**Re: Notice of Violations of California Health & Safety Code Section 25249.5 *et seq.***

Dear Addressees:

I represent Environmental Research Center, Inc. (“ERC”) in connection with this Notice of Violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code Section 25249.5 *et seq.* and also referred to as Proposition 65.

ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

The name of the Company covered by this notice that violated Proposition 65 (hereinafter the “Violator”) is:

**Urban Remedy, Inc.**

The specific types of products causing the violations that are the subject of this notice are nutritional protein and/or meal replacement products that contain lead and/or perfluorooctanoic acid (PFOA). These products and the specific chemicals in these products identified as exceeding allowable levels include but are not limited to:

- 1. Urban Remedy Organic Green Berry Meal Shake - Lead**
- 2. Urban Remedy Organic Golden Turmeric Coconut Cashew Milk- Lead**
- 3. Urban Remedy Organic Chocolate Protein Collagen Meal Shake - Perfluorooctanoic Acid (PFOA)**
- 4. Urban Remedy Organic Vanilla Protein Collagen Meal Shake - Perfluorooctanoic Acid (PFOA)**
- 5. Urban Remedy Organic Chocolate Banana Meal Shake - Perfluorooctanoic Acid (PFOA)**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

On November 10, 2017, the State of California officially listed Perfluorooctanoic Acid (PFOA) as a chemical known to cause developmental toxicity. On February 25, 2022, the State of California officially listed Perfluorooctanoic Acid (PFOA) as a chemical known to cause cancer.

This letter is a notice to the Violator and the appropriate governmental authorities of the Proposition 65 violations concerning the listed products. ERC may continue to investigate other products that may reveal further violations. A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with the copy of this letter to the Violator.

The Violator has manufactured, marketed, distributed, and/or sold the listed products, which have exposed and continue to expose numerous individuals within California to the identified chemicals, lead and/or PFOA. The consumer exposures that are the subject of this notice result from the recommended use of these products by consumers. The route of exposure to lead and/or PFOA has been through ingestion. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to lead and/or PFOA. The method of warning should be a warning that appears on the product’s label. The Violator violated Proposition 65 because it failed to provide an appropriate warning to persons ingesting these products that they are being exposed to lead and/or PFOA. Each of these ongoing violations has occurred on every day since March 26, 2023, as well as every day since the products were introduced in the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users.

Pursuant to Section 25249.7(d) of the statute, ERC intends to file a citizen enforcement action sixty days after effective service of this notice unless the Violator agrees in an enforceable

March 26, 2026

written instrument to: (1) reformulate the listed products so as to eliminate further exposures to the identified chemicals; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above products in the last three years. Consistent with the public interest goals of Proposition 65 and my client's objectives in pursuing this notice, ERC is interested in seeking a constructive resolution to this matter. Such resolution will avoid both further unwarned consumer exposures to the identified chemicals and expensive and time consuming litigation.

ERC's Executive Director is Chris Heptinstall, and is located at 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. 619-500-3090. ERC has retained me in connection with this matter. We suggest that communications regarding this Notice of Violations should be directed to my attention at the above listed law office address and telephone number.

Sincerely,

Richard Drury

OEHHA Summary (to Urban Remedy, Inc. and its Registered Agents for Service of Process only)

Additional Supporting Information for Certificate of Merit (to AG only)

**CERTIFICATE OF MERIT**

**Health and Safety Code Section 25249.7 (d)**

**Re: Environmental Research Center, Inc.'s Notice of Proposition 65 Violations by Urban Remedy, Inc.**

I, Richard Drury, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.

2. I am the attorney for the noticing party, Environmental Research Center.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemical that is the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: March 26, 2026
