#### **INTRODUCTION**

1.1 On August 11, 2010, the People of the State of California ("People"), by and 2 through the Attorney General of the State of California ("Attorney General") filed a complaint for 3 civil penalties and injunctive relief for violations of Proposition 65 and unlawful business 4 practices in the Superior Court for the County of Alameda. The People's Complaint alleges that 5 the named Defendants failed to provide clear and reasonable warnings that their inflatable 6 structures made with vinyl such as bounce houses, combos, obstacle courses and interactives (see 7 "Products" as defined in Section 2.2) contain lead and lead compounds (together "Lead"), and that 8 use of, and contact with, those Products results in exposure to Lead, a chemical known to the State 9 of California to cause cancer and reproductive harm. The Complaint further alleges that under the 10 Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code section 11 25249.6, also known as "Proposition 65," businesses must provide persons with a "clear and 12 reasonable warning" before exposing individuals to these chemicals, and that the Defendants 13 failed to do so. The Complaint further alleges that the Lead levels in the Products exceed the 14 standards set by the Consumer Product Safety Improvement Act ("CPSIA") of 2008. The 15 Complaint also alleges that the violations of Proposition 65 and the CPSIA constitute unlawful 16 acts in violation of the Unfair Competition Law, pursuant to Business and Professions Code 17 sections 17200 et seq. 18

1.2 The Center for Environmental Health ("CEH") first brought the issue of Lead 19 exposures from the Products to the attention of the Attorney General by issuing its first 60-Day 20Notice of Violation on February 19, 2010 ("Notice"). The Notice alleges that defendant Funtastic 21 Factory, Inc., dba eInflatables.com ("Settling Defendant") and others were violating Proposition 22 23 65 by introducing the Products into the stream of commerce thereby exposing individuals to Lead. CEH filed its case, Center for Environmental Health v. Cutting Edge Creations, LLC, et al., 24 Alameda County Superior Court, Case No. RG 19-530300, on August 11, 2010. CEH also seeks 25 civil penalties and injunctive relief for alleged violations of Proposition 65. On September 13, 26 2010, the People's action was coordinated with CEH's action. The People and CEH are together 27 referred to as "Plaintiffs." 28

1.3 Settling Defendant is named as a defendant in both the People's and CEH's
 2 complaints.

3 1.4 Settling Defendant is a corporation that employs more than ten (10) persons and
4 employed ten or more persons at all times relevant to the allegations of the Complaints, and
5 manufactures, distributes and/or sells Products (as defined below) in the State of California and/or
6 has done so in the past four years.

7 1.5 For purposes of this Consent Judgment only, the People, CEH and the Settling
8 Defendant stipulate that this Court has jurisdiction over the allegations of violations contained in
9 the Notice and Complaints and personal jurisdiction over Settling Defendant as to the acts alleged
10 in the Notice and Complaints, that venue is proper in Alameda County, and that this Court has
11 jurisdiction to enter this Consent Judgment as a full and final resolution of all claims which were
12 or could have been raised in the Complaints based on the facts alleged therein.

1.6 The People, CEH and Settling Defendant enter into this Consent Judgment as a full 13 and final settlement of all claims relating to the Products (as that term is defined below) arising 14 from the alleged failure to warn regarding the presence of Lead in such Products. Nothing in this 15 Consent Judgment shall be construed as an admission by the Parties of any fact, conclusion of 16 law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute 17 or be construed as an admission by Parties of any fact, conclusion of law, issue of law or violation 18 of law. Nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy 19 argument or defense the Parties may have in this or any other future legal proceedings. By 20execution of this Consent Judgment and agreeing to provide the relief and remedies specified 21 herein, Settling Defendant does not admit any violations of Proposition 65, applicable Business 22 and Professions Code sections or any other law or legal duty. Settling Defendant expressly asserts 23 that its Products do not require a warning under Proposition 65 and denies any liability 24 whatsoever. 25

26 2. <u>DEFINITIONS</u>

27 2.1 The "Actions" shall collectively mean the *People of the State of California v. Bay*28 *Area Jump, et al.*, Case No. RG 10-530436, Alameda County Superior Court (filed August 11,

14	3. <u>INJUNCTIVE RELIEF: LEAD REDUCTION</u>		
15	<b>3.1</b> <u>Immediate Product Reformulation</u> . Immediately upon the Effective Date of this		
16	Consent Judgment, Settling Defendant shall reduce the level of Lead in the Products Sold in		
17	California from the current levels to a level no higher than 100 ppm ("Compliance Level") as		
18	determined pursuant to total Lead testing, EPA Method 3050B or CPSIA Method CPSC-CH-		
19	E1001-08 (the "Test Protocols").		
20	<b>3.2</b> <u>Specification and Certification of Vinyl</u> . For so long as Settling Defendant		
21	manufactures, distributes, or ships the Products for sale in California, Settling Defendant shall		
22	issue specifications to its vinyl suppliers requiring that the vinyl used in the Products shall not

the testing of the vinyl used in the Products using an X-Ray Fluorescence Analyzer or shall cause
 to have the testing performed by an independent, CPSIA-approved laboratory in accordance with
 either of the Test Protocols. Settling Defendant shall perform the testing described in this Section
 on each roll of vinyl purchased from its suppliers.

(a) <u>Vinyl That Exceeds the Compliance Level.</u> If the results of the testing
required pursuant to Section 2.3 show Lead levels in excess of the Compliance Level in
the vinyl, Defendant shall: (1) refuse to accept all the vinyl that tested above the
Compliance Level; and (2) send a notice to the supplier explaining that such vinyl does not
comply with either Settling Defendant's specifications for Lead or the supplier's
certification.

#### INJUNCTIVE RELIEF: CLEAR AND REASONABLE WARNINGS

4.1 Plaintiffs allege that warnings are necessary as to the Old Products because these
products purportedly cause continuing exposures to Lead. While expressly denying such
allegations, Settling Defendant agrees to implement the following programs to provide clear and
reasonable warnings to persons who come into contact with Old Products sold before the
Effective Date of this Consent Judgment:

(a) <u>Informational Program</u>. Settling Defendant shall provide the mailed
warnings and informational materials attached hereto as Exhibit A, in English and
Spanish, to all parties who purchased Old Products within the State of California. The
informational materials provided pursuant to this Section shall include an offer to either
perform testing on the Old Products or pay for testing of such Products.

(b) <u>Web Notice</u>. For a period of two years following the Effective Date,
 Settling Defendant will maintain a conspicuous link on its primary, customer oriented
 website that directs users to the web page that CEH will maintain with respect to Lead in
 the Products.

26

5.

#### ADDITIONAL ACTIONS BY SETTLING DEFENDANT

27 5.1 <u>Testing of Old Products</u>. Upon a request within two years of the Effective Date by
 28 an individual or entity that purchased directly from Settling Defendant any Old Products, Settling

Defendant shall either perform or pay for testing for all Old Products. The testing pursuant to this
 section may be performed by X-Ray Fluorescence or pursuant to the Test Protocols.

5.2 <u>Replacing Certain Old Products</u>. Settling Defendant shall, at its own cost, replace
any Old Products still in use and in good condition as of the Effective Date, if the testing
described in Section 5.1 reveals Lead levels in excess of 1,000 ppm. The Unreformulated Product
shall be returned to Settling Defendant.

5.3 <u>Discounted Replacement of Products That Exceed CPSIA Levels</u>. To the extent
that the testing described in Section 5.1 of any Unreformulated Product still in use and in good
condition as of the Effective Date reveals Lead levels that exceed 300 ppm, but is less than 1,000
ppm, Settling Defendant shall provide the individual or entity with a discount amounting to 50%
of the regular list price of a comparable Product to the one that tested between 300 ppm and 1,000
ppm. The Unreformulated Product shall be returned to Settling Defendant.

13 6.

26

these funds shall be remitted to the California Office of Environmental Health Hazard Assessment

matter. Funds paid pursuant to this paragraph shall be placed in an interest-bearing Special 1 Deposit Fund established by the Attorney General. These funds, including any interest, shall be 2 used by the Attorney General, until all funds are exhausted, for the costs and expenses associated 3 with the enforcement and implementation of Proposition 65, including investigations, 4 enforcement actions, other litigation or activities as determined by the Attorney General to be 5 reasonably necessary to carry out his duties and authority under Proposition 65. Such funding 6 7 may be used for the costs of the Attorney General's investigation, filing fees and other court costs, payment to expert witnesses and technical consultants, purchase of equipment, travel, purchase of 8 written materials, laboratory testing, sample collection, or any other cost associated with the 9 Attorney General's duties or authority under Proposition 65. In any 17 proceeding to enforce the terms of this Consent Judgment, Plaintiffs may seek whatever fines, 18 costs, penalties, or remedies are provided by law for failure to comply with the Consent Judgment. 19 However, Plaintiffs may not seek any fees or costs if Settling Defendant agrees to take the action 20demanded by Plaintiffs during the meet and confer process described in section 8.4, below, and 21 implements such action in a prompt manner. 22

8.2 Enforcement by Separate Action. Where violations of this Consent Judgment
constitute subsequent violations of Proposition 65 or other laws independent of the Consent
Judgment and/or those alleged in the Complaint, Plaintiffs and/or CEH are not limited to
