SIXTY-DAY NOTICE OF INTENT TO SUE FOR VIOLATION OF THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986
(*Cal. Health & Safety Code § 25249.5, et seq.*) (“Proposition 65”)

Re: Violations of Proposition 65 concerning Grain Free Crackers, containing Lead.

Dear Alleged Violators and Public Enforcement Agencies:

Tamar Kaloustian (“Claimant”), serves this Notice of Violation (“Notice”) on Warnock Food Products, Inc.; and Sprouts Farmers Market, Inc. (“Violators”) pursuant to and in compliance with Proposition 65. KJT Law Group, LLP represents Tamar Kaloustian (Claimant). This Notice satisfies a prerequisite for Claimant to commence an action against Violators in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. Claimant is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

Claimant is a citizen of the State of California, dedicated to protecting the consumer environment, improving human health, and supporting environmentally sound commercial practices. By sending this notice of violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code §§ 25249.5 *et seq.*, claimant is acting “in the public interest” pursuant to Proposition 65.

This Notice concerns violations of the warning prong of Proposition 65, which states that “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . .” *Cal. Health & Safety Code § 25249.6.*

Pursuant to § 25249.7(d) of the statute, Claimant intends to bring an enforcement action against the Violators sixty (60) days after the effective service of this notice unless public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations. A summary of the statute and its implementing regulations, which was prepared by the Office of Environmental Hazard Assessment, the lead agency designated under the State, is enclosed with the copy of this notice served upon the violators (“Proposition 65: A Summary”). The specific details of the violations that are the subject of this notice are provided below.

Consumer Product and Chemical(s) Involved

Claimant has discovered that Grain Free Crackers, contains lead. Lead is known to the State of California to cause cancer. “Lead and lead compounds” have been listed as carcinogens since October 1, 1992 and “lead” has been listed as a developmental toxicant for males and females since February 27, 1987. On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

Identifiers for the Grain Free Crackers include but are not limited to: **“Sprouts – Grain Free Crackers – Wasabi Ranch”**; **UPC #: 6 46670 51710 5**.

This Notice addresses consumer products exposures. A “[c]onsumer products exposure’ is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” Cal. Code Regs. 27 tit. § 25602(b).

Description of Violation

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available Grain Free Crackers for distribution or sale in California to consumers. The packaging for Grain Free Crackers (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-compliant warning. Nor did Violators, with regard to Grain Free Crackers, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violators, with regard to Grain Free Crackers, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof.

Route of Exposure

Use of the product identified above results in human exposure to lead. The primary route of lead exposure to consumers is through direct ingestion when consumers eat the **Grain Free Crackers**. These exposures take place throughout the State of California. No clear and reasonable warning is provided with regards to the carcinogenic and/or reproductive hazard of lead as required by State law.

Duration of Violations

These violations have been occurring every day between since at least March 9, 2021, and every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided with regards to the carcinogenic and/or reproductive hazard of Lead as required by State law or until these known toxic chemicals are removed or reduced to allowable levels in the products.

Counsel

The Claimant is represented in connection with this matter by and may only be contacted through:

Tro Krikorian, Esq.
KJT Law Group, LLP
230 N. Maryland Avenue, Suite 306, Glendale, CA 91206
Telephone: (818) 507-8525
Email: Tro@KJTLawGroup.com

In keeping with the public interest goals of the statute and the objective of protecting individuals and the community at-large from further toxic exposures, KJT Law Group, LLP is interested in seeking a constructive and immediate resolution of this matter in order to avoid continuing unwarned exposure to listed chemicals.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code* § 25249.7(d)(1). With this letter, Claimant gives notice of the alleged violations to Violators and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is beyond the State of California but within the United States), Claimant may file suit. *See Cal. Code Civ. Proc.* § 1013; *Cal. Health & Safety Code* § 25249.7(d)(1); and *Cal. Code Regs.* tit. 27 § 25903(d)(1). Claimant remains open and willing to discussing the possibility of resolving its grievances short of formal litigation.

All communications regarding this notice may be made to Tro Krikorian, Esq. at the above listed firm address and telephone number.

Regards,

Tro Krikorian, Esq.
KJT Law Group, LLP

Certificate of Merit
Supporting Documentation for Certificate of Merit (to Attorney General Only)
Proposition 65: A Summary
Proof of Service (including DA Service List)

**Grain Free Crackers, containing Lead
CERTIFICATE OF MERIT
Health & Safety Code § 25249.5 et. seq.**

I, Tro Krikorian, hereby declare:

- 1) This Certificate of Merit accompanies the attached sixty (60) day notice in which it is alleged the parties identified in the notice have violated Health & Safety Code section 25249.6 by failing to provide clear and reasonable warnings.
- 2) I am the attorney for the noticing parties.
- 3) I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemicals that are the subject of the action.
- 4) Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that “reasonable and meritorious case for the private action” means that the information provides a credible basis that all elements of the plaintiffs’ case can be established and the information did not prove that the alleged violators will be able to establish any of the affirmative defenses set forth in the statute.
- 5) The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e. (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: March 9, 2022

Tro Krikorian, Esq.
KJT Law Group, LLP

PROOF OF SERVICE

I, the undersigned, declare under penalty of perjury under the laws of the State of California that the following is true and correct:
