreseeable use of the product.

Please allow this letter to serve as notice of this violation to the alleged Violators and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, Brodsky Smith intends to file a private enforcement action on behalf of Ferreiro sixty (60) days after effective service of

this notice unless the public enforcement agencies¹ have commenced and are earnestly prosecuting an action to redress these violations.

Alleged Violator(s): The name of the companies covered by this notice that Violated Proposition 65 (hereinafter “the Violators”) are:

TI Gotham, Inc.
Meredith Corporation
Bed Bath & Beyond, Inc.

Product Category/Type: The type of product causing this violation is:

| <i>Product²</i> | <i>Retailer(s)</i> | <i>Manufacturer(s)/Distributor(s)</i> |
|---|---------------------------|--|
| Real Simple Solutions Roll Up Ironing Board – Plastic Case UPC# 444444706584 139602861 (difficult to read on tag) Store 245 Bed Bath & Beyond Order# BBB7105389461 | Bed Bath & Beyond, Inc. | TI Gotham, Inc. Meredith Corporation Bed Bath & Beyond, Inc. |

Listed Chemicals: This violation involves exposure to the chemical Di(2-ethylhexyl) phthalate (DEHP). On January 1, 1988, the State of California listed DEHP as a chemical known to the State to cause cancer. On October 24, 2003, the State of California listed Di(2-ethylhexyl) phthalate (DEHP) as a chemical known to cause developmental male reproductive toxicity. Both additions took place more than twenty (20) months before Ferreiro served this Notice.

Violations: The alleged Violators knowingly and intentionally have exposed and continue to knowingly and intentionally expose consumers within the State of California to Di(2-ethylhexyl) phthalate (DEHP) at levels that, upon reasonable use of the product, exceed the No Significant Risk Level and the Maximum Allowable Dose Level without providing clear and reasonable warning of this exposure. In particular, the product does not warn that it contains chemicals known to the State of California to cause both cancer and reproductive toxicity, developmental, male.

Route of Exposure: The exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of the product. Initial exposure would result from directly touching or holding the item during normal use. For example, exposure can occur when removing or replacing items from the bag. Ingestion would occur from hand to mouth contact, for example, from eating after having handled the item

Duration of the Violations: Each of these ongoing violations has occurred on every day since at least October 7, 2020; as well as every day since the product was introduced to the California marketplace and following the one-year anniversary date of the listing at issue; and will continue every day

¹ The public enforcement agencies that have been served with copies of this notice of violations are identified in the attached distribution list accompanying the Certificate of Service.

² The specifically identified example of the type of product that is subject to this Notice is for the recipient’s benefit to assist in its investigation of, among other things, the magnitude of potential exposures to the listed chemical from other items within the product category. It is important to note that this example is not meant to be an exhaustive or comprehensive identification of each specific offending product of the type listed under “Product.” Further, it is Ferreiro’s position that the alleged Violator is obligated to continue to conduct in good faith an investigation into other specific products within the type or category described above that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the notice recipient’s custody or control) during the relevant period so as to ensure that the requisite toxic warnings were and are provided to California citizens prior to purchase.

until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is removed from the product.

Pursuant to Title 11, C.C.R. §3100, a certificate of merit is attached hereto. Pursuant to Title 27, C.C.R. §25903(b), a copy of "The Safe Drinking Water and Toxic Enforcement Action of 1986 (Proposition 65): A Summary" is also enclosed.

Consistent with the public interest goals of Proposition 65 and desire to have these ongoing violations of California law quickly rectified, Ferreiro is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation.

Ferreiro has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Evan J. Smith
