1.1 On November 10, 2009, plaintiff the Center for Environmental Health ("CEH"), a non-profit corporation acting in the public interest, filed a complaint entitled *Center for Environmental Health v. Basic International, Inc.*, et al., San Francisco County Superior Court Case Number CGC-09-494337 (the "Complaint"), for civil penalties and injunctive relief pursuant to the provisions of Cal. Health & Safety Code § 25249.5, et seq. ("Proposition 65"). On December 22, 2009, CEH amended the Complaint to name Pro-Stat, Inc. ("Defendant") as a defendant.

- 1.2 Defendant is a corporation that employs 10 or more persons and manufactured, distributed and/or sold vinyl gloves (the "Products") in the State of California.
- appropriate public enforcement agencies with the requisite 60-day Notice (the "Notice") alleging that Defendant was in violation of Proposition 65 due to use and/or handling of the Products by California consumers. CEH's Notice and the Complaint in the CEH Action allege that Defendant exposes people who use or otherwise handle the Products to di(2-ethylhexyl) phthalate ("DEHP"), a chemical known to the State of California to cause cancer, birth defects and other reproductive harm, without first providing clear and reasonable warning to such persons regarding the carcinogenicity and reproductive toxicity of DEHP. The Notice and Complaint allege that Defendant's conduct violates Health & Safety Code § 25249.6, the warning provision of Proposition 65. Upon receipt of CEH's Notice, Defendant immediately investigated the non-exclusive exemplar Product identified in the Notice and shortly after halted sales of the non-exclusive exemplar to California customers while its investigation continued. Defendant disputes such allegations and asserts that all of its Products are safe and comply with all applicable laws.
- 1.4 For purposes of this Consent Judgment only, the parties stipulate that this Court has jurisdiction over the subject matter of the violations alleged in CEH's Complaint and personal jurisdiction over Defendant as to the acts alleged in CEH's Complaint, that venue is proper in the County of San Francisco, and that this Court has jurisdiction to enter this Consent

Judgment as a full and final resolution of all claims which were or could have been raised in the Complaint based on the facts alleged therein.

1.5 The Parties enter into this Consent Judgment pursuant to a settlement of certain disputed claims between the Parties as alleged in the Complaint. By executing this Consent Judgment, the Parties do not admit any facts or conclusions of law. It is the Parties' intent that nothing in this Consent Judgment shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy, argument or defense the Parties may have in this or any other or future legal proceedings.

2. **COMPLIANCE - REFORMULATION**

- 2.1 Reformulation Standard – Removal of DEHP. After 60-days following the entry of this Consent Judgment (the "Compliance Date"), Defendant shall not manufacture, distribute, ship, or sell, or cause to be manufactured, distributed or sold on its behalf, any Product that contains in excess of trace amounts of DEHP. For purposes of this Consent Judgment only, "in excess of trace amounts" is more than 600 parts per million ("ppm"). In reformulating the Products to remove DEHP, Defendant may not use butyl benzyl phthalate ("BBP"), di-n-hexyl phthalate ("DnHP"), di-n-butyl phthalate ("DBP") or di-isodecyl phthalate ("DIDP") in excess of trace amounts. DEHP, BBP, DnHP, DBP and DIDP are together referred to herein as "Listed Phthalates."
- 2.2 Certification From Suppliers. For so long as Defendant manufactures, distributes, ships, or sells the Products for sale to California consumers, Defendant shall issue specifications to its suppliers requiring that the Products shall not contain DEHP or any other Listed Phthalate in excess of trace amounts. Defendant shall obtain written certification from its suppliers of the Products certifying that the Products do not contain DEHP or any other Listed Phthalate in excess of trace amounts.
 - 2.3 Defendant's Testing. In order to ensure compliance with the

requirements of Section 2.1, Defendant shall cause to be conducted testing to confirm that Products shipped for sale to California consumers do not contain in excess of trace amounts of any Listed Phthalate. Testing shall be conducted in compliance with Section 2.1. All testing pursuant to this section shall be performed by an independent laboratory in accordance with both of the following test protocols: (1) EPA SW8270C; and (2) EPA SW3580A (together referred to as the "Test Protocols"). At the written request of CEH, the results of the testing performed pursuant to this section shall be made available to CEH on a confidential basis.

2.3.1 Testing Frequency. For each of the first two orders of Products purchased from each of Defendant's suppliers after the Compliance Date, Defendant shall randomly select and test the greater of 0.1% (one-tenth of one percent) or eight, but in no case more than ten, of the total Products purchased from each supplier of the Products intended for sale in California. Following the testing of the first two orders as described above, Defendant shall, for each subsequent order, randomly select and test the greater of 0.05% (one-twentieth of one percent) or four, but in no case more than five, of the total Products purchased in that calendar year for sale in California from each supplier of the Products. Should Defendant stop selling or causing to be sold Products in California, the testing requirements of Section 2.3 shall cease to apply. However, should Defendant begin such sales again, Defendant shall begin testing again, and shall apply the testing frequency set forth in Section 2.3.1 as though the first shipment following Defendant's re-initiation of Product sales were the first one following the Compliance Date.

2.3.2 Products That Contain Listed Phthalates Pursuant to

Defendant's Testing. If the results of the testing required pursuant to Section 2.3 show any Listed Phthalate in excess of trace amounts in a Product, Defendant shall: (1) refuse to accept all of the Products that were purchased under the particular purchase order; (2) send a notice to the supplier explaining that such Products do not comply with either Defendant's specifications for Listed Phthalates or the suppliers' certification; and (3) apply the testing frequency set forth in Section 2.3.1 as though the next shipment from the supplier were the first one following the Compliance Date.

laboratory, in accordance with both of the Test Protocols. In the event that CEH's testing demonstrates that the Products shipped by Defendant subsequent to the Compliance Date contain Listed Phthalates in excess of trace amounts, CEH shall inform Defendant of the test results, including information sufficient to permit Defendant to identify the Product(s). Defendant shall, within 30 days following such notice, provide CEH, at the address listed in Section 11.1, with the certification and testing information demonstrating its compliance with Sections 2.2 and 2.3 of this Consent Judgment. If Defendant fails to provide CEH with information demonstrating 10 that it complied with Sections 2.2 and/or 2.3 or otherwise fails to identify an error in CEH's test 11 results, which error caused CEH erroneously to conclude a Product did not comply with this Consent Judgment, Defendant shall be liable for stipulated payments in lieu of penalties for 12 Products for which CEH produces tests demonstrating the presence of Listed Phthalates in the 13 14 Products. The payments shall be made to CEH and used for the purposes described in Section 3.1. 15

Confirmatory Testing by CEH. CEH intends to conduct confirmatory

2.4.1 Stipulated Payments In Lieu of Penalties. If stipulated payments in lieu of penalties are warranted under Section 2.4, the stipulated payment amount shall be as follows for each unit of Product for which CEH produces a test result showing that Defendant sold that Product containing Listed Phthalates after the Compliance Date:

> First Occurrence: \$500

Second Occurrence: \$750

Third Occurrence: \$1,000

Thereafter: \$2,500

2.5 **Products in the Stream of Commerce.** Defendant's Products that have been manufactured, distributed, shipped, sold, or that are otherwise in the stream of commerce prior to the Compliance Date shall be released from any claims that were brought or that could be brought by CEH in the Complaint, as though they were Covered Claims within the meaning of Section 7.1, below. As a result, the stipulated payments and other obligations of this Section 2 do not apply to these Products.

Civil Penalty. Defendant shall pay \$1,000 as a civil penalty pursuant to 3.1 Health and Safety Code § 25249.7(b). The penalty shall be made payable to CEH, which will apportion the penalty in accordance with Health and Safety Code § 25249.12.

3.2 Monetary Payment in Lieu of Penalty. Defendant shall pay to CEH \$4,500 in lieu of any additional penalty pursuant to Health and Safety Code § 25249.7(b). CEH shall use such funds to continue its work protecting people from exposures to toxic chemicals. As part of this work, CEH intends to conduct periodic testing of the Covered Products as set forth in Section 2.4. The payment required under this Section shall be made payable to CEH.

- 3.3 Attorneys' Fees and Costs. Defendant shall pay \$9,500 to reimburse CEH and its attorneys for their reasonable investigation fees and costs, attorneys' fees, and any other costs incurred as a result of investigating, bringing this matter to Defendant's attention, litigating and negotiating a settlement in the public interest. The payment required under this Section shall be made payable to Lexington Law Group.
- **Delivery of Payments.** All payments made pursuant to this Section 3 3.4 shall be delivered to the Lexington Law Group at the address set forth in Section 11.1 and shall be delivered within 10 days of entry of this Consent Judgment.

5.1 CEH may, by motion or application for an order to show cause, enforce the terms and conditions contained in this Consent Judgment. In the event CEH is successful in any such motion or application, CEH shall be entitled to recover its reasonable attorneys' fees and costs associated with enforcing the Consent Judgment.

6. APPLICATION OF CONSENT JUDGMENT

This Consent Judgment shall apply to and be binding upon the Parties 6.1

7. CLAIMS COVERED AND RELEASE OF CLAIMS

7.1 This Consent Judgment is a full, final and binding resolution between CEH, both on its own behalf and on behalf of the public interest pursuant to Health & Safety Code § 25249.7(d), and Defendant of any violation of Proposition 65 that was or could have been asserted in the Complaint against Defendant (including any claims that could be asserted in connection with any of the Products covered by this Consent Judgment) or its parents, subsidiaries, affiliates, directors, officers, employees, agents, attorneys, suppliers, distributors, customers or retailers (collectively, "Defendant Releasees") based on failure to warn about alleged exposures to DEHP resulting from any Products manufactured, distributed or sold by Defendant ("Covered Claims") on or prior to the date of entry of this Consent Judgment.
