20 NORTHSHORE POWER SYSTEMS, LLC

21 Defendant.

CASE NO. CGC-11-511550

[Proposed] Consent Judgment

22  
23 1. INTRODUCTION

24 1.1 On or about February 17, 2011, plaintiff MATEEL ENVIRONMENTAL  
25 JUSTICE FOUNDATION ("Mateel"), provided a 60-day notice of violation ("Notice") to the  
26 California Attorney General, the District Attorneys of every county in California, the City  
27 Attorneys of every California city with a population greater than 750,000, and to  
28 Defendant NORTHSHORE POWER SYSTEMS, LLC ("Defendant"), alleging that

1 Defendant, through sales in California of devices (such as generators) powered by small  
2 gasoline engines ("small engine-powered devices"), was violating Health & Safety Code  
3 section 25249.6. Plaintiff alleged that the engines that power these products emit in their  
4 exhaust carbon monoxide, benzene, toluene, benzo(a)pyrene, formaldehyde,  
5 acetaldehyde, 1,3 butadiene, benz(a)anthracene, benzo(b)fluoranthene,  
6 benzo(k)fluoranthene, benzo(j)fluoranthene, chrysene and indeno[1,2,3-cd] pyrene  
7 (collectively hereinafter "engine exhaust components"). These engine exhaust  
8 components are all chemicals listed pursuant to Health & Saf. Code § 25249.8 as known  
9 to cause cancer or reproductive toxicity. Plaintiff alleged that Defendant exposed  
10 Californians to engine exhaust components without first providing those exposed with a  
11 clear and reasonable warning. To the extent the aforementioned small engine-powered  
12 devices manufactured by Defendant are marketed in California, they are deemed  
13 Covered Products for purposes of this Consent Judgment.  
14

15  
16 1.2 On or about June 8, 2011, plaintiff Mateel, acting in the public interest  
17 pursuant to Health and Safety Code section 25249.7(d), filed a Complaint for Civil  
18 Penalties and Injunctive Relief in San Francisco County Superior Court, Case No.  
19 511550 ("Complaint") against Defendant (and Honeywell, Inc. and Costco Wholesale  
20 Corporation) based on the allegations contained in the Notice.  
21

22 1.3 For purposes of this Consent Judgment, Mateel and Defendant stipulate  
23 that this Court has jurisdiction over the allegations of violations contained in the  
24 Complaint and personal jurisdiction over Defendant as to the acts alleged in the  
25 Complaint, that venue is proper in the County of San Francisco and that this Court has  
26 jurisdiction to enter this Consent Judgment as a full and final settlement and resolution of  
27 the allegations contained in the Complaint and of all claims which were or could have  
28

1 been raised based on the facts alleged therein or arising therefrom.

2  
3 1.4 Mateel and Defendant enter into this Consent Judgment pursuant to a full  
4 and final settlement of disputed claims between the parties for the purpose of avoiding  
5 prolonged litigation. This Consent Judgment shall not constitute an admission with  
6 respect to any allegation made in the Notice or the Complaint, each and every allegation  
7 of which Defendant denies, nor may this Consent Judgment or compliance with it be  
8 used as evidence of any wrongdoing, misconduct, culpability or liability on the part of the  
9 Defendant.  
10

11 2. INJUNCTIVE RELIEF-CLEAR AND REASONABLE WARNINGS

12 2.1 Clear and reasonable warnings that the use of Covered Products potentially  
13 exposes the user to chemicals known to the State of California to cause cancer, birth  
14 defects or other reproductive harm, shall be provided under the circumstance, and in the  
15 manner provided in this Consent Judgment. Defendant has represented that it has  
16 ceased all manufacturing, sales, marketing and distribution of Covered Products as of  
17 March 2011. In the event that Defendant restarts its business and sells, markets or  
18 distributes any Covered Products in California after the effective date of this Consent  
19 Judgment then said clear and reasonable warnings for all existing products and future  
20 models of Covered Products shall be provided as described below.  
21

22  
23 A. Warnings in the Owner's Manual  
24

25 A warning may be contained in the owner's manual provided with the Covered  
26 Product by the manufacturer, either printed on the manual or on a sticker in the manual,  
27 under all of the following conditions:

- 28 1. the warning shall be located in one of the following places in the owner's

1 manual: the outside of the front cover, the inside of the front cover, the first page other  
2 than the cover and table of contents, or the outside of the back cover. Unless a different  
3 warning is approved by the Attorney General, the warning shall be one of the warnings  
4 in Appendix A, except that, at the option of the manufacturer, the reference to the State  
5 of California and Proposition 65 may be omitted. The warning shall be of similar shape  
6 and a comparable print size to the warnings in Appendix A. The word "Warning" must  
7 be in 19 point type. If the words "California Proposition 65" are used in the heading,  
8 they must be in 11 or 12 point type to emphasize the word "Warning." The words  
9 "California Proposition 65" may appear before the word "Warning" or after the text of the  
10 warning. The remaining text must be in 11 or 12 point type.

11  
12 2. the Covered Product contains a durable label or sticker directing the  
13 operator's attention to the owner's manual;

14  
15 3. the owner's manual is supplied by the manufacturer and intended by the  
16 manufacturer to be provided with the Covered Product by the retailer to the initial  
17 consumer/purchaser;

18 4. no statement concerning California Air Resources Board or Environmental  
19 Protection Agency requirements for engine exhaust appears directly adjacent to, below,  
20 or above the warning;

21  
22 5. at least one other warning appears in the owner's manual; and

23 6. all or a substantial portion of assembly instructions, if any, are contained in the  
24 owner's manual.

25  
26 Provided, however, that if the owner's manual does not contain any assembly  
27 instructions and all of the assembly instructions are contained in another document (other  
28 than a simple parts list), then the warning in Appendix A shall be placed both in the

1 owner's manual and the assembly instructions at the locations specified in subparagraph  
2 A.1 above.

3 B. Warnings on the Product or Engine

4 Alternatively, for any Covered Product, Defendant may satisfy its obligations  
5 under this Consent Judgment by providing warnings as specified in this subparagraph.  
6 A warning may be provided by affixing a durable label containing a warning with the  
7 language contained in Appendix A on the Covered Product or the Covered Product  
8 Engine in a location that can be seen by the user of the Covered Product under  
9 normal circumstances of operation.  
10

11 2.2 Defendant shall provide warnings indicated above for Covered  
12 Products as described below:

13 A. Warnings in Owner's Manuals or Assembly Instructions

14 If Defendant restarts its business operation and chooses to provide warnings in  
15 the owner's manual or assembly instructions, as provided in subparagraph 2.1.A,  
16 Defendant shall provide such warnings with the next regularly scheduled printing of the  
17 owner's manual, engine manual or assembly instructions. Notwithstanding the  
18 foregoing, all products manufactured for Defendant after February 1, 2012 shall include  
19 manuals or assembly instructions with the required warnings. Defendant agrees that  
20 manuals or assembly instructions containing the warning shall be included with the  
21 manufactured products if Defendant restarts its business operations as soon as such  
22 revised manuals and assembly instructions are available.  
23  
24

25 B. Warnings on the Covered Products

26 Defendant which provides warnings on the Covered Products as provided in  
27 subparagraph 2.1.C shall do so on all products manufactured no later than one (1)  
28

1 year from the date of entry of this Consent Judgment.

2           2.3. The parties agree that the manufacture, distribution, sale, resale, and/or  
3 use of Covered Products by Defendant, Defendant's suppliers, or those who are in their  
4 respective chain of distribution (including licensors, licensees, wholesalers, brokers,  
5 resellers, dealers, distributors, original equipment manufacturers, and retailers) does not  
6 violate Proposition 65 if warnings are provided to consumers in compliance with this  
7 Consent Judgment. Provided, however, that this paragraph shall not expand or diminish  
8 any duty to comply with any changes made to Proposition 65 or its implementing  
9 regulations after the date of this Consent Judgment.

11           2.4. If Defendant has complied with the terms of subparagraph 2.2. of the  
12 Consent Judgment, Defendant shall not be found to have violated this Consent Judgment  
13 because any other person within its respective chain of distribution (as described above)  
14 shall have failed to provide warnings under subparagraphs 2.1. and 2.2.

### 16           3. MONETARY RELIEF

17           3.1 Within thirty (30) days after entry of this Consent Judgment by the Court,  
18 payment shall be made by Defendant or on behalf of Defendant in the sum of twenty  
19 thousand dollars (\$20,000) to the Ecological Rights Foundation ("ERF") and five  
20 thousand dollars (\$5,000) to California Office of Environmental Health Hazard  
21 Assessment ("OEHHA"). ERF is a California non-profit organization that advocates for  
22 workers' and consumers' safety and for awareness and reduction of toxic exposures.  
23 OEHHA is the California lead state agency for in implementation of Proposition 65. By  
24 statute OEHHA is the named recipient of any civil penalties paid pursuant to a  
25 Proposition 65 enforcement action. The foregoing settlement payments shall be mailed  
26 to the attention of William Verick, Klamath Environmental Law Center, 424 First Street,  
27  
28

1 Eureka, California 95501, who shall provide them to the respective organizations within  
2 fifteen (15) days of receipt.

3  
4 4. ATTORNEYS' FEES

5 4.1 Within thirty(30) days after entry of this Consent Judgment, Defendant shall  
6 pay Thirty thousand dollars (\$30,000) to the Klamath Environmental Law Center to cover  
7 plaintiffs' attorneys' fees and costs. The above payment shall be mailed to the attention  
8 of William Verick, Klamath Environmental Law Center, 424 First Street, Eureka, California  
9 95501.

10 4.2 Except as specifically provided in this Consent Judgment, plaintiff and  
11 Defendant shall bear their own costs and attorneys' fees.

12  
13 5. ENFORCEMENT OF JUDGMENT/STIPULATED REMEDIES

14 5.1 The terms of this Consent Judgment are enforceable by and among the  
15 parties hereto or, with respect to the injunctive relief provided for herein, by the California  
16 Attorney General.

17  
18 6. MATTERS COVERED BY THIS CONSENT JUDGMENT

19 6.1 This Consent Judgment is a full, final and binding resolution between the  
20 Plaintiff acting on behalf of itself and, (as to those matters referenced in the Notice  
21 Letters) in the public interest pursuant to Health and Safety Code section 25249.7(d), and  
22 Defendant (as well as Honeywell, Inc. and Costco Wholesale Corporation and their  
23 affiliates and subsidiaries, ) concerning any violation of Proposition 65 regarding any  
24 claims made or which could have been made in the Notice and/or the Complaint, or any  
25 other statutory or common law claim that could have been asserted against Defendant  
26 and/or its licensors, licensees, affiliates, parent or subsidiary corporations, divisions,  
27 successors, officers, directors, assigns, distributors, retailers, and/or customers (including  
28 3090976.1

1 but in no way limited to Honeywell, Inc. and Costco Wholesale Corporation and their  
2 affiliates and subsidiaries) for failure to provide clear, reasonable, and lawful warnings of  
3 exposure to lead contained in or otherwise associated with Covered Products  
4 manufactured, sold or distributed by, for, or on behalf of, Defendant. Compliance with the  
5 terms of this Consent Judgment resolves any issue, now and in the future, concerning  
6 compliance by Defendant and/or their licensors, licensees, affiliates, parent or subsidiary  
7 corporations, divisions, successors, officers, directors, assigns, distributors, retailers,  
8 and/or customers (including but in no way limited to Honeywell, Inc. and Costco  
9 Wholesale Corporation and their affiliates and subsidiaries ) with the requirements of  
10 Proposition 65 with respect to the exhaust components from small engine-powered  
11 equipment.  
12

13  
14 6.2 As to any claims, violations (except violations of this Consent Judgment),  
15 actions, damages, costs, penalties or causes of action which may arise or have arisen  
16 after the original date of entry of this consent judgment, compliance by Defendant with  
17 the terms of this Consent Judgment shall be deemed to be full and complete compliance  
18 with Proposition 65 as to claims regarding exposure to engine exhaust components from  
19 Covered Products.  
20

21 6.3 In furtherance of the foregoing, Plaintiff hereby waives any and all rights  
22 and benefits which it now has, or in the future may have, conferred upon it with respect to  
23 the Covered Products by virtue of the provisions of Section 1542 of the California Civil  
24 Code, which provides as follows:

25 "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE  
26 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR  
27 AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY  
28 HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH  
THE DEBTOR."

1 Plaintiff understands and acknowledges that the significance and consequence of  
2 this waiver of California Civil Code Section 1542 is that even if Plaintiff suffers future  
3 damages arising out of or resulting from, or related directly or indirectly to, in whole or in  
4 part, the Covered Products, they will not be able to make any claim for those damages  
5 against Defendant, or its parent, subsidiaries or affiliates, or any of its licensors,  
6 licensees, customers, distributors, wholesalers, retailers or any other person in the  
7 course of doing business who may manufacture, use, maintain, distribute, market or sell  
8 the Covered Products (including but in no way limited to Honeywell, Inc. and Costco  
9 Wholesale Corporation and their affiliates and subsidiaries). Furthermore, Plaintiff  
10 acknowledges that it intends these consequences for any such claims which may exist as  
11 of the date of this release but which Plaintiff does not know exist, and which, if known,  
12 would materially affect its decision to enter into this Consent Judgment, regardless of  
13 whether its lack of knowledge is the result of ignorance, oversight, error, negligence, or  
14 any other cause.  
15

17 7. APPLICATION OF JUDGMENT

18 7.1 The obligations of this Consent Judgment shall apply to and be binding  
19 upon any and all plaintiffs, acting in the public interest pursuant to Health and Safety  
20 Code section 25249.7(d) and Defendant and the successors or assigns of any of them.  
21

22 8. MODIFICATION OF JUDGMENT

23 8.1 This Consent Judgment may be modified only upon written agreement of  
24 the parties and upon entry of a modified Consent Judgment by the Court thereon, notice  
25 having been provided to the Attorney General, or upon motion of any party as provided
