

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Anthony Held and Kole Imports

This Settlement Agreement is entered into by and between Anthony E. Held, Ph.D., P.E (hereinafter "Held") and Kole Imports, (hereinafter "Kole"), with Held and Kole collectively referred to as the "Parties." Held is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Kole employs ten or more persons and is a person in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Held alleges that Kole has manufactured, distributed and/or sold in the State of California children's soft vinyl balls and children's vinyl backpacks containing di(2ethylhexyl)phthalate including, but not limited to, the Mini Fun Ball, KK010, (#7 31015 02895 5) and My Little Back Pack #GL243 (#7 31015 08847 8). Di(2ethylhexyl)phthalate is listed pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§25249.5 *et seq.* ("Proposition 65"), as a chemical known to the State of California to cause birth defects and other reproductive harm. Di(2ethylhexyl)phthalate shall be referred to herein as the "Listed Chemical."

1.3 Product Description

The products that are covered by this Settlement Agreement are defined, as follows:
children's soft vinyl balls and vinyl backpacks containing di(2ethylhexyl)phthalate including, but

not limited to, the products identified in Exhibit A to this Settlement Agreement. All such items shall be referred to herein as the "Products."

1.4 Notice of Violation

On or about August 14, 2008 and October 10, 2008, Held served Kole and various public enforcement agencies with a document entitled "60-Day Notice of Violation" (the "Notice") that provided Kole and such public enforcers with notice that alleged that Kole was in violation of California Health & Safety Code §25249.6 for failing to warn consumers and customers that the Products exposed users in California to the Listed Chemical. No public enforcer has diligently prosecuted the allegations set forth in the Notice. On February 24, 2009, Held served Kole and various public enforcement agencies with a document entitled "Second Supplemental 60-Day Notice of Violation" (the "Supplemental Notice") that provided Kole and such public enforcers with notice that alleged that Kole was in violation of California Health & Safety Code §25249.6 for failing to warn consumers and customers that vinyl coated craft string and vinyl coated measuring tapes sold by Kole exposed users in California to the Listed Chemical. If no public enforcer diligently prosecutes the allegations set forth in the Supplemental Notice within 60 days of Kole's receipt of the Supplemental Notice, the vinyl coated craft string and vinyl coated measuring tape shall be included in the definition of "Products" for purposes of this agreement.

1.5 No Admission

Kole denies the material factual and legal allegations contained in Held's Notices and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Kole of any fact, finding, issue of law, or violation of law, nor shall

compliance with this Settlement Agreement constitute or be construed as an admission by Kole of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Kole. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties of Kole under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean March 15, 2009.

Kole further commits that 100% of the Products that it offers for sale in California after April 1, 2009, shall be Phthalate Free, or shall otherwise be exempt from the warning requirements as set forth in Section 2.5.

2.2 Product Warnings

After the Effective Date, Kole shall not sell, ship, or offer to be shipped for sale in California, Products containing the Listed Chemical unless such Products are shipped with the clear and reasonable warnings set out in Section 2.3 and 2.4 or comply with the reformulation requirements of Phthalate Free Products set out in Section 2.1.
