THE ATTACHED CERTIFICATE OF SERVICE

Re: Notice of Violation of California Health & Safety Code §25249.6, *et seq.*

To Whom It May Concern:

Brodsky & Smith, LLC (“Brodsky Smith”) represents Anthony Ferreiro (“Ferreiro”), a citizen of the State of California acting in the interest of the general public to promote awareness of exposures to toxic chemicals in products sold in California and to improve human health by reducing hazardous substances contained in such items.

With respect to the product identified below, Ferreiro has identified a violation of California’s Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65”), which is codified at Cal. Health & Safety Code §25249.5, *et seq.* This violation has occurred and continues to occur because the alleged Violator(s) identified below failed to provide required clear and reasonable warnings with this product. Section 25249.6 of the statute provides that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first providing a clear and reasonable warning to such individual ...” Without proper warnings regarding the toxic effects of exposures to this listed chemical that results from contact with this product, California citizens lack the information necessary to make an informed decision on whether and/or how to eliminate (or reduce) their risk of exposure to the listed chemical from the reasonably foreseeable use of the product.

Please allow this letter to serve as notice of this violation to the alleged Violators and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, Brodsky Smith intends to file a private enforcement action on behalf of Ferreiro sixty (60) days after effective service of

this notice unless the public enforcement agencies¹ have commenced and are earnestly prosecuting an action to redress these violations.

Alleged Violator(s): The name of the company's covered by this notice that Violated Proposition 65 (hereinafter "the Violators") are:

Meredith Corporation
Easy Home Organization Manufacturing Co., Ltd.
Walmart, Inc.
Walmart Apollo, LLC

Product Category/Type: The specific type of product causing this violation is:

<u>Product²</u>	<u>Retailer(s)</u>	<u>Manufacturer(s)/Distributor(s)</u>
Better Homes & Gardens Underbed Storage Bag UPC# 849392010170 BH18-016-099-09 Walmart Order# 5032079-643578	Walmart, Inc. Walmart Apollo, LLC	Meredith Corporation Easy Home Organization Manufacturing Co., Ltd. Walmart, Inc.

Listed Chemicals: This violation involves exposure to the chemical Diisononyl phthalate (DINP). On December 20, 2013, the State of California listed Diisononyl phthalate (DINP) as a chemical known to cause cancer. This addition took place more than twelve (12) months before Ferreiro served this notice.

Violations: The alleged Violators knowingly and intentionally have exposed and continue to knowingly and intentionally expose consumers within the State of California to Diisononyl phthalate (DINP) without providing clear and reasonable warning of this exposure. In particular, the product does not warn that it contains chemicals known to the State of California to cause cancer.

Route of Exposure: The exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of the product. Consequently, the primary route of exposure to these chemicals is through dermal absorption. Users may potentially be exposed to DINP by dermal absorption through direct skin contact with the bag during routine use when the product is handled with bare hands. Items placed in the bag can absorb DINP and these items can be subsequently handled, held in direct contact with skin, or mouthed. Finally, while mouthing of the product does not seem likely, some amount of exposure through ingestion can occur by touching the product with subsequent touching of the user's hand to mouth.

Duration of the Violations: Each of these ongoing violations has occurred on every day since at least August 19, 2020 as well as every day since the product was introduced to the California marketplace and following the one-year anniversary date of the listing at issue; and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is removed from the product.

¹ The public enforcement agencies that have been served with copies of this notice of violations are identified in the attached distribution list accompanying the Certificate of Service.

² The specifically identified example of the type of product that is subject to this Notice is for the recipient's benefit to assist in its investigation of, among other things, the magnitude of potential exposures to the listed chemical from other items within the product category. It is important to note that this example is not meant to be an exhaustive or comprehensive identification of each specific offending product of the type listed under "Product." Further, it is Ferreiro's position that the alleged Violator is obligated to continue to conduct in good faith an investigation into other specific products within the type or category described above that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the notice recipient's custody or control) during the relevant period so as to ensure that the requisite toxic warnings were and are provided to California citizens prior to purchase.

Pursuant to Title 11, C.C.R. §3100, a certificate of merit is attached hereto. Pursuant to Title 27, C.C.R. §25903(b), a copy of "The Safe Drinking Water and Toxic Enforcement Action of 1986 (Proposition 65): A Summary" is also enclosed.

Consistent with the public interest goals of Proposition 65 and desire to have these ongoing violations of California law quickly rectified, Ferreiro is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation.

Ferreiro has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Evan J. Smith

CERTIFICATE OF MERIT
Health & Safety Code Section 25249.7(d)

I, Evan J. Smith, hereby declare:

- (1) This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the parties identified in the notice have violated Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
- (2) I am the attorney for the noticing party Anthony Ferreiro.
- (3) I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies or other data regarding the alleged exposure to the listed chemicals that are the subject of the action.
- (4) Based on the information obtained through these consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator(s) will be able to establish any of the affirmative defenses set forth in the statute.
- (5) The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including information identified in Health & Safety Code Section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.
