Re: NOTICE OF VIOLATION AGAINST OATEY CO. AND HOME DEPOT U.S.A., INC. OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.6

To Whom It May Concern and to Public Prosecutors:

Ecological Alliance, LLC, a California limited liability company ("Alliance") is a California company acting in the interest of the general public seeking to further, among other causes, the protection of the environment, toxics reduction, the promotion and improvement of human health, the improvement of workers and consumer rights, environmental education and corporate accountability. As described below, Alliance has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65" or "Act"), codified at Cal. Health & Safety Code §25249.5 *et seq.* by Oatey Co. and Home Depot U.S.A., Inc. (collectively the "Violators"). This letter serves to provide Alliance's notification of these violations to the Violators and elected prosecutors. Pursuant to §25249.7(d) of the statute, Alliance intends to bring an enforcement action sixty (60) days or more after effective service of this notice unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

The products which are causing an exposure without a warning in violation of Proposition 65, are Megatapes, including but not limited to UPC #032628151109 ("Products") manufactured/distributed by Oatey Co. and offered for sale by retailers, including Home Depot U.S.A., Inc., to California consumers.

A copy of the Proposition 65 summary prepared by the Office of Environmental Health Hazard Assessment is attached, to the copy of this letter served to the Violators.

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by

Vineet Dubey, Esq.
dubey@CD-Lawyers.com

the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

Because of this lack of a warning, occupational users were exposed to the following chemicals without the proper required Proposition 65 warnings: 1) Perfluorooctanoic Acid (PFOA). The routes of exposure for this chemical are ingestion and dermal. Such exposure can cause cancer, birth defects and other reproductive harm. Exposures to the listed chemical from the use of the Products have been occurring without the clear and reasonable warnings required by Proposition 65, dating as far back as May 16, 2022, and will continue every day until clear and reasonable warnings are provided to occupational users or until this known toxic chemical is removed from the Products.

Alliance intends to file a private enforcement action as provided for in the Act for the alleged violations by the Violators, unless Violators agree in an enforceable written instrument to: (1) recall the listed products so as to eliminate further exposures to the identified chemicals; or (2) affix clear and reasonable Proposition 65 warning labels for products sold in the future or reformulate such products to eliminate the exposures; and (3) pay an appropriate civil penalty.

Consistent with the public interest goals of Proposition 65, Alliance is interested in seeking a constructive resolution to this matter, and invites Violators, should they seek early resolution of this matter, to communicate directly with Alliance's attorneys. Such resolution will avoid further unwarned consumer exposures, as well as resource intensive litigation.

Please direct all questions concerning this notice to Alliance's attorney, Vineet Dubey (dubey@cd-lawyers.com), Custodio & Dubey LLP, 445 S. Figueroa St., Suite 2520, Los Angeles, CA 90071, 213-593-9095.

Sincerely,

Vineet Dubey
