

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (the “Agreement”) is between the Center for Environmental Health (“CEH”) and Intercontinental Leathern Industries, Inc. (“ILI”) (together, the “Parties”).

1. INTRODUCTION

1.1. On July 1, 2011, CEH, a non-profit corporation acting in the public interest, provided a “Notice of Violation of Proposition 65” to the California Attorney General, the District Attorneys of every county in California, the City Attorneys of every California city with a population greater than 750,000, and to ILI regarding the presence of lead and lead compounds (collectively, “Lead”) in wallets, handbags, purses and clutches (collectively, “Handbags”) manufactured, distributed or sold by ILI (the “Notice”).

1.2. The Notice alleges that ILI’s Handbags contain Lead. The Notice alleges that such Handbags expose people who touch, wear or otherwise handle the Handbags to Lead, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm, without first providing clear and reasonable warning to such persons regarding the carcinogenic or reproductive toxicity of Lead. The Notice alleges that such conduct violates Health & Safety Code §25249.6, the warning provision of Proposition 65.

By executing this Agreement, the Parties do not admit any facts or conclusions of law. It is the Parties’ intent that nothing in this Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the

Agreement constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law.
