SUPPLEMENTAL 60-DAY NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE § 25249.7(d) (PROPOSITION 65)

Date: February 25, 2022
To: John Arasim Junior, CEO, Lectrosonics, Inc. *dba* Lectro; Ray Olson, Owner, Samy's Camera, Inc.; Zoltan Pocza, CEO, Royal Case Company, Inc.; California Attorney General's Office; District Attorney's Office for 58 Counties; and City Attorneys for San Francisco, San Diego, San Jose, Sacramento & Los Angeles
From: Keep America Safe and Beautiful

I. <u>INTRODUCTION</u>

Keep America Safe and Beautiful is a California nonprofit corporation acting in the interest of the general public, pursuant to California Health & Safety Code § 25249.7(d). Keep America Safe and Beautiful seeks to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by eliminating hazardous substances contained in such items, promoting corporate responsibility.

This Supplemental 60-Day Notice of Violation ("**Notice**") supplements the 60-Day Notice of Violation sent on November 3, 2021, and is being provided to the alleged violators, Lectrosonics, Inc. dba Lectro, Samy's Camera, Inc., and Royal Case Company, Inc. ("**Notice Recipients**"), as well as the California Attorney General's Office, the District Attorney's Offices for 58 Counties, and City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles.

Keep America Safe and Beautiful provides this Notice after identifying violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, codified at California Health & Safety Code § 25249.5 *et seq.* ("**Proposition 65**"), based on the failure to provide a clear and reasonable health hazard warning in connection with the sale or use of the products, listed below, in the State of California. The Notice Recipients are hereby given notice they violated and continue to violate Proposition 65 with respect to the warning requirement, codified at California's Health & Safety Code § 25249.6: "No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first giving a clear and reasonable warning to such individual." Without proper warnings about the toxic effects of exposures to listed chemicals, citizens in California lack the information necessary to make an informed decision as to whether or how to eliminate or reduce their risk of exposure from the reasonably foreseeable use of products containing listed chemicals.

II. NATURE OF ALLEGED VIOLATIONS

<u>Product</u>. The specific type or category of products ("**Products**") that are the subject of this Notice are as follows:

Exemplar Product	Category/Type	Retailer	Manufacturer/Distributor
Lectrosonics Zippered Carrying	Vinyl Carrying	Samy's	Lectrosonics, Inc. dba Lectro
Case for Compact Wireless	Cases	Camera, Inc.	
Microphone Systems; Mfr. Part #			
CCMINI; Samy's Part # S-043815			

Identified above is a specific example of Products recently purchased and witnessed as being available for sale or use in the State of California, within the *category* of offending products covered by this Notice. The identified retailers, manufacturers and/or distributors of the Products are based on publicly available information.

The Exemplar Product is identified for the Notice Recipients' benefit to assist in their investigation into the alleged violations that are the subject of this Notice. The specific identified Exemplar Product is not intended to be an exhaustive list of all such products potentially in violation of Proposition 65. It is Keep America Safe and Beautiful's position the Notice Recipients are now obligated to conduct a good faith investigation into other products within the category or of the type, identified above, that were manufactured, imported, sold or distributed for sale, or that have otherwise been in the Notice Recipients' custody or control during the relevant period, identified below, to ensure the requisite health hazard warnings are provided to individuals in California prior to purchase.

Listed Chemical. The chemical that is the subject of this Notice is di(2-ethylhexyl) phthalate ("**DEHP**".) The State of California listed DEHP as a chemical known to cause cancer on January 1, 1988 and as a chemical known to cause developmental and male reproductive toxicity on October 24, 2003.

Routes of Exposure. The exposures subject to this Notice result from the purchase, acquisition and handling of Products containing DEHP. Exposures occur when individuals, including children and women of childbearing age, handle, touch or otherwise utilize vinyl carrying cases containing DEHP in accordance with the Products' reasonably foreseeable and intended uses, resulting in exposures through ingestion and dermal absorption. Individuals ingest DEHP when they touch or handle the Products, transferring the chemical from their fingers or hands to their mouths. Dermal absorption of DEHP occurs when individuals handle, touch, or utilize the Products in accordance with their reasonably foreseeable and intended uses.

<u>Violations and Time Period of Exposure.</u> Keep America Safe and Beautiful alleges the Notice Recipients knowingly and intentionally exposed, and continue to knowingly and intentionally expose, individuals within the State of California to DEHP, without first giving a health hazard warning regarding the chemical's toxic effects, as required by Proposition 65, by failing to provide clear and reasonable warnings to consumers and users the Products can expose users to DEHP.

Exposures caused by the use of the Products have occurred each day since the Products were introduced into the California marketplace, but, at a minimum, since November 3, 2020, and, potentially, as far back as November 3, 2018. Because the Products lack clear and reasonable warnings regarding the toxic effects of exposures to DEHP, each Product sold during this period and not accompanied by a warning constitutes a violation by the Notice Recipients and/or other sellers of the Products, whether sold directly through retailers located in, or with locations in, California, via the internet, or through catalog purchases by customers and individuals located in California. Moreover, these exposures are ongoing and will continue either until clear and reasonable warnings are provided to protect consumers and users or until this known toxic chemical is removed from the Products or reduced to allowable levels.

III. <u>RESOLUTION OF NOTICED CLAIMS</u>

Consistent with the public interest goals of Proposition 65, Keep America Safe and Beautiful seeks to pursue a constructive resolution of this matter to quickly rectify ongoing violations of California law. To that end, based on the allegations set forth in this Notice and pursuant to Health & Safety Code § 25249.7(d), Keep America Safe and Beautiful intends to file a private enforcement action in the public interest sixty (60) days after effective service of this Notice, unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these allegations. If the Notice Recipients seek to resolve the claims alleged in this Notice without litigation, they may contact Keep America Safe and Beautiful's counsel at the address listed below.

It should be noted neither Keep America Safe and Beautiful or its counsel can: (1) finalize any settlement until after the expiration of the 60-day Notice period; or (2) speak for the California Attorney General or any District or City attorney in receipt of this Notice. Therefore, while reaching an agreement with Keep America Safe and Beautiful will satisfy its claims, the agreement may not satisfy any public prosecutors.

IV. GENERAL INFORMATION AND SUMMARY OF PROPOSITION 65

A copy of a summary of Proposition 65's provisions, prepared by the Office of Environmental Health Hazard Assessment ("**OEHHA**") is enclosed with the copy of the Notice served on the Notice Recipients for their reference. For further general information concerning Proposition 65, contact OEHHA's Proposition 65 Implementation Office at (916) 445-6900.
