**RE: 60-Day Notice of Violation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) & Demand for Supply Chain Identification**

To Whom It May Concern:

This firm represents the Mercury Policy Project (“Noticing Party”) in connection with this notice of violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code section 25249.5, et seq. (“Proposition 65”). The Mercury Policy Project is a non-profit that works to promote policies to eliminate mercury uses, reduce the export and trafficking of mercury, and significantly reduce mercury exposures at the local, national, and international levels. This letter constitutes notice to the addressees that they have violated and continue to violate provisions of Proposition 65 and its implementing regulations. Specifically, the alleged violators—**leoros\_douviffza, herbalbeauty\_76, bazaar56, SuperToy2323 (denlad\_6768), th\_srila, osagiida-0, danaliv deals (marco2817), eBay** (“Violators”)—to which this letter is addressed have violated and continue to violate the warning requirement at section 25249.6 of the California Health & Safety Code, which provides, “No person in the course of doing business shall knowingly and intentionally expose any individual to a

chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual[.]”

As to eBay, this letter serves as a supplemental 60-Day Notice and does not replace the November 18, 2025, 60-Day Notice sent to eBay (AG Number: 2025-04693), nor the December 19, 2025, 60-Day Notice sent to eBay and other violators (AG Number: 2025-05138).

Pursuant to California Health & Safety Code section 25249.7, subdivision (d), the Noticing Party, as defined in that section, intends to bring an enforcement action against the Violators sixty (60) days after effective service of this notice unless the public enforcement agencies listed in the attached Certificate of Service have commenced and are diligently prosecuting an action to rectify these violations. A summary of Proposition 65 and its implementing regulations, prepared by the Office of Environmental Health Hazard Assessment, the lead agency designated under Proposition 65, is enclosed with the copy of this notice served to the Violators. The specific details of the violations that are the subject of this Notice are provided below.

### **Description of Violations**

The Violators have contravened the warning requirement at section 25249.6 of the California Health and Safety Code, which provides, “[no] person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving a clear and reasonable warning to such individual.” The Violators have manufactured, produced, packaged, imported, supplied, distributed, sold or otherwise provided the consumer products containing the chemical(s) listed below directly to consumers through the Violators’ website without providing the clear and reasonable warnings required by Proposition 65 and its implementing regulations.

- Time Period of Exposure: The violations have been occurring since at least February 12, 2023, and are continuing each day through the present.
- Provision of Proposition 65 Implicated: This Notice of Violation covers the “warning provision” of Proposition 65, which is found at California Health and Safety Code, section 25249.6, and its implementing regulations.
- Chemical Involved: The listed chemical involved in this notice of violation is mercury and mercury compounds (“Mercury”). This chemical is recognized by the State of California as a developmental toxin.
- Types of Products: The specific types of products causing the violations are skin-lightening, whitening, and brightening cosmetics containing 1 ppm or more Mercury (“Products”), including but not limited to those Products specifically listed below in **Table 1.**<sup>1</sup>

---

<sup>1</sup> Additionally, a list of Products for which public health notices identify Mercury content is included as the attached **Exhibit A**.

**Table 1**

Description of Exposures: This Notice addresses consumer product exposures to Mercury resulting from the acquisition, purchase, storage, consumption, or reasonably foreseeable use of the Products. Mercury is an additive or active ingredient in such cosmetics. Use of the Products, including those exemplars listed above in Table 1, results in human exposures to mercury.<sup>3</sup> Mercury exposure occurs in three main routes: ingestion, inhalation, or dermal absorption. Ingestion may occur post-application due to insufficient hand washing prior to eating or preparing food or touching of the mouth. Inhalation may occur due to the significant amount of Mercury vapor produced by use of these Products, which can affect all household members. Dermal absorption may occur as these Products are designed and specifically marketed for direct contact with skin. These exposures occur in residences and businesses throughout California where the Products are used.

No clear and reasonable warning is provided with these Products regarding the developmental toxicity of using these Products or specifically of Mercury exposure risk.

Pursuant to California Code of Regulations, title 11, section 3100, a Certificate of Merit is attached.<sup>4</sup>

<sup>3</sup> The Products are also illegal adulterated cosmetics sold in violation of the Federal Food, Drug, and Cosmetic Act and its implementing regulations, (see 21 U.S.C. § 301 et seq.; 21 C.F.R. § 700.13(d)), and California's Sherman Food, Drug, and Cosmetic Law (See Health & Saf. Code, §§ 111670, 111700).

<sup>4</sup> A copy of this entire notice and Certificate of Merit is being served on the Attorney General, clearly marked "Attorney General Copy: Contains Official Information Pursuant to Evidence Code Section 1040" with all supporting documentation.

### **Lack of Non-English Warning**

A number of SLPs listed in Exhibit A include non-English labeling. The Products additionally violate California Code of Regulations, title 27, section 25602, subdivision (b), for failing to carry warnings in the non-English language on the label.

### **Resolution of Claims Being Noticed**

Based on the allegations set forth in this Notice, the Noticing Party intends to file a citizen enforcement lawsuit against the Violators unless it agrees to remedy the violations set forth above. If the Violators are interested in resolving this dispute without resort to expensive and time-consuming litigation, please contact the Noticing Party through its counsel identified below.

### **Preservation of Relevant Evidence**

This Notice also serves as a demand that the Violators preserve and maintain all relevant evidence, including all electronic documents and data, pending resolution of this matter. Such relevant evidence includes but is not limited to all documents relating to Mercury released from or during the storage, shipment, and use of the Products; purchases and sales information for the Products; communications with any person relating to actual or potential exposures to Mercury from the use of the Products; representative exemplars of each unit of any of the brands listed above in Table 1 sold since three years prior to the date of this Notice; the content of internet displays for the Products causing the violations; and all communications regarding the alleged violations.

### **Parties**

This Notice is provided on behalf of the following organization:

Mercury Policy Project, a Project of the Tides Center  
Responsible Individual: Michael Bender  
1420 North Street  
Montpelier, VT 05602  
(802) 223-9000

The Noticing Parties can be contacted through counsel as identified below:

Rachel Doughty  
Greenfire Law, PC  
2748 Adeline Street, Suite A  
Berkeley, CA 94703  
(510) 900-9502  
rdoughty@greenfirerlaw.com

### **Demand for Supply Chain Contacts**

Pursuant to California Code of Regulations title 27, article 6, section 25600.2, subdivision (g) you must promptly provide Mercury Policy Project (through its counsel) with the names and contact information for

each of the manufacturers, producers, packagers, importers, suppliers, and distributors of each of the Products, including for the exemplars listed above in Table 1. **We expect to receive this information within a week.**

Sincerely,

Rachel S. Doughty  
Greenfire Law, PC

Certificate of Service (All Recipients)

### **Certificate of Merit**

California Health & Safety Code Section 25249.7, Subdivision (d)

I, Rachel Doughty, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.
2. I am the attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action.
4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: February 12, 2026

Greenfire Law, PC
