

**SUPPLEMENTAL 60-DAY NOTICE OF VIOLATION
OF CALIFORNIA HEALTH & SAFETY CODE § 25249.7(d)
(PROPOSITION 65)**

Date: October 25, 2024
To: Andrew R. Jassy, President and Chief Executive Officer, Amazon.com, Inc.;
Vicky Wong, Chief Executive Officer, Shanghai Vickiwong Auto Parts Co., Ltd.;
California Attorney General’s Office;
District Attorney’s Office for 58 Counties; and
City Attorneys for San Francisco, San Diego, San Jose, Sacramento & Los Angeles
From: Keep America Safe and Beautiful

I. INTRODUCTION

Keep America Safe and Beautiful is a California nonprofit corporation acting in the interest of the general public, pursuant to California Health & Safety Code § 25249.7(d). Keep America Safe and Beautiful seeks to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by eliminating hazardous substances contained in such items, promoting corporate responsibility.

This Supplemental 60-Day Notice of Violation (“**Notice**”) supplements the 60-Day Notice of Violation sent on September 11, 2020, and is being provided to the alleged violators, Amazon.com, Inc. and Shanghai Vickiwong Auto Parts Co., Ltd. (“**Notice Recipients**”), as well as the California Attorney General’s Office, the District Attorney’s Offices for 58 Counties, and City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles.

Keep America Safe and Beautiful provides this Notice after identifying violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986, codified at California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”), based on the failure to provide a clear and reasonable health hazard warning in connection with the sale or use of the products, listed below, in the State of California. The Notice Recipients are hereby given notice they violated and continue to violate Proposition 65 with respect to the warning requirement, codified at California’s Health & Safety Code § 25249.6: “No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first giving a clear and reasonable warning to such individual.” Without proper warnings about the toxic effects of exposures to listed chemicals, citizens in California lack the information necessary to make an informed decision as to whether or how to eliminate or reduce their risk of exposure from the reasonably foreseeable use of products containing listed chemicals.

II. NATURE OF ALLEGED VIOLATIONS

Product. The specific type or category of products (“**Products**”) that are the subject of this Notice are as follows:

| Exemplar Product | Category/Type | Retailer | Manufacturer |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|-----------------|-------------------------------------------------------------|
| A ABIGAIL Gas Siphon Hose Pump Shaker Siphon for Gasoline Fuel Water Transfer Safe Multi-Purpose Self Priming Pump 6 Foot High Grade Hose 1/2" Valve, A7726F, X002B054TZ, ASIN B07XFM6KB3 | Siphon Hoses | Amazon.com | A ABIGAIL; Shanghai Vickiwong Auto Parts Co., Ltd. |

Identified above is a specific example of Products recently purchased and witnessed as being available for sale or use in the State of California, within the *category* of offending products

covered by this Notice. The identified retailers, manufacturers and/or distributors of the Products are based on publicly available information.

The Exemplar Product is identified for the Notice Recipients' benefit to assist in their investigation into the alleged violations that are the subject of this Notice. The specific identified Exemplar Product is not intended to be an exhaustive list of all such products potentially in violation of Proposition 65. The Notice Recipients are obligated to conduct a good faith investigation into other products within the category or of the type, identified above, manufactured, imported, sold or distributed for sale, or otherwise in the Notice Recipients' custody or control during the relevant period, identified below, to ensure the requisite health hazard warnings are provided to individuals in California prior to purchase.

Listed Chemicals. The chemicals that are the subject of this Notice are di(2-ethylhexyl) phthalate ("DEHP") and di-n-butyl phthalate ("DBP") (collectively, the "**Listed Chemicals**"). The State of California listed DEHP as a chemical known to cause cancer on January 1, 1988, and as a chemical known to cause developmental and male reproductive toxicity on October 24, 2003. On December 3, 2005, the State of California listed DBP as a chemical known to cause developmental and reproductive toxicity.

Routes of Exposure. The exposures that are the subject of this Notice result from the purchase, acquisition and handling of Products containing one or more Listed Chemicals. Exposures occur when individuals, including women of childbearing age, handle, touch or otherwise utilize siphon hoses containing Listed Chemicals and armrest covers containing DEHP in accordance with the Products' reasonably foreseeable uses, resulting in exposures through ingestion and dermal absorption. Individuals ingest one or more Listed Chemicals when they mouth the siphon hoses and/or touch and handle the Products transferring the chemical from their fingers or hands to their mouths. Dermal absorption of one or more Listed Chemicals occurs when individuals handle, touch, or utilize the Products.

Violations and Time Period of Exposure. Keep America Safe and Beautiful alleges the Notice Recipient knowingly and intentionally exposed, and continues to knowingly and intentionally expose, individuals within the State of California to Listed Chemicals, without first giving a health hazard warning, as required by Proposition 65, by failing to provide clear and reasonable warnings to consumers and users that the Products can expose users to one or more Listed Chemicals.

Exposures caused by the use of the Products have occurred each day since the Products were introduced into the California marketplace, but, at a minimum, since September 11, 2019, and, potentially, as far back as September 11, 2017. Because the Products lack clear and reasonable warnings regarding the toxic effects of exposures to one or more Listed Chemicals, each Product sold to customers and individuals located in California during this period not accompanied by a warning constitutes a violation by the Notice Recipient and/or other sellers of the Products. Moreover, these exposures are ongoing and will continue either until clear and reasonable warnings are provided to protect consumers and users or until these known toxic chemicals are removed from the Products or reduced to allowable levels.

III. RESOLUTION OF NOTICED CLAIMS

Consistent with the public interest goals of Proposition 65, Keep America Safe and Beautiful seeks to pursue a constructive resolution of this matter to quickly rectify ongoing violations of California law. To that end, based on the allegations set forth in this Notice and pursuant to

Health & Safety Code § 25249.7(d), Keep America Safe and Beautiful intends to file a private enforcement action in the public interest sixty (60) days after effective service of this Notice, unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these allegations. If the Notice Recipients seek to resolve the claims alleged in this Notice without litigation, they may contact Keep America Safe and Beautiful's counsel at the address listed below.

It should be noted neither Keep America Safe and Beautiful nor its counsel can: (1) finalize any settlement until after the expiration of the 60-day Notice period; or (2) speak for the California Attorney General or any District or City attorney in receipt of this Notice. Therefore, while reaching an agreement with Keep America Safe and Beautiful will satisfy its claims, the agreement may not satisfy any public prosecutors.

IV. GENERAL INFORMATION AND SUMMARY OF PROPOSITION 65

A copy of a summary of Proposition 65's provisions, prepared by the Office of Environmental Health Hazard Assessment ("OEHHA") is enclosed with the copy of the Notice served on the Notice Recipients for their reference. For further general information concerning Proposition 65, contact OEHHA's Proposition 65 Implementation Office at (916) 445-6900.

V. CERTIFICATE OF MERIT

Pursuant to Health & Safety Code § 25249.7(d) and Cal. Code. Regs. tit 11, § 3100, a Certificate of Merit is attached hereto. A copy of the Notice and Certificate of Merit is served on the California Attorney General and marked "Attorney General Copy: Contains Official Information Pursuant to Evidence Code Section 1040" with all supporting documentation, as required by Cal. CERTIFICATE OF MERIT

Health and Safety Code § 25249.7(d)

Re: Keep America Safe and Beautiful’s Notice of Proposition 65 Violations

I, Laralei Paras, hereby declare and certify:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party identified in the notice violated Health & Safety Code § 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies or other data regarding the alleged exposure to and the lack of warnings for the listed chemicals that are the subject of the notice.
4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that “reasonable and meritorious case for the private action” means that the information provides a credible basis that all elements of the plaintiff’s case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code § 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier and (2) the facts, studies or other data reviewed by those persons.
