Therefore, while reaching an agreement with CEH will resolve its claims, such an agreement may not satisfy the public prosecutors.

Such relevant evidence includes, but is not limited to, all documents relating to PFOA and PFOS discharges from the Facility, actual or potential discharges of PFOA and PFOS from the Facility, efforts to comply with Proposition 65, and communications with any person relating to actual or potential discharges of PFOA and PFOS from the Facility since June 30, 2020 through the date of any trial of the claims alleged in this Notice.
