ATTORNEY GENERAL COPY  
CONTAINS OFFICIAL  
INFORMATION PURSUANT TO  
EVIDENCE CODE §1040

Greetings:

This office and the Mateel Environmental Justice Foundation (“Mateel”) hereby provide notice that the private businesses listed on the accompanying Service List have been, are, will be and threaten to be in violation of Cal. Health & Safety Code §25249.6. This office and Mateel are both private enforcers of Proposition 65, both organizations may be reached at the below-listed address and telephone number, I may be considered a “responsible individual” at both organizations, and I may be contacted at the same address and telephone number. The above referenced violations occur when these businesses, doing business as Macy's and/or Bloomingdale's, market leaded crystal vessels such as decanters, tumblers, wine glasses, champagne flutes, and cocktail glasses (as for martinis) (collectively hereinafter “leaded crystal vessels”) at Macy's and Bloomingdale's stores in California. Drinking beverages or eating food that has been stored in or served from leaded crystal vessels exposes people to lead and lead compounds, (hereinafter, collectively, “lead”). Lead leaches from the vessel into the food or beverage stored in, or served from, the vessel. The food or beverage is then ingested along with the accompanying lead. These exposures occur via the ingestion route of exposure. These violations have occurred every day since at least March 16, 2021, and will continue every day until reasonable warnings are given to those people exposed or until these businesses stop selling leaded crystal.

Cordially,

William Verick

**CERTIFICATE OF MERIT**

I, William Verick, hereby declare: This Certificate of Merit accompanies the attached notice(s) of violation in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings. I am the attorney for the noticing party. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the person(s) consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: September 28, 2022

  
William Verick
