**SIXTY-DAY NOTICE OF INTENT TO SUE FOR VIOLATION OF THE SAFE DRINKING WATER AND  
TOXIC ENFORCEMENT ACT OF 1986  
(*Cal. Health & Safety Code § 25249.5, et seq.*) ("Proposition 65")**

Re: Violations of Proposition 65 concerning Bar-B-Que Sauce containing Lead.

Dear Alleged Violator and Public Enforcement Agencies:

Keep America Safe and Beautiful ("KASB"), serves this Notice of Violation ("Notice") on Martin's BBQ Joint Spring Hill, LLC ("Violator") pursuant to and in compliance with Proposition 65. KJT Law Group, LLP represents Keep America Safe and Beautiful (KASB). This Notice satisfies a prerequisite for KASB to commence an action against Violator in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. KASB is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

KASB is a California nonprofit corporation acting in the interest of the general public, pursuant to California Health & Safety Code § 25249.7(d). KASB's contact information is the following: 10512 Sycamore Avenue, Stanton, California 90680 | 657.257.9168. KASB's Chief Executive Officer is Lance Nguyen. KASB seeks to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by eliminating hazardous substances contained in such items, promoting corporate responsibility.

This Notice concerns violations of the warning prong of Proposition 65, which states that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . ." *Cal. Health & Safety Code § 25249.6*.

Pursuant to § 25249.7(d) of the statute, KASB intends to bring an enforcement action against the Violator sixty (60) days after the effective service of this notice unless public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations. A summary of the statute and its implementing regulations, which was prepared by the Office of Environmental Hazard Assessment, the lead agency designated under the State, is enclosed with the copy of this notice served upon the violator ("Proposition 65: A Summary"). The specific details of the violations that are the subject of this notice are provided below.

**Consumer Product and Chemical(s) Involved**

KASB has discovered that Bar-B-Que Sauce contains lead. Lead is known to the State of California to cause cancer. “Lead and lead compounds” have been listed as carcinogens since October 1, 1992 and “lead” has been listed as a developmental toxicant for males and females since February 27, 1987. On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

Identifiers for the Bar-B-Que Sauce include but are not limited to: **“Martin’s Bar-B-Que Joint – Devil’s Nectar – Really, Really, Really Hot Sauce! – Bar-B-Que Sauce – UPC # 8 58393 00348 7.”**

This Notice addresses consumer products exposures. A “[c]onsumer products exposure” is an exposure which results from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service.” Cal. Code Regs. 27 tit. § 25602(b).

**Description of Violation**

Violator caused consumer product exposures in violation of Proposition 65 by producing or making available Bar-B-Que Sauce for distribution or sale in California to consumers. The packaging for Bar-B-Que Sauce (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-compliant warning. Nor did Violator, with regard to Bar-B-Que Sauce, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violator, with regard to Bar-B-Que Sauce, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof.

**Route of Exposure**

Use of the product identified above results in human exposure to lead. The primary route of lead exposure to consumers is through direct ingestion when consumers eat the Bar-B-Que Sauce. These exposures take place throughout the State of California. No clear and reasonable warning is provided with regards to the carcinogenic and/or reproductive hazard of lead as required by State law.

**Duration of Violations**

These violations have been occurring every day between since at least December 4, 2024, and every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided with regards to the carcinogenic and/or reproductive hazard of lead as required by State law or until these known toxic chemicals are removed or reduced to allowable levels in the products.

**Counsel**

KASB is represented in connection with this matter and may be contacted through:

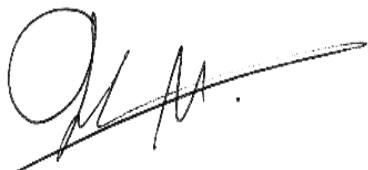

**Tro Krikorian, Esq.**  
**KJT Law Group, LLP**  
**230 N. Maryland Avenue, Suite 306, Glendale, CA 91206**  
**Telephone: (818) 507-8525**  
**Email: Tro@KJTLawGroup.com**

In keeping with the public interest goals of the statute and the objective of protecting individuals and the community at-large from further toxic exposures, KJT Law Group, LLP is interested in seeking a constructive and immediate resolution of this matter in order to avoid continuing unwarned exposure to listed chemicals.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code* § 25249.7(d)(1). With this letter, KASB gives notice of the alleged violations to Violator and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is beyond the State of California but within the United States), KASB may file suit. *See Cal. Code Civ. Proc.* § 1013; *Cal. Health & Safety Code* § 25249.7(d)(1); and *Cal. Code Regs.* tit. 27 § 25903(d)(1). KASB remains open and willing to discussing the possibility of resolving its grievances short of formal litigation.

All communications regarding this notice can be made to Tro Krikorian, Esq. at the above listed firm address and telephone number.

Regards,

Tro Krikorian, Esq.
