**60-Day Notice of Violation of California Safe Drinking Water and Toxic Enforcement Act<sup>1</sup>**

To Whom It May Concern:

This Notice of Violation (the "Notice") is provided to you pursuant to and in compliance with California Health & Safety Code § 25249.7(d).

Brodsky & Smith ("Brodsky Smith") represents Ema Bell ("Bell"), a citizen of the State of California acting in the interest of the general public to promote awareness of exposures to toxic chemicals from use of consumer products sold in California and to improve human health and the environment by reducing hazardous substances.

With respect to the Product herein, Bell has identified a violation of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65") codified at Cal. Health & Safety Code § 25249.5, et seq. This violation has occurred and continues to occur because the alleged Violator(s) failed to provide a clear and reasonable health hazard warning in connection with the sale or use of the Product in California. Health & Safety Code § 25249.6 provides that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer without first providing a clear and reasonable warning to such individual ..." Without proper warnings regarding the toxic effects of exposures to the Listed Chemical resulting from use of the Product, California citizens lack the information necessary to make informed decisions on whether and/or how to eliminate (or reduce) the risk of exposure to the Listed Chemical from the reasonably foreseeable use of the Product.

**I. DESCRIPTION OF THE VIOLATION**

<sup>1</sup> The public enforcement agencies that have been served with copies of this Notice are identified in the attached distribution list accompanying the Certificate of Service.

1. **Enforcer:** Ema Bell, 222 S. Figueroa St. Apt. 1212, Los Angeles, CA 90012-2581; (Ph) 424-332-3817.
2. **Alleged Violator(s):** Cococare Products, Inc.; Walmart, Inc.; Walmart Apollo, LLC
3. **Time Period of Exposure:** Violations have been occurring since at least January 27, 2023 and are continuing to this day.
4. **Listed Chemical:** Diethanolamine (DEA) is listed under Proposition 65 as a chemical known to the State to cause cancer.
5. **Product:**

| Product <sup>2</sup> | Non- Exclusive Examples of the Product             |
|----------------------|----------------------------------------------------|
| Shea Butter Cream    | Cococare Shea Butter Cream<br>UPC# 0 75707 09855 1 |

6. **Description of Exposure:** The exposures that are the subject of this Notice result from the purchase, acquisition, handling and recommended use of the Product. The primary route of exposure to the Listed Chemical is through dermal exposure. Some amount of exposure through ingestion can occur by touching the Product with subsequent touching of the user's hand to mouth. No clear and reasonable warning is provided with the Products regarding the health hazards of exposure to the Listed Chemical.

## **II. PROPOSITION 65 INFORMATION**

For the Violators' reference, enclosed is a copy of "Proposition 65: A Summary" that has been prepared by the Office of Environmental Health Hazard Assessment ("OEHHA"). For more information concerning the provisions of Proposition 65, contact OEHHA at 916.445.6900.

## **III. RESOLUTION OF THE CLAIMS**

Based on the allegations set forth in this Notice, Brodsky Smith intends to file a citizen enforcement lawsuit on behalf of Bell against the alleged Violator(s) unless such Violator(s) agree in a binding written agreement to: (1) recall Products already sold; (2) provide Proposition 65 compliant exposure warnings for Products sold in the future or reformulate the Products to eliminate exposures to the Listed Chemical; and (3) pay an appropriate civil penalty based on the factors enumerated in Health & Safety Code § 25249.7(b). Consistent with the public interest goals of Proposition 65 and the desire to have these violations of California law quickly rectified, Bell is interested in seeking a constructive resolution of the claims in this Notice without engaging in costly and protracted litigation.

Bell has retained me as legal counsel in connection with this Notice. **Please direct all communications regarding this Notice to my attention at Brodsky & Smith, 9595 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90212, (877) 534-2590, esmith@brodskysmith.com.**

---

<sup>2</sup> The specifically identified example of the Product in this Notice is to assist the recipients' investigation of, among other things, the magnitude of potential exposures to the Listed Chemical from other items within the definition of Products. This example is not intended to be an exhaustive or comprehensive identification of each specific offending Product. It is Bell's position that the alleged Violators are obligated to conduct a good faith investigation into other Products that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the alleged Violators' custody or control) during the relevant period to ensure that requisite health hazard warnings were and are provided to California citizens prior to purchase and use.

Sincerely,
