COUNTY OF ALAMEDA**

DAVID STEINMAN

Plaintiff,

v.

**THE KAO BRANDS COMPANY and
DOES 1-100**

Defendants.

Case No. RG10516969

**[PROPOSED] STIPULATED
CONSENT JUDGMENT;
[PROPOSED] ORDER**

Health & Safety Code Section 25249.5
et seq.

ACTION FILED: May 26, 2010
TRIAL DATE: February 6, 2012

I. INTRODUCTION

1.1 On May 26, 2010, Plaintiff David Steinman as a private enforcer and in the public interest filed a Complaint for Injunctive and Declaratory Relief and Civil Penalties against Defendant KAO Brands Company ("KAO") (now known as "KAO USA, Inc.") The Complaint alleges that KAO violated Health and Safety Code Section 25249.6 of the Safe Drinking Water and Toxic Enforcement Act of 1986 (also known as "Proposition 65,") through the sale of John Frieda Collection Root Awakening Strength Restoring Shampoo ("the Covered Product") by failing to provide a clear and reasonable warning.

1.2 The Complaint is based on allegations contained in a Notice of Violation dated March 15, 2010, served on the California Attorney General, other public enforcers and KAO. A true and correct copy of the Notice of Violation is attached hereto as Exhibit A.

1.3 Plaintiff David Steinman is an individual interested in the enforcement of Proposition 65.

1.4 Defendant KAO is a business entity that distributes the Covered Product. KAO is a company that employs ten or more persons.

1.5 Subsequent to the filing of this legal action, KAO has provided copies of test results to Plaintiff that substantiate that at least 3 separate samples of the Covered Products were tested and found during 2011 to contain less than 10 ppm of 1,4-dioxane. Plaintiff is in agreement with these test results.

1.6 The Parties enter into this Consent Judgment in order to achieve a full settlement of disputed claims between the Parties as alleged in the Complaint for the purpose of avoiding prolonged litigation. Plaintiff David Steinman has diligently prosecuted this matter and is settling this case in the public interest.

1.7 Nothing in the Consent Judgment shall be construed as an admission by KAO of any fact, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by KAO of any fact, issue of law or violation of law, at any time, for any purpose. Nothing in the Consent Judgment shall prejudice, waive or impair any right, remedy or defense that KAO may have in any other or further legal proceedings. Nothing in the Consent Judgment or any document referred to herein, shall be construed as giving rise to any presumption or inference of admission or concession by KAO as to any fault, wrongdoing or liability whatsoever.

II. JURISDICTION AND VENUE

For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over the subject matter of this action and personal jurisdiction over the Parties, that venue is proper in this Court, and that this Court has jurisdiction to enter a Consent Judgment pursuant to the terms set forth herein.

III. INJUNCTIVE RELIEF

3.1 No Shipping, Distributing, Marketing or Selling of Covered Product Containing More Than 10 ppm of 1,4-Dioxane

KAO shall not ship, distribute, market or sell (or cause to be shipped, distributed, marketed or sold) anywhere in California any Covered Product containing more than 10 parts per million (“ppm”) of 1,4-dioxane as measured using the quality control methodology set forth in Exhibit B, unless KAO has provided a clear and reasonable warning consistent with Proposition 65 and as set forth in Section 3.2.

3.2 Clear and Reasonable Warning:

In the event KAO ships, distributes, markets or sells the Covered Product in California after the effective date of the Agreement, that contains more than 10 ppm of 1,4-dioxane, KAO shall provide the following clear and reasonable warning to consumers:

“**WARNING:** This product contains a chemical known to the State of California to cause cancer.”

In the event that this warning is required, the warning shall be prominently affixed to or printed on the container of the Covered Product so as to be clearly conspicuous, as compared with other statements or designs on the label as to render it likely to be read and understood by an ordinary purchaser or user of the product.

IV. PAYMENT

In full and final satisfaction of civil penalties, payment in lieu of civil penalties, Plaintiff's costs of litigation and attorney's fees, KAO shall make a total payment of \$42,500.00 payable within ten (10) business days of receiving the Notice of Entry of Consent Judgment. Said payments shall be for the following:

\$4,250.00 payable as civil penalties pursuant to Health & Safety Code Section 25249.7 (b) (1).

Of this amount, \$3,187.50 shall be payable to the Office of Environmental Health Hazard Assessment ("OEHHA") and \$1,062.50 shall be payable to Freedom Press at the direction of Plaintiff. Health & Safety Code Section 25249.12 (c) (1) & (d). KAO shall send both payments to David Steinman's counsel who shall be responsible to forward the civil penalty payment to OEHHA along with a copy of the transmittal to KAO.

\$21,598.00 payable to Freedom Press which includes: A) activities directly related to the investigation and research of consumer products in the marketplace that may contain Proposition 65 listed chemicals, the purchasing, organizing and storage of these products, the testing of those products for lead, arsenic and other toxic chemicals, research into alternatives to the use of toxic chemicals, post settlement monitoring of these products and the continued enforcement of Proposition 65; and B) \$3,401.00 as reimbursement to David Steinman for reasonable investigation costs associated with the enforcement of Proposition 65 and other costs incurred as a result of investigating, bringing this matter to Defendant's attention, litigating and negotiating this settlement. The Tax Identification No. for Freedom Press is 95-4736088.

\$16,652.00 payable to Michael Freund as reimbursement of David Steinman's attorney's fees and costs. KAO's payments shall be mailed to the Law Office of Michael Freund.

V. RELEASE AND CLAIMS COVERED

This Consent Judgment is a full, final and binding resolution and release between David Steinman and KAO, its parents, shareholders, divisions, subdivisions, subsidiaries, sister companies, affiliates, cooperative members, licensors, licensees, retailers, distributors, wholesalers, agents and representatives, and the officers, directors, employees, attorneys, agents, representatives, predecessors, successors, and assigns of any of them, (“Released Parties”) of any violation of Proposition 65 or its implementing regulations or any other statutory or common law claims that have been or could have been asserted in the Complaint for failure to provide clear and reasonable warnings of exposure to 1,4-dioxane from the use of the Covered Product, or any other claim based on the facts or conduct alleged in the Complaint as to such product.

Furthermore, this Consent Judgment is a full, final and binding resolution and release between David Steinman, acting in the public interest pursuant to Health & Safety Code Section 25249.7 (d) and KAO, its parents, shareholders, divisions, subdivisions, subsidiaries, sister companies, affiliates, cooperative members, licensors, licensees, retailers, distributors, wholesalers, agents and representatives, and the officers, directors, employees, attorneys, agents, representatives, predecessors, successors, and assigns of any of them, (“Released Parties”) of any violation of Proposition 65 or its implementing regulations for failure to provide clear and reasonable warnings of exposure to 1,4-dioxane from the use of the Covered Product.

KAO waives all rights to institute any form of legal action against David Steinman and his attorneys, agents, and representatives (“the Releasees”) for all actions or statements made or undertaken by the Releasees in the course of seeking enforcement of Proposition 65 in this Action. KAO also agrees to indemnify and hold harmless Plaintiff from any such legal action by any of the Released Parties.

VI. CONTINUING OBLIGATIONS

Nothing herein shall be construed as diminishing KAO's continuing obligations to comply with Proposition 65.

VII. SEVERABILITY OF UNENFORCEABLE PROVISIONS

In the event that, after entry of this Consent Judgment in its entirety, any of the provisions hereof are subsequently held by a court to be unenforceable, the validity of the enforceable provisions shall not be adversely affected.

Re: Notice of Violation Against Kao Brands Company for Violation of California Health & Safety Code Section 25249.6

Dear Prosecutors:

I represent David Steinman, a committed environmentalist, journalist, consumer health advocate, publisher and author. His major books include *Diet for a Poisoned Planet* (1990, 2007); *The Safe Shopper's Bible* (1995); *Living Healthy in a Toxic World* (1996); and *Safe Trip to Eden: Ten Steps to Save the Planet Earth from Global Warming Meltdown* (2007). Through this Notice of Violation, Mr. Steinman seeks to reduce exposure to 1,4 Dioxane.

This letter constitutes notification that Kao Brands Company has violated the warning requirement of Proposition 65, the Safe Drinking Water and Toxic Enforcement Act (commencing with section 25249.5 of the Health and Safety Code).

In particular, this company has manufactured and distributed products which have exposed and continue to expose numerous individuals within California to 1,4 Dioxane. This chemical was listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer on January 1, 1988. The time period of these violations commenced one year after the listed dates above. The primary route of exposure has been through dermal contact with the products. Additional exposures may occur through oral and inhalation exposure.

The Kao Brands Company is exposing people to 1,4 Dioxane from the following product: John Frieda Collection Root Awakening Strength Restoring Shampoo.

Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to certain listed chemicals. Kao Brands Company is in violation of Proposition 65 because the company failed to provide a warning to persons using their products that they are being exposed to 1,4 Dioxane. (22 C.C.R. section 12601.) While in the course of doing business, the company is knowingly and intentionally exposing people to this chemical, without first providing clear and reasonable warning. (Health and Safety Code section 25249.6.) The method of warning should be a warning that appears on the product's label. 22 C.C.R. section 12601 (b)(1) (A).

Proposition 65 requires that notice and intent to sue be given to a violator 60-days before the suit is filed. With this letter, David Steinman gives notice of the alleged violation to the noticed party and the appropriate governmental authorities. This notice covers all violations of Proposition 65 that are currently known to Mr. Steinman from information now available to us. Mr. Steinman is continuing his investigation that may reveal further violations. A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, and

referenced as Appendix A, has been provided to the noticed party.

If you have any questions, please contact my office at your earliest convenience.

Sincerely,

A handwritten signature in black ink, consisting of the letters 'M' and 'F' in a stylized, cursive font.

CERTIFICATE OF MERIT

Health and Safety Code Section 25249.7 (d)

I, Michael Freund hereby declare:

1. This Certificate of Merit accompanies the attached Notice of Violation in which it is alleged that the party identified in the Notice has violated Health and Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am the attorney for the noticing party David Steinman. Mr. Steinman is a committed environmentalist, journalist, consumer health advocate, publisher and author. The Notice of Violation alleges that the party identified has exposed persons in California to 1,4 Dioxane from its consumer product. Please refer to the Notice of Violation for additional details regarding the alleged violations.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemical that is the subject of the action. In particular, I have consulted with the primary chemist who conducted the laboratory testing for 1,4 Dioxane of this consumer product and I have relied on the testing results. The testing was conducted by a reputable testing laboratory by experienced scientists. These facts, studies or other data derived through this investigation overwhelmingly demonstrate that the party identified in the Notice exposes persons to 1,4 Dioxane through dermal contact. There may be additional exposures through inhalation and oral exposure.
4. Based on my consultation with an experienced scientist in this field, the results of laboratory testing, as well as the published studies on 1,4-Dioxane, it is clear that there is sufficient evidence that human exposures exist from exposure to the products from the noticed party.

Furthermore, as a result of the above, I have concluded that there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the California Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health & Safety Code Section 25249.7 (h) (2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies or other data reviewed by those persons.
