60-Day Notice of Violation

Sent in Compliance with California Health & Safety Code § 25249.7(d)

To: NutriRise Inc., Amazon.com Services LLC, Amazon.com Inc., and the public prosecutors listed on the proof of service attached hereto:

I. INTRODUCTION

Brown Bear Law, APC represents Citizens of California Safety Corp, the noticing party, a California Corporation with an interest in protecting the general public, which includes promoting awareness of exposure to toxic chemicals, reducing exposure to hazardous substances found in consumer products, and the promotion and improvement of human health. Citizens of California Safety Corp. is located at 18345 Friar St, Tarzana, CA 91335 and may be contacted through their designated person, its attorney, Shant L. Vayvayan, PO Box 573423, Tarzana, CA 91357, (818)-457-1543. This correspondence shall serve as a 60 day notice to NutriRise Inc., Amazon.com Services LLC, and Amazon.com Inc. (hereinafter "Violators") are in violation of the California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which codified at Cal. Health & Safety Code §25249.5 et seq.

Cal. Health & Safety Code §25249 states in relevant part "No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual"

This correspondence serves to provide notification that the Violators and elected prosecutors. Unless, notice is provided that the appropriate public enforcement agencies are diligently prosecuting said violations, Brown Bear Law, APC intends to bring an enforcement action on behalf of Citizens of California Safety Corp sixty days or more after service of said notice.

II. VIOLATIONS

Product Types/Categories: The specific types or categories of products that are causing consumer exposures in violation of Proposition 65, and that are covered by this Notice, include the following:

| Product Name | ASIN |
|---|------------|
| NutriRise Organic Ceylon Cinnamon 1800 mg | B071X5Q3V5 |
| NutriRise Turmeric Curcumin Supplement With Ginger | B0797LLH7B |
| NutriRise Organic Ashwagandha Capsules - High Potency 1300 mg | B078K93HFD |

The products listed above are products recently purchased and/or are available for purchase for use in California. Although, attempts have been made to diligently search for each and every product offered by the Violators, the list above may not be exhaustive. Each of the products listed involve exposures to the Proposition 65-listed chemical "lead" through ingestion, and exposure to the skin (dermal) such as touching the product. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm. Lead is hereinafter referred to as the "Listed Chemical". As a result of the Violators failing to provide reasonable warnings, individuals in California have been exposed to the listed chemical since at least from May 2022 without the proper warning. Thus, California citizens lacked the information necessary to make an informed decision to reduce the risk of the listed chemical from reasonable and foreseeable use.

III. PROPOSITION 65 INFORMATION

For the Violators' reference, attached is a copy of "Proposition 65: A Summary" which has been prepared by Office of Environmental Health Hazard Assessment ("OEHHA"). For more information concerning the provisions of Proposition 65, contact OEHHA or visit their website.

IV. RESOLUTION OF NOTICED CLAIMS

Brown Bear Law, APC, intends to file a private enforcement action pursuant to Proposition 65 on behalf of Citizens of California Safety Corp unless the Violators agree to enter into a binding enforceable written instrument to (1) recall the listed products to avoid continued exposure or undertake diligent efforts to ensure that the requisite health hazard warnings are provided to those who already received such products; (2) pay an appropriate civil penalty based on the factors enumerated in California Health & Safety Code §25249.7(b). In order to avoid costly litigation, if the alleged Violators are

interested in resolving this dispute, please feel free to contact counsel Shant Vayvayan, Brown Bear Law, APC, PO Box 573423, Tarzana, CA 91357, (818)-457-1543, shant@brownbearlaw.com. It should be noted pursuant to Proposition 65 a Private Enforcer cannot: (1) finalize any settlement until after the 60-day notice period has expired; or (2) speak for the Attorney General or any District or City Attorney who received this Notice. Therefore, while reaching an agreement will resolve my claims, such agreement may not satisfy the public prosecutors.

V. PRESERVATION OF EVIDENCE

This Notice also serves as a demand that the Notice Recipients preserve and maintain all relevant evidence, including all electronic documents and data, pending resolution of this matter. Such relevant evidence includes but is not limited to all documents relating to the presence or potential presence of the Listed Chemical in the Covered Products; purchase and sales information for Covered Products; efforts to comply with Proposition 65 with respect to the Covered Products; communications with any person relating to the presence or potential presence of the Listed Chemical in Covered Products; and representative exemplars of each specific model falling within the Covered Products. This demand applies to all relevant evidence for Covered Products sold in the State of California, as far back as May 2022, through the date of any trial of the claims alleged in this Notice.
