AMENDED 60-DAY NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE § 25249.7(d) (PROPOSITION 65)

Date: October 25, 2024
To: Stuart Straus, Chief Executive Officer, Compass Health Brands Corp.; California Attorney General's Office; District Attorney's Office for 58 Counties; and City Attorneys for San Francisco, San Diego, San Jose, Sacramento & Los Angeles

From: Blue Sky Forever

I. <u>INTRODUCTION</u>

Blue Sky Forever is a California nonprofit corporation acting in the public interest pursuant to California Health & Safety Code § 25249.7(d). Blue Sky Forever seeks to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by eliminating hazardous substances contained in such items, promoting corporate responsibility.

This Amended 60-Day Notice of Violation ("Notice") amends the 60-Day Notice of Violation sent on April 29, 2024 and is being provided to the alleged violator, Compass Health Brands Corp. ("Notice Recipient"), as well as the California Attorney General's Office, the District Attorney's Offices for 58 Counties, and City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles.

Blue Sky Forever provides this Notice after identifying violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, codified at California Health & Safety Code § 25249.5 *et seq.* ("**Proposition 65**"), based on the failure to provide a clear and reasonable health hazard warning in connection with the sale or use of the products, listed below, in the State of California. The Notice Recipient is hereby given notice it violated and continues to violate Proposition 65 with respect to the warning requirement, codified at California's Health & Safety Code § 25249.6: "No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first giving a clear and reasonable warning to such individual." Without proper warnings about the toxic effects of exposures to listed chemicals, citizens in California lack the information necessary to make an informed decision as to whether or how to eliminate or reduce their risk of exposure from the reasonably foreseeable use of products containing listed chemicals.

II. NATURE OF ALLEGED VIOLATIONS

<u>Product</u>. The specific type or category of products ("**Products**") that are the subject of this Notice are as follows:

Exemplar Product	Category/Type	Retailer	Manufacturer/Distributor
ProBasics	Canes with	Medical Products	Compass Health Brands
Heavy Duty Quad Cane,	Vinyl Grips	Supplies	Corp.
Large Base, Black,		medicalproductssupplies.com	
500 lb Weight Capacity			
Item No. CNQHLBB			
Lot No. CD155844110			
UPC 8 15067 07123 4			

Identified above is a specific example of Products recently purchased and witnessed as being available for sale or use in the State of California, within the *category* of offending products covered by this Notice. The identified retailers, manufacturers and/or distributors of the Products are based on publicly available information.

The Exemplar Product is identified for the Notice Recipient's benefit to assist in its investigation into the alleged violations that are the subject of this Notice. The specific identified Exemplar Product is not intended to be an exhaustive list of all such products potentially in violation of Proposition 65. The Notice Recipient is now obligated to conduct a good faith investigation into other products within the category or of the type, identified above, that were manufactured, imported, sold or distributed for sale, or that have otherwise been in the Notice Recipient's custody or control during the relevant period, identified below, to ensure the requisite health hazard warnings are provided to individuals in California prior to purchase.

Listed Chemical. The chemical that is the subject of this Notice is diisononyl phthalate ("**DINP**"). The State of California listed DINP as a chemical known to cause cancer on December 20, 2013.

Routes of Exposure. The exposures subject to this Notice result from the purchase, acquisition and handling of Products containing DINP. Exposures occur when individuals handle, touch or otherwise canes with vinyl grips containing DINP in accordance with the Products' reasonably foreseeable and intended uses, resulting in exposures through ingestion and dermal absorption. Individuals ingest DINP when they touch or handle the Products or intermediary objects, transferring the chemical from their fingers or hands to their mouths. Dermal absorption of DINP occurs when individuals handle, touch, or utilize the Products.

The California State Plan for Occupational Safety and Health incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

Violations and Time Period of Exposure. Blue Sky Forever alleges the Notice Recipient knowingly and intentionally exposed, and continues to knowingly and intentionally expose, individuals within the State of California to DINP, without first giving a health hazard warning regarding the chemical's toxic effects, as required by Proposition 65, by failing to provide clear and reasonable warnings to consumers and users that the Products can expose users to DINP.

Exposures caused by the use of the Products have occurred each day since the Products were introduced into the California marketplace, but, at a minimum, since April 29, 2023, and, potentially, as far back as April 29, 2021. Because the Products lack clear and reasonable warnings regarding the toxic effects of exposures to DINP, each Product sold during this period and not accompanied by a warning constitutes a violation by the Notice Recipient and/or other sellers of the Products, whether sold directly through retailers located in, or with locations in, California, via the internet, or through catalog purchases by customers and individuals located in California. Moreover, these exposures are ongoing and will continue either until clear and

reasonable warnings are provided to protect consumers and users or until this known toxic chemical is removed from the Products or reduced to allowable levels.

III. <u>RESOLUTION OF NOTICED CLAIMS</u>

Consistent with the public interest goals of Proposition 65, Blue Sky Forever seeks to pursue a constructive resolution of this matter to quickly rectify ongoing violations of California law. To that end, based on the allegations set forth in this Notice and pursuant to Health & Safety Code § 25249.7(d), Blue Sky Forever intends to file a private enforcement action in the public interest sixty (60) days after effective service of this Notice, unless the appropriate public enforcement agencies have commenced and are diligently prosecuting an action to rectify these allegations. If the Notice Recipient seeks to resolve the claims alleged in this Notice without litigation, it may contact Blue Sky Forever's counsel at the address listed below.

It should be noted neither Blue Sky Forever nor its counsel can: (1) finalize any settlement until after the expiration of the 60-day Notice period; or (2) speak for the California Attorney General or any District or City attorney in receipt of this Notice. Therefore, while reaching an agreement with Blue Sky Forever will satisfy its claims, the agreement may not satisfy any public prosecutors.

IV. GENERAL INFORMATION AND SUMMARY OF PROPOSITION 65

A copy of a summary of Proposition 65's provisions, prepared by the Office of Environmental Health Hazard Assessment ("**OEHHA**") is enclosed with the copy of the Notice served on the Notice Recipient for its reference. For further general information concerning Proposition 65, contact OEHHA's Proposition 65 Implementation Office at (916) 445-6900.

V. <u>CERTIFICATE OF MERIT</u>

Pursuant to Health & Safety Code § 25249.7(d) and Cal. Code. Regs. tit 11, § 3100, a Certificate of Merit is attached hereto. A copy of the Notice and Certificate of Merit is served on the California Attorney General and marked "Attorney General Copy: Contains Official Information Pursuant to Evidence Code Section 1040" with all supporting documentation, as required by Cal. Code. Regs. tit 11, § 3102, attached thereto.
