**Re: Proposition 65 Notice of Violation**

To Whom It May Concern:

We represent Environmental Health Advocates, Inc., an organization in the State of California acting in the interest of the general public. This letter serves as notice that the parties listed above are in violation of Proposition 65, the Safe Drinking Water and Toxic Enforcement Act, commencing with section 25249.5 of the Health and Safety Code (“Proposition 65”). In particular, the violations alleged by this notice consist of types of harm that may potentially result from exposures to the toxic chemical Δ<sup>9</sup>-Tetrahydrocannabinol (also known as “Delta-9-Tetrahydrocannabinol or “THC”). THC was listed as a developmental and reproductive toxin on January 3, 2020.

The type of products causing exposures in violation of Proposition 65 are THC-infused gummies, including but not limited to:

<b><u>Product Name</u></b>	<b><u>Manufacturer</u></b>	<b><u>Distributor/Retailer</u></b>
Mood Pure Relief CBD Gummies	Functional Intellects, LLC	Delphi Advisory Group, LLC dba Mood Product Group LLC

Delphi Advisory Group, LLC Dba Mood Product Group LLC sells CBD gummies online [via its website [<https://mood.com/shop/product-category/gummies>]] to consumers in California without first providing clear and reasonable warnings – as required by Proposition 65 and related Regulations – either on the product packaging itself or via online-warning prior to purchase, each of which is independently required under the Act.

The routes of exposure for the violations are inhalation or consumption by consumers. These exposures occur through the reasonably foreseeable use of the CBD gummies products sold on Delphi Advisory Group, LLC's website [<https://mood.com/shop/product-category/gummies>] without adequate warning. The sales of these products have been occurring since at least February 2026, are continuing to this day and will continue to occur as long as the products subject to this notice are sold to and used by consumers.

Proposition 65 requires that a clear and reasonable warning is provided with these products regarding the exposures to THC caused by ordinary and reasonably foreseeable use of the products. The aforementioned parties are in violation of Proposition 65 by failing to provide such warnings to consumers and as a result of the sales of these products, exposures THC have been occurring without proper warnings.

Pursuant to Proposition 65, notice and intent to sue shall be provided to violators 60-days before filing a complaint. This letter provides notice of the alleged violation to the parties listed above and the appropriate governmental authorities. A summary of Proposition 65 is attached.

EHA identifies Fred Duran as a responsible individual within the entity, 837 Dulce Tierra Drive El Paso, TX 79912; 619-930-9450. Mr. Duran requests all communications be sent to EHA's attorneys.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemical that is the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action.
