

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Russell Brimer and Design For All, LLC

This Settlement Agreement is entered into by and between Russell Brimer, (“Brimer”) and Design For All, LLC (“Design For All”), with Brimer and Design For All collectively referred to as the “Parties.” Brimer is an individual residing in the State of California who asserts that he seeks to promote awareness of exposure to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Design For All employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Brimer alleges that Design For All has manufactured, distributed, and/or offered for sale in California belts containing lead without the requisite Proposition 65 warnings. Lead (hereinafter “Listed Chemical”) is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Design For All asserts that it has conducted an independent investigation of the Products (as defined in Section 1.3) identified on the Notice (as defined in Section 1.4), and based thereon, denies that the subject product contained the Listed Chemical, or if it did, that the amount present was such that Design For All was not required to provide a warning under the “Safe Harbor” provisions of Proposition 65.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as follows: belts containing the Listed Chemical such as, but not limited to, *D.F.A. New York Pant and Belt Set, Style No. 1C47333*. All such belts containing the Listed Chemical are referred to hereinafter as the “Products.”

1.4 Notice of Violation

On or about November 12, 2010, Brimer served Design For All and various public enforcement agencies with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Design For All and public enforcers with notice of alleged violations of California Health & Safety Code § 25249.6 by Design For All for failing to warn its customers and consumers in California that the Products it sold exposed users to the Listed Chemical. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

As detailed above, Design For All denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Design For All of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Design For All of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Design For All. However, this section shall not diminish or otherwise affect Design For All’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean July 30, 2011.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Commitment

As of the Effective Date, Design For All shall only manufacture or cause to be manufactured for sale in California Products that are Lead Free. For purposes of this Settlement Agreement, “Lead Free” Products shall mean Products shall mean Products

containing components that may be handled, touched or mouthed by a consumer, and which components yield less than 1.0 microgram of lead when using a wipe test pursuant to NIOSH Test Method 9100, and yield less than 100 parts per million (“ppm”) lead when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance. Products that are Lead Free are referred to hereinafter as “Reformulated Products.”

Design For All further commits that 100% of the Products that it offers for sale in California after the Effective Date shall be Lead Free.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)

Pursuant to California Health & Safety Code § 25249.7(b), and in settlement of all claims alleged in the Notice and Complaint and referred to in this Settlement Agreement, Design For All shall pay \$3,000 in combined penalty payments and credits.

For its cooperation in the settlement process and its commitment to reformulate the Products to be Lead Free pursuant to Section 2.1 above, Brimer shall provide Design For All with a penalty credit of \$1,000. Thereafter, the remaining penalty amount of \$2,000 will be paid by Design For All and apportioned according to Health & Safety Code §§ 25249.12 (c)(1) & (d), with seventy-five percent of the penalty amount remitted to the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining twenty-five percent of the penalty paid to Brimer.

Design For All shall issue two checks for the penalty payment: (a) one check payable to “The Chanler Group in Trust for OEHHA” in the amount of \$1,500, and (b) one to “The Chanler Group in Trust for Russell Brimer” in the amount of \$500. Two 1099 forms shall be provided for the above payments to: (a) Office of Environmental Health Hazard Assessment, P.O. 4. REIMBURSEMENT OF FEES AND COSTS

The parties reached an accord on the compensation due to Brimer and his counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Design For All shall reimburse Brimer's counsel for fees and costs incurred as a result of investigating, bringing this matter to Design For All's attention, and negotiating a settlement in the public interest. Design For All shall pay Brimer's counsel \$23,000 for all attorneys' fees, expert and investigation fees, and related costs. The payment shall be issued in a third check made payable to "The Chanler Group" and shall be delivered on or before the Effective Date at the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

Design For All shall issue a separate 1099 for attorneys' fees and costs paid to The Chanler Group (EIN: 94-3171522).

5. CLAIMS COVERED AND RELEASED

5.1 Full, Final and Binding Resolution of Proposition 65 Allegations.

This Settlement Agreement is a full, final and binding resolution between Brimer, on behalf of himself and the public, and Design For All, of any violation of Proposition 65 that was or could have been asserted by Brimer against Design For All, its parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, attorneys, and each entity to whom Design For All directly or

indirectly distributes or sells Products, including but not limited to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensors, and licensees (“Releasees”), based on their failure to warn about alleged exposures to lead contained in the Products that were sold by Design For All.

5.2 Brimer’s Public Release of Proposition 65 Claims.

In further consideration of the promises and agreements herein contained, Brimer on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, and in the interest of the general public, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses -- including, but not limited to, investigation fees, expert fees, and attorneys’ fees, but exclusive of fees and costs on appeal -- limited to and arising under Proposition 65 with respect to lead in the Products sold by Design For All (collectively “claims”), against Design For All and Releasees.

5.3 Brimer’s Individual Release of Claims.

Brimer also, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities and demands of plaintiff of any nature, character or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to lead in the Products manufactured, distributed or sold by Design For All.

5.4 Design For All’s Release of Brimer.

Design For All on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Brimer, his attorneys and other representatives, for any and all actions taken or

statements made (or those that could have been taken or made) by Brimer and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Design For All may provide written notice to Brimer of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
