From: Anthony Jiang

## **I. INTRODUCTION**

Anthony Jiang is a California citizen acting in the public interest pursuant to California Health &Safety Code§25249.7(d).Anthony Jiang seeks to promote awareness of exposures to toxic chemicals in products sold in California and,if possible,to improve human health by eliminating hazardous substances contained in such items,promoting corporate responsibility.

This 60-Day Notice of Violation("**Notice**")is being provided to the alleged violator,as well as the California Attorney General's Office,the District Attorney's Offices for 58 Counties,and City Attorneys for San Francisco,San Diego, San Jose,Sacramento and Los Angeles.

Anthony Jiang provides this Notice after identifying violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986,codified at California Health &Safety Code§25249.5 et seq.("**Proposition 65**"),based on the failure to provide a clear and reasonable health hazard warning in connection with the sale or use of the products,listed below,in the State of California.The Notice Recipient is hereby given notice it violated and continues to violate Proposition 65 with respect to the warning requirement,codified at California's Health & Safety Code§25249.6:"No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the State to cause cancer or reproductive toxicity without first giving a clear and reasonable warning to such individual." Without proper warnings about the toxic effects of exposures to listed chemicals,citizens in California lack the information necessary to make an informed decision as to whether or how to eliminate or reduce their risk of exposure from the reasonably foreseeable use of products containing listed chemicals.

## **II. NATURE OF ALLEGED VIOLATIONS**

Product Types/Categories: The specific types or categories of products that are causing consumer exposures in violation of Proposition 65, and that are covered by this Notice, are brass hose splitter Identified below is a specific example of Covered Products recently purchased and witnessed as being available for purchase or use in California (the "Exemplar Product" ). Based on publicly available information, the retailers, distributors, and/or manufacturers of the Exemplar Product is also provided. The Exemplar Product is identified for the Notice Recipients' benefit to assist in their investigation of the allegations set forth in this Notice. The Exemplar Product is not meant to be an exhaustive or comprehensive identification of each specific

offending product falling within the specific types or categories of Covered Products at issue in this Notice. It is the private enforcer's position that the Notice Recipients are obligated to conduct a good-faith investigation into other specific products falling within the type or category of Covered Products that have been manufactured, imported, distributed, sold, shipped, stored, or are otherwise within the Notice Recipients' custody or control, so as to ensure the requisite toxic warnings were and are provided to California citizens prior to purchase.

Exemplar Product (ASIN)	Violators
B07T2QKGSF	1.Manufacturer/Distributor:Shenzhen Jiasiman Trading Co., Ltd. 2.Retailer:.Amazon.com Services, LLC(www.amazon.com)

If an applicable manufacturer, supplier, seller, exporter and/or importer of one or more of the Products does not have a known agent for process of service in California or employs less than ten people as defined by the operative regulation, then the Violator 2 has heightened regulatory responsibilities beyond 27 CCR §25600.2(d) especially if the Violator 2 is also an importer or fulfills additional upstream roles in the commercial marketplace.

**Listed Chemical.**The chemical that is the subject of this Notice is the heavy metal,Lead.The State of California listed Lead as a chemical known to cause developmental toxicity,male reproductive toxicity,and female reproductive toxicity on February 27, 1987,and as a chemical known to cause cancer on October 1, 1992.

**Routes of Exposure.**The exposures subject to this Notice result from the purchase,acquisition and handling of Products containing Lead.Exposures occur when individuals,including Children and women of childbearing age,handle,touch or otherwise utilize brass hose splitter containing Lead in accordance with the Products' reasonably foreseeable and intended uses, resulting in exposures through ingestion and dermal absorption.Individuals ingest Lead when they touch or handle the Products or intermediary objects,transferring the chemical from their fingers or hands to their mouths.Dermal absorption of Lead occurs when individuals handle, touch,or utilize the Products.

### **Violations and Time Period of Exposure.**

The violations have been occurring as far back as June 15,2019 and are continuing to this day

### **III. RESOLUTION OF NOTICED CLAIMS**

Based on the allegations set forth in this Notice, I intend to file a citizen enforcement lawsuit against the alleged Violator unless such Violator enters into a binding written agreement to: (a) recall Products already sold or undertake best efforts to ensure that the requisite health hazard warnings are provided to those who have received such Products; (b) provide "clear and reasonable warnings" for Products sold in the future or, preferably, reformulate such Products to eliminate the Lead exposures (or undertake best efforts to ensure upstream selling entities in the chain of commerce such as manufacturers, exporters, importers or distributors do so); and (c) pay an appropriate civil penalty based on the factors enumerated in California Health & Safety Code §25249.7(b). If the alleged Violator is particularly interested in resolving this dispute without

resorting to time-consuming and costly litigation, please feel free to contact Anthony Jiang identified in Section V.

It should be noted Anthony Jiang cannot: (1) finalize any settlement until after the expiration of the 60-day Notice period; or (2) speak for the California Attorney General or any District or City in receipt of this Notice. Therefore, while reaching an agreement with Anthony Jiang will satisfy its claims, the agreement may not satisfy any public prosecutors.

#### **IV. GENERAL INFORMATION AND SUMMARY OF PROPOSITION 65**

A copy of a summary of Proposition 65's provisions, prepared by the Office of Environmental Health Hazard Assessment ("OEHHA") is enclosed with the copy of the Notice served on the Notice Recipient for its reference. For further general information concerning Proposition 65, contact OEHHA's Proposition 65 Implementation Office at (916)445-6900.

# CERTIFICATE OF MERIT

Health and Safety Code §25249.7(d)

---

Re: Anthony Jiang's Notice of Proposition 65 Violations I, Anthony Jiang, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party identified in the notice violated Health & Safety Code §25249.6 by failing to provide clear and reasonable warnings.

2. I am the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies or other data regarding the alleged exposure to the listed chemical that is the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier and (2) the facts, studies or other data reviewed by those persons.

Dated: January 23, 2025
