Please accept this Notice as a formal demand for any non-manufacturing seller or distributor receiving this Notice to promptly provide the names and contact information for any and all manufacturers, producers, packagers, importers, suppliers, and/or distributors of the Product(s) listed above. This information should be provided by electronic mail to ctusan@ctusanlaw.com.

V. Resolution of Claims

Based on the allegations set forth in this Notice, Tusan Law intends to file a citizen enforcement lawsuit on behalf of CCS against the alleged Violator(s) should no appropriate governmental authority take action and should no resolution be reached by November 20, 2026. However, consistent with the public interest goals of Proposition 65 and the desire to have these violations of California law quickly rectified, CCS is interested in seeking a constructive resolution of the claims in this Notice without engaging in costly and protracted litigation. If you are interested in discussing a potential pre-filing resolution of these claims, please contact me promptly.

CCS has retained Tusan Law in connection with this Notice and, therefore, all communications relating to this Notice or to this matter should be directed to **Christina Tusan** via:

CERTIFICATE OF MERIT
Health & Safety Code Section 25249.7(d)

I, Christina Tusan, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged that the parties identified in the notice have violated Health & Safety Code section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemical(s) that is/are the subject of the action.
4. Based on the information obtained through these consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that “reasonable and meritorious case for the private action” means that the information provides a credible basis that all elements of the plaintiffs’ case can be established and the information did not prove that the alleged violator(s) will be able to establish any of the affirmative defenses set forth in the statute.
