

SETTLEMENT AGREEMENT

BETWEEN

CONSUMER ADVOCACY GROUP, INC.

AND

CHEVRON U.S.A. INC.

Consumer Advocacy Group, Inc., ("CAG") on behalf of itself and suing in the public interest pursuant to California Health and Safety Code section 25249.7(d) and in the interest of the general public pursuant to Business and Professions Code section 17204 (hereinafter, collectively "Plaintiffs") and Chevron U.S.A. Inc. (hereinafter, "Chevron") enter into this agreement (hereinafter "Settlement Agreement") to settle the case entitled *Consumer Advocacy Group, Inc. v. Atlantic Richfield Co., et al.*, filed on August 17, 1999, and pending in the Superior Court of California, County of Los Angeles, Case No. BC 240465 (hereinafter the "Lawsuit"),¹ as follows:

1.0 Introduction

1.1 The Plaintiffs and Chevron (hereinafter "Parties" or "Party") enter into this Settlement Agreement to settle disputed claims between the Parties as set forth hereafter.

1.2 The Lawsuit alleges, *inter alia*, violations of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code sections 25249.5, *et seq.* ("Proposition 65") and Business and Professions Code sections 17200, *et seq.* ("Unfair Competition Act"). Chevron denies the material allegations of the Lawsuit, and denies liability for the causes of action alleged in the complaint, and in connection with the Lawsuit.

1.3 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, the Unfair Competition Act, or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law, including, but not limited to, any

Plaintiffs filed their original complaint and a first amended complaint dated February 17, 2000, in the San Francisco Superior Court. The action was transferred to Los Angeles Superior Court by order dated October 5, 2000. Plaintiffs' first amended complaint named Chevron Corporation and Chevron U.S.A. Inc. as defendants. On July 5, 2000, plaintiffs filed a dismissal of Chevron Corporation.

admission concerning the meaning of the terms "knowing discharge" or "knowing release" as used in Health & Safety Code section 25249.5. Nothing contained in this Settlement Agreement, nor compliance with the terms of this Settlement Agreement, shall constitute or be construed, considered, offered or admitted, in whole or in part, as evidence of an admission or evidence of fault, wrongdoing, liability or violative conduct by Chevron, its officers, directors, employees, or parent, subsidiary or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency or forum whatsoever. Except for the causes of action and allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG and Chevron may have against one another in any other pending legal proceeding.

1.4 It is the position of Chevron that, among other defenses, all claims in the Lawsuit = barred by the judgment entered by the San Francisco Superior Court in an action titled *Communities For a Better Environment, et al. v. Tosco Corporation*, San Francisco Superior Court Action No. 300595 C the CBE Action!% and that Plaintiffs are entitled to no relief or remedy of any kind by reason of the Lawsuit. Plaintiffs disagree with this position and maintain that even if all claim in the Lawsuit are barred by the judgment entered in the CBE Action, CAG is entitled to attorneys' fees and costs under California Civil Code § 1021 .5 and the "catalysf" theory of recovery. Plaintiffs enter this Settlement Agreement to compromise their claims regarding attorneys' fees and all Claims Covered as defined in Section 3.0 below.

2.0 Release

2.1 As of the Effective Date of this Settlement Agreement (as defined in Section 14.0 below), Plaintiffs hereby fully release and forever discharge Chevron and its officers, directors, agents, servants, stockholders, partners, employees, representatives, affiliates, subsidiary and parent corporations (including but not limited to Chevron Corporation and ChevronTexaco Corporation), dealers and resellers of products manufactured or sold by Chevron4 Chevron Corporation or ChevronTexaco Corporation and/or their affiliated companies, and each of their respective assigns and successors (collectively the "Released Parties") from any and all known a-ad unknown rights, claims, causes of action, damages, suits, penalties, liabilities, injunctive relief, declaratory relief and attorneys'- fees, experts' fees, costs and expenses related to or arising out of the facts and claims alleged in the Lawsuit. Without limiting the foregoing, the scope of this release is intended to cover any and all Claims Covered (as defined in Section 3.0 below) as to the Released Parties for each and every site put in controversy by the Lawsuit.

2.2 Plaintiffs have been fully advised of the contents of Section 1542 of the Civil Code of the State of California. Plaintiffs acknowledge that the claims released in section 2.1 above may include unknown claims and waive Section 1542 as to any such unknown claims. Section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME, OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED IRS SETTLEMENT WITH THE DEBTOR.

Plaintiffs acknowledge and understand the significance and consequences of this specific waiver of Civil Code Section 1542.
